Subject: Hwy 58 Quarry

To Jeff Oliveira, I just found out about the Quarry that wants to be built on HWY58! I can't believe it will happen and my husband and I don't want it to!!

It must be stopped in now in it's early stage. Reasons; Large use of water, Traffic of big trucks, outrageous noise and huge amount of environmental damage!!

And much more! Most of us have moved here for the Peace and Quiet, to keep the area natural and just don't want anymore of these Quarries in the county and for sure not here!! We live in rural Santa Margarita at 3737 Park Hill Rd , ca. 93453 This must not happen!! both Parkhill and highway 68 are narrow roads and most of that area is populated. Who is the Company that wants to do this? Oster? Who are they? I know many people live up river from there and also along 68 it's self! We have lived here about 25 + years and love this area. All of this is Greed! Greed! Greed! They care nothing about the impact on the wildlife, plants or even people!

Would you please send me more information about this, email or address mail 3737 ParkHill Rd. email, shown, lostpeacock@tcsn.net. We are older people,

Maybe called Elderly, but we care about the area and the air and land environment if this happens. NO! NO! NO! PLEASE! Since we are in our 70's and 80's it is difficult for us to get to meeting, especially if they are at night. Please don't let this happen! Please keep us informed and we will be trying to contact local people we know who would be against it also to be heard by email or forms that have been left around.

Thank You,
Dee and Fritz Carroll
