

DEPARTMENT OF PLANNING AND BUILDING

THIS IS A NEW PROJECT REFERRAL

DATE: 5/10/2011

TO: _____

FROM: Karen Nall, North County Team

PROJECT DESCRIPTION: DRC2010-00067 WESTSER- Minor Use Permit for a specialized animal facility with events. To be used for Creston Classic Rodeo. 111.45 acre site located off Webster Road in Creston. APN: 043-091-046.

Return this letter with your comments attached no later than: 14 days from receipt of this referral. CACs please respond within 60 days. Thank you.

PART 1 - IS THE ATTACHED INFORMATION ADEQUATE TO COMPLETE YOUR REVIEW?

- YES (Please go on to PART II.)
 NO (Call me ASAP to discuss what else you need. We have only 10 days in which we must obtain comments from outside agencies.)

PART II - ARE THERE SIGNIFICANT CONCERNS, PROBLEMS OR IMPACTS IN YOUR AREA OF REVIEW?

- YES (Please describe impacts, along with recommended mitigation measures to reduce the impacts to less-than-significant levels, and attach to this letter)
 NO (Please go on to PART III)

PART III - INDICATE YOUR RECOMMENDATION FOR FINAL ACTION.

Please attach any conditions of approval you recommend to be incorporated into the project's approval, or state reasons for recommending denial.

IF YOU HAVE "NO COMMENT," PLEASE SO INDICATE, OR CALL.

PROPERTY INFORMATION

Total Size of Site: 111.45 Assessor Parcel Number(s): 043-091-046 SEE DUG 1 & 2

Legal Description: WEBSTER ALBERT T. FAMILY TRUST

Address of the project (if known): 6101 WEBSTER RD

Directions to the site (including gate codes) - describe first with name of road providing primary access to the site, then nearest roads, landmarks, etc.: ENTER GATE NORTH SIDE OF SWAYZE ST, 20 FEET EAST OF WEBSTER ROAD (HWY 229) TURN NORTH ON WEBSTER TO HWY 41

Describe current uses, existing structures, and other improvements and vegetation on the property:

AGRICULTURAL AND CRESTON CLASSIC RODEO GROUNDS

SEE ATTACHMENT - PHOTO 1

PROPOSED PROJECT

Describe the proposed project (inc. sq. ft. of all buildings): CRESTON CLASSIC RODEO GROUNDS
SEE ATTACHMENT 1

LEGAL DECLARATION

I, the owner of record of this property, have completed this form accurately and declare that all statements here are true. I do hereby grant official representatives of the county authorization to inspect the subject property.

Property owner signature 

Date 3-2-11

FOR STAFF USE ONLY

Reason for Land Use Permit _____

LAND USE PERMIT APPLICATION

San Luis Obispo County Department of Planning and Building

File No _____

Type of project: Commercial Industrial Residential Recreational Other

Describe any modifications/adjustments from ordinance needed and the reason for the request (if applicable): NONE

Describe existing and future access to the proposed project site: ACCESS IS FROM EITHER SWAYZE ST OR WILSON RD (HWY 229)

Surrounding parcel ownership: Do you own adjacent property? Yes No
If yes, what is the acreage of all property you own that surrounds the project site? _____

Surrounding land use: What are the uses of the land surrounding your property (when applicable, please specify all agricultural uses):

North: AGRICULTURAL
East: AGRICULTURAL

South: RESIDENTIAL
West: HWY 229 / AGRICULTURAL

For all projects, answer the following:

Square footage and percentage of the total site (approximately) that will be used for the following:

Buildings: NONE sq. feet N/A % Landscaping: NONE sq. feet N/A %
Paving: NONE sq. feet N/A % Other (specify) SEE ATTACHMENT 2
Total area of all paving and structures: SEE ATTACHMENT 2 sq. feet acres - (6)
Total area of grading or removal of ground cover: NONE sq. feet acres
Number of parking spaces proposed: SEE ATTACHMENT 2 Height of tallest structure: STANDARD COVER 18 FT
Number of trees to be removed: NONE Type: NA
Setbacks: Front _____ Right _____ Left _____ Back _____

Proposed water source: On-site well Shared well Other _____
 Community System - List the agency or company responsible for provision: _____
Do you have a valid will-serve letter? Yes No (If yes, please submit copy)

Proposed sewage disposal: Individual on-site system Other PORTABLE TOILETS
 Community System - List the agency or company responsible for sewage disposal: _____
Do you have a valid will-serve letter? Yes No (If yes, please submit copy)

Fire Agency: List the agency responsible for fire protection: CAL FIRE

For commercial/industrial projects answer the following:

Total outdoor use area: _____ sq. feet acres
Total floor area of all structures including upper stories: _____ sq. feet

For residential projects, answer the following:

Number of residential units: N/A Number of bedrooms per unit: _____
Total floor area of all structures including upper stories, but not garages and carports: _____
Total of area of the lot(s) minus building footprint and parking spaces: _____

ENVIRONMENTAL DESCRIPTION FORM

San Luis Obispo County Department of Planning and Building

File No _____

The California Environmental Quality Act (CEQA) requires all state and local agencies to consider and mitigate environmental impacts for their own actions and when permitting private projects. The Act also requires that an environmental impact report (EIR) be prepared for all actions that may significantly affect the quality of the environment. The information you provide on this form will help the Department of Planning and Building determine whether or not your project will significantly affect the quality of the environment.

To ensure that your environmental review is completed as quickly as possible, please remember to:

- Answer **ALL** of the questions as accurately and completely as possible.
- Include any additional information or explanations where you believe it would be helpful or where required. Include additional pages if needed.
- If you are requesting a land division or a re-zoning, be sure to include complete information about future development that may result from the proposed land division or rezoning.
- Include references to any reports or studies you are aware of that might be relevant to the questions asked or the answers you provide.

Should a determination be made that the information is inaccurate or insufficient, you will be required to submit additional information upon request.

Physical Site Characteristic Information

Your site plan will also need to show the information requested here:

- Describe the topography of the site:
Level to gently rolling, 0-10% slopes: 111.45 acres
Moderate slopes of 10-30%: _____ acres
Steep slopes over 30%: _____ acres
- Are there any springs, streams, lakes or marshes on or near the site? Yes No
If yes, please describe: Upper Huerto Creek
- Are there any flooding problems on the site or in the surrounding area? Yes No
If yes, please describe: ~~See map~~ & Photo 2
- Has a drainage plan been prepared? Yes No
If yes, please include with application.
- Has there been any grading or earthwork on the project site? Yes No
If yes, please explain: _____
- Has a grading plan been prepared? Yes No
If yes, please include with application.
- Are there any sewer ponds/waste disposal sites on/adjacent to the project? Yes No
- Is a railroad or highway within 300 feet of your project site? Yes No
- Can the proposed project be seen from surrounding public roads? Yes No
If yes, please list: HWY 229 AND SWAIRE ST.

Water Supply Information

1. What type of water supply is proposed? NONE
 Individual well Shared well Community water system
2. What is the proposed use of the water?
 Residential Agricultural - Explain _____
 Commercial/Office - Explain _____
 Industrial - Explain _____
3. What is the expected daily water demand associated with the project? NONE
4. How many service connections will be required? NONE
5. Do operable water facilities exist on the site?
 Yes No If yes, please describe: WELL
6. Has there been a sustained yield test on proposed or existing wells?
 Yes No If yes, please attach.
7. Does water meet the Health Agency's quality requirements?
Bacteriological? Yes No
Chemical? Yes No
Physical Yes No
Water analysis report submitted? Yes No
8. Please check if any of the following have been completed on the subject property and/or submitted to County Environmental Health.
 Well Driller's Letter Water Quality Analysis OK or Problems
 Will Serve Letter Pump Test _____ Hours _____ G.P.M.
 Surrounding Well Logs Hydrologic Study Other _____

Please attach any letters or documents to verify that water is available for the proposed project.

Sewage Disposal Information

If an on-site (Individual) subsurface sewage disposal system will be used:

1. Has an engineered percolation test been accomplished? NA
 Yes No If yes, please attach a copy.
2. What is the distance from proposed leach field to any neighboring water wells? _____ feet
3. Will subsurface drainage result in the possibility of effluent reappearing in surface water or on adjacent lands, due to steep slopes, impervious soil layers or other existing conditions?
 Yes No
4. Has a piezometer test been completed?
 Yes No
5. Will a Waste Discharge Permit from the Regional Water Quality Control Board be required?
 Yes No (a waste discharge permit is typically needed when you exceed 2,500 gallons per day)

If a community sewage disposal system is to be used:

1. Is this project to be connected to an existing sewer line? Yes No
Distance to nearest sewer line: _____ Location of connection: _____
2. What is the amount of proposed flow? _____ G.P.D.
3. Does the existing collection treatment and disposal system have adequate additional capacity to accept the proposed flow? Yes No

Solid Waste Information

- 1. What type of solid waste will be generated by the project?
 Domestic Industrial Agricultural Other, please explain? EVENT TRAIL
- 2. Name of Solid Waste Disposal Company: MID-STATE
- 3. Where is the waste disposal storage in relation to buildings? DUMPSTER 150 FT FROM AREA
- 4. Does your project design include an area for collecting recyclable materials and/or composting materials?
 Yes No

Community Service Information

- 1. Name of School District: ATASCADERO
- 2. Location of nearest police station: TEMPLETON, CA
- 3. Location of nearest fire station: ADJACENT
- 4. Location of nearest public transit stop: NONE
- 5. Are services (grocery/other shopping) within walking distance of the project? Yes No
 If yes, what is the distance? WITHIN 1,000 FEET feet/miles

Historic and Archeological Information

- 1. Please describe the historic use of the property:
AGRICULTURAL AND CRESTON CLASSIC FORDS (ESTABLISHED 1994)
- 2. Are you aware of the presence of any historic, cultural or archaeological materials on the project site or in the vicinity? Yes No
 If yes, please describe: _____
- 3. Has an archaeological surface survey been done for the project site? Yes No
 If yes, please include two copies of the report with the application.

Commercial/Industrial Project Information

Only complete this section if you are proposing a commercial or industrial project or zoning change.

- 1. Days of Operation: _____ Hours of Operation: _____
- 2. How many people will this project employ? _____
- 3. Will employees work in shifts? Yes No
 If yes, please identify the shift times and number of employees for each shift _____
- 4. Will this project produce any emissions (i.e., gasses, smoke, dust, odors, fumes, vapors)?
 Yes No If yes, please explain: _____
- 5. Will this project increase the noise level in the immediate vicinity? Yes No
 If yes, please explain: _____
 (If loud equipment is proposed, please submit manufacturers estimate on noise output.)
- 6. What type of industrial waste materials will result from the project? Explain in detail: _____
- 7. Will hazardous products be used or stored on-site? Yes No
 If yes, please describe in detail: _____
- 8. Has a traffic study been prepared? Yes No If yes, please attach a copy.

9. Please estimate the number of employees, customers and other project-related traffic trips to or from the project: Between 7:00 - 9:00 a.m. _____ Between 4:00 to 6:00 p.m. _____
10. Are you proposing any special measures (carpooling, public transit, telecommuting) to reduce automobile trips by employees Yes No
If yes, please specify what you are proposing: _____
11. Are you aware of any potentially problematic roadway conditions that may exist or result from the proposed project, such as poor sight distance at access points, connecting with the public road?
 Yes No If yes, please describe: _____

Agricultural Information

Only complete this section if your site is: 1) Within the Agricultural land use category, or 2) currently in agricultural production.

1. Is the site currently in Agricultural Preserve (Williamson Act)? Yes No
2. If yes, is the site currently under land conservation contract? Yes No
3. If your land is currently vacant or in agricultural production, are there any restrictions on the crop productivity of the land? That is, are there any reasons (i.e., poor soil, steep slopes) the land cannot support a profitable agricultural crop? Please explain in detail: NONE

Special Project Information

1. Describe any amenities included in the project, such as park areas, open spaces, common recreation facilities, etc. (these also need to be shown on your site plan): NONE
2. Will the development occur in phases? Yes No
If yes describe: N/A
3. Do you have any plans for future additions, expansion or further activity related to or connected with this proposal? Yes No If yes, explain: NONE
4. Are there any proposed or existing deed restrictions? Yes No
If yes, please describe: _____

Energy Conservation Information

1. Describe any special energy conservation measures or building materials that will be incorporated into your project *: NONE

*The county's Building Energy Efficient Structures (BEES) program can reduce your construction permit fees. Your building must exceed the California State Energy Standards (Title 24) in order to qualify for this program. If you are interested in more information, please contact the Building Services Division of the Department of Planning and Building at (805) 781-5600.

Environmental Information

1. List any mitigation measures that you propose to lessen the impacts associated with your project:
NONE

2. Are you aware of any unique, rare or endangered species (vegetation or wildlife) associated with the project site? Yes No
If yes, please list: _____
3. Are you aware of any previous environmental determinations for all or portions of this property? Yes No
If yes, please describe and provide "ED" number(s): _____

Other Related Permits

1. List all permits, licenses or government approvals that will be required for your project (federal, state and local): NONE

(If you are unsure if additional permits are required from other agencies, please ask a member of the Planning Department staff currently assigned in either Current Planning or the Environmental Division.)

LAND USE PERMIT APPLICATION

Attachment 2

Land Use Permit Application:

For all projects

A. Other: Creston Rodeo grounds including arena and livestock pens (45,000 sq ft); Grandstand (1050 sq ft); VIP Seating (512 Sq Ft); VIP Concession (368 sq ft); parking - unpaved (49,920 sq ft) concessions area (32,000).

B. Total area all paving and structures: No paving. Total area under CCR use 6 acres (5% of site.); C. Number of parking spaces proposed : Current parking area not paved and holds approximately 100 vehicles.

Location/Structures within 100 feet.

Attachment 3

To the South and the South side of Swayze St.) there are 3 residences within 100 feet of the property line.

To the Southeast and the North side of Swayze St. is the Cal Fire station within 100 ft of the property line.

To the West and the West side of Hwy 229 is a residence within 100 ft of the property line

April 30, 2011

Karen Nall
Department of Planning & Building
County Government Center
San Luis Obispo, CA 93408

Dear Karen,

First I want to thank you for all of your help in guiding us through the requirements for filing for a Minor Use Permit. Attached is the completed package.

I would like to take this opportunity to provide a small background of Creston Classic Rodeo and some details that I hope will help better describe what we do.

Since 1996 Creston Classic Rodeo has represented the heritage of San Luis Obispo County and the significance of the cowboy in early California. CCR is a ranch rodeo offering cowboys and cowgirls the opportunity to compete in events that are similar to what they do in their everyday life of ranching. Creston Classic Rodeo draws contestants from all over California. These contestants compete for cash prizes, buckles and other memorabilia they strive to win. Rodeo attendees come from San Luis Obispo County, Santa Barbara County, Ventura County, Monterey County and others. CCR is the only rodeo of its kind in the county and should be preserved as a historical jewel in the county and one that adults and children will attend for years to come in order to better understand the ranching way of life, both past and present, of the cowboys and cowgirls who formed this great state and continue to do so.

Creston Classic Rodeo is held once a year, usually the second weekend in September. Our events occur Friday 6 PM- midnight; Saturday 8 AM – 5PM and Sunday 8AM -5PM. CCR will provide parking attendants in the parking lot and traffic direction from Webster Road into the Contestant parking Area as well as the Visitor parking lot.

All Rodeo events are “timed events” such as, Barrel Racing, Roping, Sorting, Branding, Steer Riding, Team Roping, Mutton Busting (6 years of age and under) and many others. There are prizes given in each of the events and an overall highest points standing for both men and women. In addition to the rodeo we also sponsor a few other groups in using our facility. See Below.

P.O. Box 121 • Creston, CA 93432 • www.crestonclassicrodeo.org

Gymkhana - 4 times a year maximum.

Saturday 8Am – 5PM.

Gymkhana classes/competition include timed events such as barrel racing, keyhole, keg race (also known as "down and back"), flag race, and pole bending. All of these events are designed to display precise, controlled actions and tight teamwork between horse and rider . These are open to Middle School and High School ages and adults.

Sheriff's Mounted Posse – Once as month in the Spring and Summer. Weekdays 6PM – 9PM.

The posse requires a lighted arena for their monthly drills and meeting. Typically a dozen mounted riders participate in improving their horsemanship.

Creston area 4-H Once a week (3PM – 7PM) during the school year.

Open to all Creston 4-H members. Horsemanship skill classes are held after school to young members of the Creston 4-H club. Classes are led and supervised by adults. The lighted arena is important due to darkness when classes run in the winter months.

Wildflower Bike Ride Once a year we provide our parking area for this ride and can accommodate 225 cars by using our regular parking area and also making use of our vendor area for cars at this event only. Wildflower will provide parking attendants in the lot and traffic direction from Webster Road into The lot.

Please let me know if you have any questions or need further information.

Sincerely,

Rick Heim

President

As-Built Design Notes

The extent of the as built structural design work provided on these plans and the associated structural design calculations is to provide the necessary conditions for the construction of the structure. The contractor shall be responsible for verifying the accuracy of the as-built conditions and for providing the necessary conditions for the construction of the structure. The contractor shall be responsible for providing the necessary conditions for the construction of the structure. The contractor shall be responsible for providing the necessary conditions for the construction of the structure.

Contestant Parking/ Horse Trailers

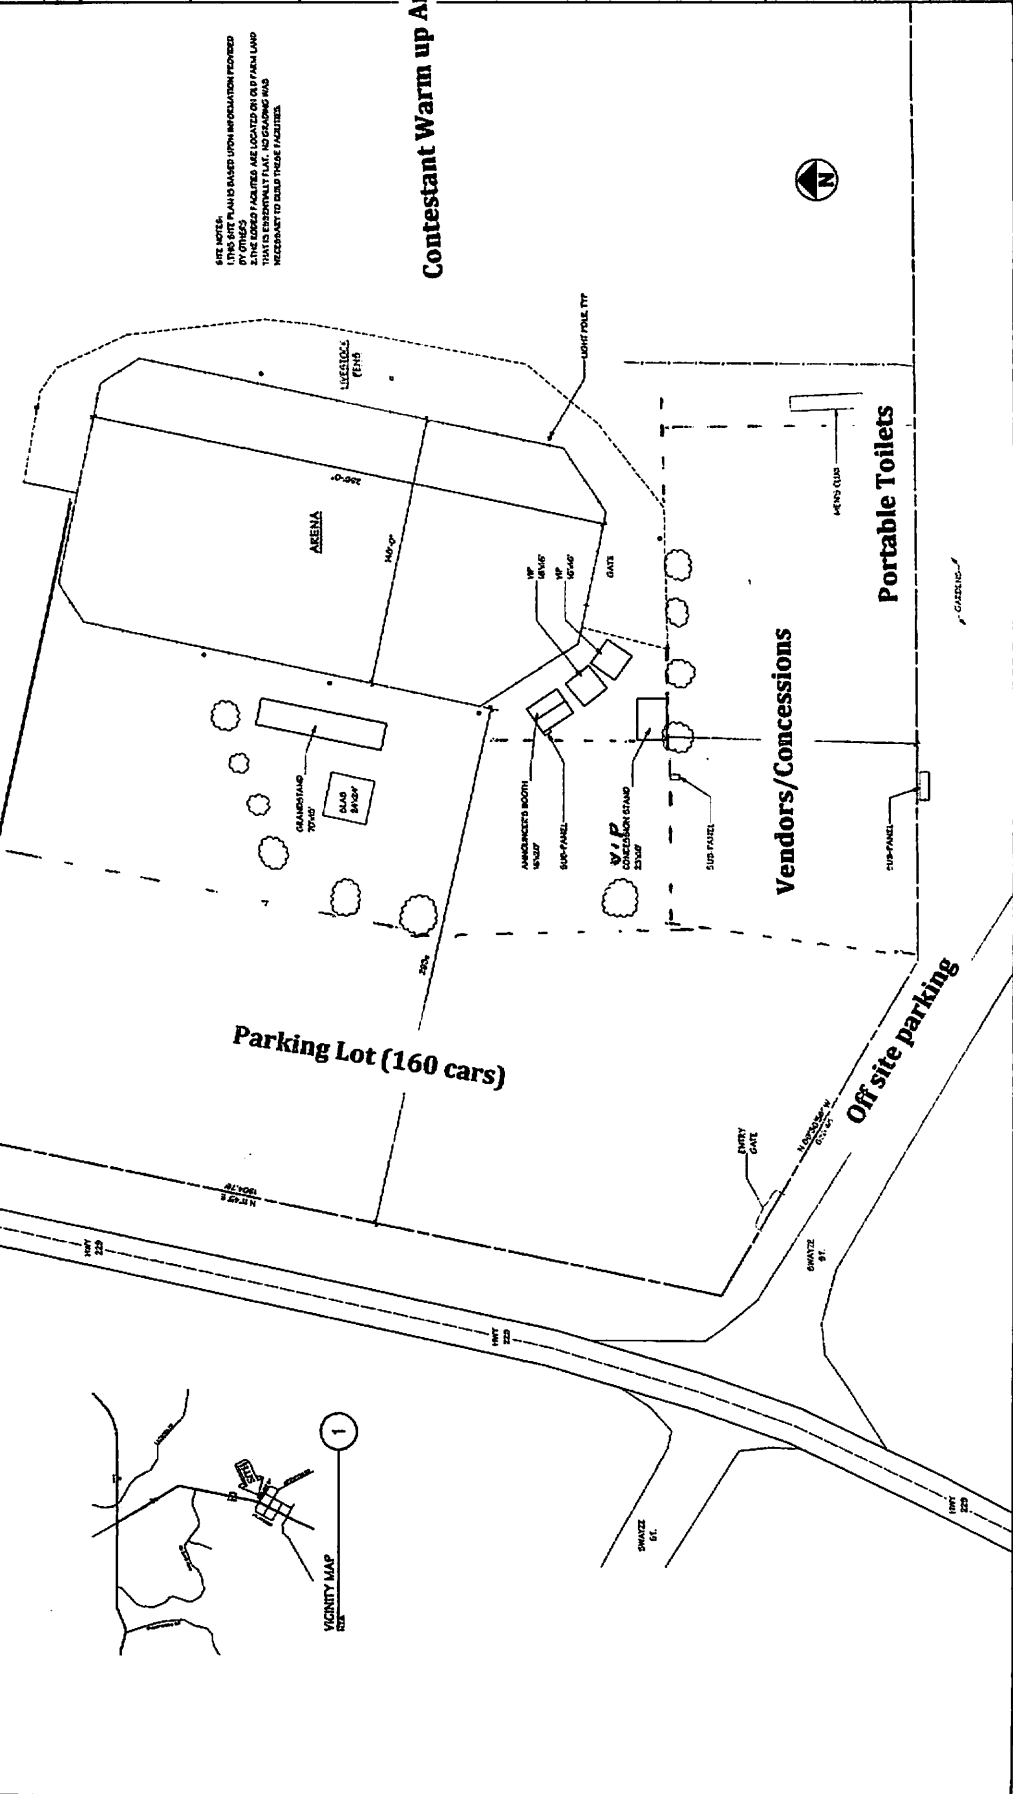

Additional engineering structural observations shall be provided for the existing structure to be determined in accordance with the project plans and construction documents.

Relative Height Notes

The existing light standard posts around the perimeter of the arena have been measured to be approximately 10' 0" (measured near existing grade) with a maximum height of 11' 0" above existing grade.

On June 3, 2008, through the use of an independent utility survey, two randomly located existing grade. Our calculations have found that a minimum embankment of 7'-0" is required to properly support the poles.

The 6'-0" embankment depth is assumed to be present throughout the project and is shown on the site plan. The contractor shall be responsible for providing the minimum embankment depth required to support the light poles.

NOTE:
THIS SITE PLAN IS BASED UPON INFORMATION PROVIDED BY THE CLIENT. THE ENGINEER HAS CONDUCTED VISUAL INSPECTIONS OF THE SITES AND HAS FOUND THAT THE EXISTING GRADE IS AS SHOWN. NO GRADING WAS NECESSARY TO BUILD THESE FACILITIES.
