## WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review the environmental determination and other information on our website located at [www.sloplanning.org](http://www.sloplanning.org).

### **Proposed Negative Declarations**

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

### **For Week of November 7, 2013**

#### Nipomo Area

Moats Minors Use Permit. Request by Michael Moats for a Minor Use Permit to allow for the removal of three existing panel antennas and a 36 foot monopole, and installation of a new 53 foot simulated eucalyptus tree pole supporting eight new LTE panel antennas and eight new Remote Radio Units (RRUs). The project would also install two equipment racks on a new concrete slab at the base of the simulated eucalyptus tree. The proposed project would result in the disturbance of approximately 500 square feet on a 5 acre parcel. The proposed project is within the Residential Rural land use category. The proposed project is located at 1571 Scenic View Way, approximately 1,000 feet south of Eucalyptus Road, two miles northwest of the community of Nipomo. ED13-049 (DRC2012-00073)

#### Palo Mesa Area

Cypress Ridge L.P. Tract Map and Conditional Use Permit. Request by Cypress Ridge L.P. for a Vesting Tentative Tract Map (TR 2993) and Conditional Use Permit to allow a cluster subdivision of two existing 20.78 and 40.02 acre parcels resulting in twenty-one parcels of one acre each for the purpose of sale and/or development and two open space parcels of 21.2 and 14.6 acres. The applicant has applied for a Transfer of Development Credit (TDC) to transfer nine (9) residential credits to the property. The project will result in the disturbance of approximately 40 acres of a 61-acre site as a result of the access drive, access trails, and future residences on the proposed parcels. The proposed project is within the Residential Rural (RR) land use category and is located at 852 Zenon Way, approximately 2,400 feet northeast of Callender Road, directly east of the community of Palo Mesa. The site is in the South County Inland planning area. ED08-248 (SUB2008-00028)
