

The County of San Luis Obispo has implemented a new Race/Gender Conscious Disadvantaged Business Enterprises Program for all Federally funded contracts. Effective immediately federally funded projects will have contract goals for Underutilized Disadvantaged Business Enterprises (UDBEs). A UDBE is a disadvantaged business owned by an African American, Asian Pacific American, Women, or Native American. We have provided a list of UDBE and DBE firms that have expressed interest in County projects. The County recommends that Prime Contractors use the Caltrans DBE Directory to help locate firms. If you are a certified UDBE or DBE and would like to be placed on the list, please contact Melissa Fisher at (805) 781-5252.
