Subject: Phillips 66 railroad spur

Dear Supervisor Adam Hill -- I urge you to vote NO on the Phillips 66 railroad spur/terminal. This project will be a disaster waiting to happen, threatening the safety and well being of all county residents, especially in areas like the one in which I live, Pismo Heights, within the blast zone. Property values will also sink for anyone living within the blast zone and beyond, and our crucial tourism industry undermined. Phillips 66 must be stopped.

Thank you,

Kathryn Bumpass
