The proposed quarry is a very bad idea for the residents of Santa Margarita, Calif Canyon Road, and all the others who must travel through this route every day. The noise, pollution, and delays involved in this project will truly be intolerable to those who live in this area. The required water usage for this project will be another hardship for the community.

Many of us homeowners have labored for years in order to realize our present living situation. This project will reduce the value of our properties, while making our homes so much less enjoyable. Do not sacrifice our
