Comment: I realize the quarry must be where the material is found. But the impact on Hwy 58 (wedding road) would be disastrous. Let them make a new Rd in different than 58. I cant imagine the EIR to not see the extreme impact. too close to peoples homes. & air they breathe. Not to mention the wear & tear on 58 from these large trucks, which already have many tons of Mike Colas Trucks.

I would like a crest of truck that go through Margarita Hwy. Thank
