Comment: This is HUGELY DisCaraging News. I am Largely Concerned with The Noise, Air Quality and Safety ISSUES Involved with Bringing a ConStant Parade of Big Rigs Through S. Marg. The Compliance with Traffic Laws on EP Camine Peak is Already Nonexistent and Unenforced - Add a Double Trailer Hauler every 2 minutes 24 Seconds. This is unfair to those that live and work here. It wouldn't happen on Higuera ST. This is A BAD Idea!!
← How Does The Applicant Plan to Compensate US Affected For the Loss of Property Value, Peace And Quiet, Air Quality, Economic Losses From Recreational Users of our Community, AS Well AS Probable Health Consequences of These Activities.
