Mr. Murry Wilson
S.L.O. Co. Planning + Building

Please reject the Phillips 66 request to build a spur to have Union Pacific send five weekly oil trains to deliver crude oil to its Nipomo refinery.

this is not only dangerous, it will pollute our air. We (my husband + I) are trying very hard to reduce our driving. We plan our out-of-town trips carefully. In town we usually ride bicycles.

Sincerely,
Elaine Townsend
