Subject: Re: The P66 Rail Terminal Project

Mr. Murry Wilson, SLO County Planning Department  
On Nov 16, 2014, at 12:15 PM, ELAINE MAGNESS <[emagness@charter.net](mailto:emagness@charter.net)>  
wrote:

We oppose the P66 Rail Terminal Project for the following reasons:

1. The project would create unacceptable air quality, noise and visual pollution to Nipomo residents and visitors. This would be harmful to our health and would discourage tourism.
2. The project would create safety hazards in Nipomo, in SLO County, and within the state of California. It is inevitable that such heavy rail usage would result in congestion, leakage of dangerous materials and possibly catastrophic accidents.
