Subject: Oster (Las Pilitas Quarry) CUP / Reclamation Plan (DRC2009-00025)

Dear Mr. Oliveira:

If this project is permitted, please require the applicant to:

- 1) Install flashing speed advisory signs on Highway 58 to slow the trucks down before they make the turn onto Estrada.
- 2) Remove the hump on Estrada before the H Street crosswalk to improve sight distance for pedestrians and cars on H Street. The Santa Margarita School is on H Street and this intersection is heavily used twice a day.
- 3) Widen the walkway on the eastern side of Estrada from Highway 58 to the railroad tracks for pedestrian safety.
- 4) Fund a Highway Patrol Officer to enforce the 35 mph speed limit through the downtown area of Santa Margarita.

Thank you, Ann Hall
