Subject: Phillips Petroleum Rail Extension

Norman and Corinne
1646 Waterview Place
Nipomo CA 93444

Dear Mr. Murry Wilson & the SLO Planning Commission:

I would like to express my ardent opposition to the Phillips Petroleum expansion and rail extension. I worked for 40 years to buy a retirement home and that dream is now in danger of being destroyed by Phillips Petroleum's industrial expansion. It is hard for me to believe that the SLO Planning Commission and County Supervisors would even consider approving this plan. It poses an extreme amount of danger to our environment including: Air & Water contamination; physical danger of explosion; traffic congestion; noise and the sleep deprivation which accompanies it and an unsightly presence on an otherwise beautiful California Coast. I earnestly ask you and the County Supervisors to disapprove the Phillips Petroleum Project and fight to stop it as earnestly as possible.:
