Promoting the Wise Use of Land ♦ Helping to Build Great Communities

WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review the environmental determination and other information on our website located at www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

For Week of March 7, 2013

San Luis Obispo Area

SLO Springs LLC Grading Permit. A request by SLO Springs LLC to allow for improvements to an existing driveway which will result in the disturbance of approximately 0.67 acres including approximately 3,240 sf cubic yards of cut and 539 cubic yards of fill on an approximate 500 acre parcel. The proposed improvements will result in the installation of 2 new culverts, extending an existing culvert and widening sections of an existing driveway. The proposed project is located in the Agriculture and Rural Lands land use categories and is located approximately 3 miles east of the intersection with Los Osos Valley Road, and Prefumo Canyon Road (at 3211 Prefumo Canyon Road), near the City of San Luis Obispo. The site is in the San Luis Obispo planning area. ED12-081 (PMT2011-01607)
