1. DESIGNATION OF SUBCONTRACTORS

In compliance with the provisions of Sections 4100 et seq. of the State of California Public Contract Code, the undersigned bidder has set forth below:

- 1.1. The name and location of the place of business of each subcontractor who will perform Work or labor, or render service to the undersigned in or about the construction of the Work to be performed hereunder, or a subcontractor licensed by the State of California, who, under subcontract to the undersigned, will specifically fabricate and install a portion of said Work according to detailed drawings contained in the plans and specifications, in an amount in excess of one-half of one percent (.05%) of the undersigned's total bid, and;
- 1.2. The portion of the Work that will be done by each subcontractor. The Bidder shall list only one subcontractor for each such portion as defined by the prime Contractor in the bid.

Note: When a subcontractor is not listed, the law provides that the prime Contractor agrees to do the Work themselves, and that said prime Contractor agrees that they are fully qualified to perform such Work. If after award of Contract the prime Contractor subcontracts any portion of the Work, except as provided for in Sections 4107 or 4109 of the Public Contract Code, the prime Contractor shall be subject to the penalties as identified in Section 4110 & 4111.
