Subject: Rail Spur

I live in Knowlwood tract off Callender Road, Arroyo Grande. I'm against this new rail project DRC2012-00095. Our tract is 282 yards from the existing rail road tracks. This project would bring this huge increase in rail traffic to the refinery. The increase in noise and the potential disaster that this project would bring, is not acceptable.

DED-01

Sincerely,
Dennis Debritz
