Comment: We are concerned about the following increased effects as a result of approval of the Oster (Las Pilitas Quarry) CUP:

① Increased traffic in Santa Margarita. Especially given we live on I Street which is frequently used by trucks as a route to bypass El Camino Real to the Freeway

② Increased air (Dust and DIRT) pollution throughout the area.

③ Increased water (Dust and DIRT) pollution.

We fervently ask to have additional community meetings and an environmental ~~st~~ impact study before this project is approved. Thank you
