Describe Your Complaint (Attach Additional Information If Necessary)

Penal Code section 832.5 requires this agency to have a procedure to investigate citizens' complaints. You have a right to a written description of this procedure. In accordance with Penal Code section 832.7(e)(1) you will receive written notification of the disposition of the complaint within 30 days of the conclusion of the investigation. Citizen complaints and any reports or findings relating to complaints must be retained by this agency for at least five years.
