

To: Mary Wilson - S.L.O. Planning Dept.

Please Mr. Wilson listen to the concerns of the citizens of San Luis Obispo. Many of us have deep fear for friends and neighbors that live near the many miles of rail road lines that in some cases run within a stone's throw of the tracks.

The potential for accidents is real - not simply supposed. We rely on people in the position to see that will never happen - you are one of those.

I hope to learn that you will give this issue attention - it is vitally important.
