(F) is the designation for "Final Pay Quantities" as defined in Section 9-1.015 of the Standard Specifications

Bidder's Name: _____

Bidder represents that he/she has hereinabove set forth for each unit basis item of work a unit price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for that purpose. In the case of unit basis items, the amount set forth under the "Total" column is the extension of the unit price bid on the basis of the approximate quantity for the item.

In case of discrepancy between the unit price and the total set forth for a unit basis item, the unit price shall prevail, provided, however, if the amount set forth as a unit price is ambiguous, unintelligible, or uncertain for any cause, or is omitted, or is the same amount as the entry in the "Total" column, then the amount set forth in the "Total" column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the unit price.

In accordance with 23 CFR 635.102, proposals in which the prices are mathematically or materially unbalanced may be rejected. Following are the U.S. Comptroller General's definitions of mathematically and materially unbalanced bids:

- A bid is mathematically unbalanced if the bid is structured on the basis of nominal prices for some work and inflated prices for other work; that is, each element of the bid must carry its proportionate share of the total cost of the work plus profits.
- A bid is materially unbalanced if there is reasonable doubt that award to the bidder submitting the mathematically unbalanced bid will result in the lowest ultimate cost to the Government.

Bidder shall execute and submit with their proposal, each of the following:

- DESIGNATION OF SUBCONTRACTORS – BASE BID
- DESIGNATION OF SUBCONTRACTORS – ADDITIVE BID ITEM 1
- DESIGNATION OF SUBCONTRACTORS – ADDITIVE BID ITEM 2

Bidder declares that he/she has read, and agrees to, the Special Provisions, including, without limitation, the provisions of Sections 1, 2, 3, 4, 5, 6, and 7 thereof.

Bidder understands that this Contract is subject to Part 26, Title 49, Code of Federal Regulations entitled "Participation By Disadvantaged Business Enterprise in Department of Transportation Financial Assistance Programs." Bidder further understands that the award of this Contract, if it be awarded, will be to the lowest responsible bidder whose proposal complies with all the requirements prescribed herein.

Bidder is fully informed respecting the requirements of Part 26, Title 49, of the Code of Federal Regulations, and has read and understands the Disadvantaged Business Enterprise (DBE) provisions set forth in Sections 2, 3, and 5 of the Special Provisions.

Bidder shall list the name and address of each subcontractor to whom the bidder proposes to directly subcontract portions of the work as required by the provisions in Section 2-1.02, "Required Listing of Proposed Subcontractors," of these Special Provisions. The list of subcontractors shall also set forth the portion of work that will be done by each subcontractor listed. The "DESIGNATION OF SUBCONTRACTORS" forms for listing the subcontractors are included in the section titled "Bid Proposal and Forms" of the Contract Documents.

Lowest, second lowest, and third lowest bidders shall submit the following information to document adequate good faith efforts. Bidders should submit the following information even if the "UDBE COMMITMENT" form indicates the bidder has met the UDBE goal. This will protect the bidder's eligibility for award of the contract if the County determines the bidder failed to meet the goal for various reasons, e.g., a UDBE firm was not certified at bid opening, or the bidder made a mathematical error. Submittal of only the "UDBE COMMITMENT" for may not provide sufficient documentation to demonstrate that adequate good faith efforts were made.

The following items are listed in Section 2-1.04B, "UDBE Good Faith Effort Submittal," of the Special Provisions:

Names of UDBEs Solicited	UDBE Certification Number	Method and Date of Initial Solicitation	Follow Up Methods and Dates	Results of Follow Up

C. The items of work which the bidder made available to UDBE firms, including, where appropriate, any breaking down of the contract work items (including those items normally performed by the bidder with its own forces) into economically feasible units to facilitate UDBE participation. It is the bidder's responsibility to demonstrate that sufficient work to facilitate UDBE participation was made available to UDBE firms.

Items of Work	Bidder Normally Performs Item (Y/N)	Breakdown of Items	Amount (\$)	Percentage Of Contract

D. The names, addresses, and phone numbers of rejected UDBE firms, the reasons for the bidder's rejection of the UDBEs, the firms selected for that work (please attach copies of quotes from the firms involved), and the price difference for each UDBE if the selected firm is not a UDBE:

Item of Work	Name, address, and phone number of rejected UDBE	Reason for rejection of UDBE	Name, address, and phone number of selected firm	Price difference between UDBE and selected firm

E. Efforts made to assist interested UDBEs in obtaining bonding, lines of credit or insurance, and any technical assistance or information related to the plans, specifications and requirements for the work which was provided to UDBEs:

F. Efforts made to assist interested UDBEs in obtaining necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the UDBE subcontractor purchases or leases from the prime contractor or its affiliate:
