Subject: Phillips 66 - Rail Spur Project

Dear Mr. Wilson

I recently read a partial listing of SLO County's towns and important businesses/infrastructures that would be on the .5 mile blast (or adjacent) impact zone of a crude-by-rail train moving through San Luis Obispo along - not to mention the other areas of California. Just to focus on OUR county...

- San Miguel
- Paso Robles downtown
- Templeton - junior/senior high schools
- Atascadero business corridor incl State Hospital
- Santa Margarita - incl elementary school
- Cuesta Grade - dangerous & curvy
- Cal Poly Campus
- SLO - Sierra Vista Hospital, SLO High School, French Hospital, etc.
- Pismo Beach, Grover Beach - tourism area
- Nipomo & Arroyo Mesa - Monarch Dunes, Cypress Ridge, Blacklake Developments

CHB-01

The Planning Commissioners is tasked with the serious responsibilities to protect the land and the people of San Luis Obispo. A NO VOTE on The Rail Spur Project would accomplish the Central Coast security/lifestyle for all us that we look to you to protect.

Thank you.
