WEEKLY REPORT OF ENVIRONMENTAL DOCUMENTS AVAILABLE FOR REVIEW

The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review the environmental determination and other information on our website located at www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

For Week of January 23, 2014

Paso Robles Area

Vanderlip Major Grading Permit. Request by Vince Vanderlip for a major grading permit to allow grading for an access road and building pad which will result in the disturbance of approximately 12,000 square feet, including 875 cubic yards of cut and 875 square feet of fill on a one acre parcel to build a single family residence (2,400 sq ft) with an attached garage (735 sq ft.) and a 433 sq ft covered porch. The project will result in the permanent disturbance of 0.11 acres of kit fox habitat. The proposed project is within the Agriculture land use category and is located on the north side of Reindeer Place (5539 Reindeer Place), approximately 800 feet east of Groundsquirrel Hollow Road, east of the City of Paso Robles.
