Subject: Fwd: PHILLIPS 66 PROPOSAL

---

> Dear Planning Commission and the Board of Supervisors,  
>  
> As a resident who resides in Nipomo and I would like to express my opinion  
that I'm not in favor of the Phillips 66 plant bringing in more rail cars of  
crude oil to be refined on the Mesa. As a neighbor of the refinery, I don't  
want my family or any of our neighbors to be subjected to the risks or dangers  
involved with transporting flammable oil on rail lines. I realize the  
additional cars on the rail line it would create jobs and bring additional  
dollars to our county, but money should not outweigh the safety of us who live  
in this county. Please do not approve the proposal for the Phillips 66 rail  
line.
