Subject: CBE et al. Comments on RDEIR

Dear Mr. Wilson,

Please find attached comments submitted earlier today on the Revised Draft Environmental Impact Report for the Phillips 66 Company Rail Spur Extension and Crude Unloading Project. I write to convey that the Santa Lucia Chapter of the Sierra Club was inadvertently left off the signatory list in the comments. Please accept this email as an official signature by the Santa Lucia Chapter of the Sierra Club to the attached comments. I respectfully request that you add the Santa Lucia Chapter of the Sierra Club to the record of commenters for the proposed project.

SCSLC-01

Thank you for your attention to this matter.
