The purpose of the environmental review process is to provide information about the environmental effects of the actions and decisions made by the County, so that environmental considerations become a part of the decision making process. The following is a summary of the most recent determinations made by the County's Environmental Coordinator. The purpose of this listing is to notify the public of pending actions, which may affect the environment of San Luis Obispo County.

You are invited to participate in this process by reviewing and providing comments on the recommendations of the Environmental Coordinator. Your comments should be in writing and should be delivered to: **Ellen Carroll, Environmental Coordinator, Department of Planning and Building, 976 Osos Street, Room 300, San Luis Obispo, Ca 93408-2040.** For more information about the environmental review process, please write to the address above, call the Environmental Division of the Department of Planning and Building at (805) 781-5600, or review the environmental determination and other information on our website located at www.sloplanning.org.

Proposed Negative Declarations

A Negative Declaration is issued for projects that would not result in significant effects on the environment. In many cases, the project applicant has added mitigation measures to the project to reduce environmental impacts in order to qualify for a Negative Declaration. If you disagree with the issuance of a proposed Negative Declaration, you may provide comments or file a Request for Review (appeal) of the Negative Declaration. Requests for Review must be filed within two weeks of the date that the proposed Negative Declaration is posted and must address only environmental issues. There is a fee for the request. If you would like more information about this process, please contact the Environmental Coordinator.

Paso Robles Area

Zacastreet21, LLC General Plan Amendment. Request by Zacastreet21, LLC for a General Plan Amendment (GPA) to change the land use category on approximately 34 acres (25 parcels), including 23 acres (23 parcels) of Commercial Retail (CR) and 11 acres (2 parcels) of Commercial Service (CS), to a mixed CR and CS land use designation. This would allow for any of the allowable uses identified in Table 2-2 of the Land Use Ordinance for the CR or CS land use category to be established on any of the 25 parcels that comprise the 34 acre project area. The project site is located in the community of Templeton and is bordered by the following roads: Ramada Drive, Marquita Avenue, Cow Meadow Place, and La Cruz Way. The site is in the Salina River Sub-area of the North County planning area, approximately 600 feet southeast of the City of Paso Robles. ED14-174 (LRP2014-00013)
