SUBJECT: DRC 2011-00065 Proposed Willow Road Hauling Route Amendment

John,

This letter is to notify the County of San Luis Obispo that Chevron will be postponing formal submission of the DRC 2011-00065 Proposed Willow Road Hauling Route Amendment until after this summer because the hearing schedule before the County is impacted with multiple other projects. The Guadalupe project hauling activities will continue unmodified under the current approved permit during this time. If you have any questions, please contact me at the contact information above or Lisa Bugrova with Padre Associates at lbugrova@padreinc.com or (805) 471-9315.

Best Regards,
