4.6.1 The obligation of County to permit this Agreement to become effective and to perform its undertakings provided for in this Agreement is subject to the satisfaction by Franchisee of each and all of the material conditions set out herein, each of which may be waived, in writing, in whole or in part by County.

4.7 Accuracy of Representations

4.7.1 The representations and warranties made by Franchisee throughout this Agreement are accurate, true and correct on and as of the Effective Date of this Agreement and continuously thereafter during the period of this Agreement. Should any such representation or warranty become inaccurate or incorrect at any time during the Term of this Agreement or any extension thereof, Franchisee shall immediately notify the County in writing of the nature of the inaccuracy or error and of the manner in which Franchisee intends to promptly rectify the problem. Failure to promptly remedy any such inaccuracy shall constitute a breach of a material provision of this Agreement.

4.8 Absence of Litigation

4.8.1 Franchisee hereby represents and warrants that it is aware of no litigation pending in any court challenging the award of this Agreement to Franchisee or the execution of this Agreement or seeking to restrain or enjoin its performance. Franchisee further represents that it is aware of no suits or threatened suits which would impair the financial or legal ability of Franchisee to perform its obligations under this Agreement and that entering into this Agreement by Franchisee will not in any way constitute a breach of any other agreement entered into by Franchisee with other parties, or constitute a violation of any law.

4.9 Furnishing of Insurance and Performance Bond

4.9.1 Ten (10) days before the Effective Date of this Agreement, Franchisee shall provide proof of insurance and of a performance bond in the form, coverages, and amounts specified in Article 11 ("Insurance, Bond and Indemnification") of this Agreement.

ARTICLE 5 SCOPE OF AGREEMENT

5.1 Scope of Services

5.1.1 Solid Waste. As of the Effective Date and throughout the Term of this Agreement and any extension thereof, Franchisee shall Collect and dispose of all Solid Waste as defined in Article 1 ("Definitions") of this Agreement properly set out for Collection by the generator within the Franchise Area in accordance with the terms and conditions set forth in this Agreement. Notwithstanding the foregoing, in accordance with Section 8.12.765 ("Hazardous Waste and Medical Waste—Prohibited Service") of the County Code, Franchisee shall not knowingly or under circumstances where Franchisee should reasonably know, collect Hazardous Waste or Medical Waste as a service pursuant to this Agreement.

5.1.2 Recyclable Materials

5.1.2.1 As of the Effective Date and throughout the Term of this Agreement and any extension thereof, Franchisee shall Collect all Recyclable Materials as defined in Article 1 ("Definitions") of this Agreement properly set out for Collection by the generator within the Franchise Area in accordance with the terms and conditions set forth in this Agreement. Notwithstanding the foregoing, Franchisee shall have no obligation to Collect Food Waste as a Recyclable Material until the date specified in Section 5.1.2.2 below. As more particularly described in Article 6.13 ("Solid Waste and Recyclable Materials Containers") of this Agreement, Recyclable Materials shall be Collected separately from other forms of waste. In addition, both motor oil and oil filters and Green Materials shall be Collected separately from other forms of Recyclable Materials.

5.1.2.2 On or before twenty four (24) months following the Effective Date and throughout the remainder of the Term of this Agreement and any extension thereof, Franchisee shall Collect Food Waste that has been properly set out for collection by the generator within the Franchise Area as a Recyclable Material in accordance with the terms and conditions set forth in this Agreement.

5.1.2.2.1 Notwithstanding Section 5.1.2.2, should County determine that Franchisee, proceeding with due diligence and without fault, has been unable to timely satisfy the requirements of Section 5.1.2.2, Franchisee may submit to the County a written request for a twenty-four (24) month extension for performance ("First Extension").

5.1.2.2.2 Notwithstanding Section 5.1.2.2, should the County determine that the Franchisee, proceeding with due diligence and without fault, has been unable to timely satisfy the requirements of Section 5.1.2.2 to collect commercial Food Waste as a Recyclable Material during the initial twenty four (24) months and the First Extension, Franchisee may submit to County a written request for an additional twenty-four (24) month extension for performance ("Second Extension"). Franchisee may not request a Second Extension to the requirement that it Collect residential Food Waste as a Recyclable Material.

5.1.2.2.3 Any request for an extension submitted pursuant to Section 5.1.2.2.1 or Section 5.1.2.2.2 shall be accompanied by sufficient written documentation for County to assess the status of the overall Food Waste Collection program and the anticipated quantity of Food Waste to be Collected from residential and commercial customers. In addition, Franchisee shall submit documentation clearly demonstrating that the delay is through no fault of Franchisee.

5.1.2.3 If Franchisee fails to provide the Collection services described in this Section 5.1.2 by the date prescribed in Section 5.1.2.2 or any extension granted by the County, said failure shall constitute a material breach of this Agreement and County shall have the right to immediately terminate this Agreement in accordance with Article 13, Section 13.3.

5.1.3 In areas of the County that do not require participation in the Solid Waste Collection system, Franchisee shall use its best reasonable efforts to cooperate with County to maximize participation in the Solid Waste Collection program. The parties agree that the goal of participation shall be to include one hundred percent (100%) of the households and commercial establishments in the unincorporated portion of the County that are eligible for Collection services.

5.2 Limitations to Scope of Services

5.2.1 The scope of this Agreement shall be limited by current and developing state and federal laws with regard to Recyclable Materials, flow control, and related doctrines. In the event that a Change in Law limits the ability of County to lawfully provide for the scope of services as specifically set forth herein, Franchisee and County agree to work in good faith to amend the scope of the Agreement so as to comply with such Change in Law, and County shall not be responsible for any lost profits and/or damages claimed by Franchisee as a result of a Change in Law.

5.2.2 The nonexclusive Franchise granted to Franchisee for the Collection of Recyclable Materials does not include the right to Collect the following categories of Recyclable Materials listed in this Article:

5.2.2.1 Recyclable Materials separated from Solid Waste by the generator and for which generator sells or is otherwise compensated by a collector in a manner resulting in a net payment to the generator for such Recycling or related services; provided that such separation and Recycling or disposal are actually performed by the generator, and not by a subcontractor or other third-party;

5.2.2.2 Recyclable Materials donated to a charitable, environmental or other non-profit organization; provided, however, that all such Recyclable Materials are substantially separated from non-Recyclable Solid Waste by the generator;

5.2.2.3 Recyclable Materials which are separated at any Premises and which are transported by the Owner or occupant of such Premises (or by his/her full-time employee) to a Recycling center;

5.2.2.4 Other governmental agencies within the County which can contract for separate Solid Waste and Recycling services.

5.3 Administration of Agreement

5.3.1 The Director or his/her designee shall administer this Agreement and shall supervise Franchisee compliance with the Agreement terms and conditions.

5.4 Use of County Streets

5.4.1 Franchisee shall have the right and privilege to operate Collection Vehicles and Equipment on any and all streets, public ways, rights-of-way, or easements of County, as necessary to provide the services contracted for in this Agreement.

5.5 County Request for Service Changes

5.5.1 General. County may request Franchisee to perform additional services (including new diversion programs, etc.) or modify the manner in which it performs existing services. Pilot programs and innovative services that may entail new Collection methods, different kinds of services and/or new requirements for generators are included among the kinds of changes that County may request. Franchisee shall present, within

thirty (30) days of a request to do so by County, a proposal to provide additional or expanded services pursuant to the terms of Article 5.6 ("New Diversion Programs") of this Agreement. Franchisee shall be entitled to proceed with an adjustment in its compensation in accordance with Section 9.2.2.4 ("Special Interim Rate Adjustments") at which time the Auditor-Controller shall determine the new costs or savings incurred by Franchisee as a result of such additional or modified services.

5.6 New Diversion Programs

5.6.1 Franchisee shall present, within thirty (30) days of a request to do so by County, a proposal to provide additional or expanded diversion or other services. The proposal shall contain a complete description of the following:

5.6.1.1 Collection methodology to be employed (equipment, staff, etc.);

5.6.1.2 Equipment to be utilized (vehicle number, types, capacity, age, etc.);

5.6.1.3 Labor requirements (number of employees by classification);

5.6.1.4 Type of Containers to be utilized;

5.6.1.5 Provision for program publicity/education/marketing;

5.6.1.6 Materials Recovery Facility to be utilized for diversion and/or recovery of materials; and

5.6.1.7 A projection of the financial results of the program's operations for the remaining Term of the Agreement in a balance sheet and operating statement format, including documentation of the key assumptions underlying the projections and the support for those assumptions.

5.7 County's Right to Acquire Services

5.7.1 If pursuant to Article 5.6 ("New Diversion Programs") of this Agreement, Franchisee and County cannot agree on the terms and conditions of such new services within ninety (90) days from the date on which County first requests a proposal from Franchisee to perform such services, Franchisee acknowledges and agrees that County may permit and enter into a Franchise Agreement with Persons other than Franchisee to provide such services.

5.8 Ownership of Solid Waste and Recyclable Materials

5.8.1 All Solid Waste Collected, removed, and transported by Franchisee from the Premises where produced, generated, and/or accumulated pursuant to this Agreement shall be the property and responsibility of Franchisee. Any Hazardous Waste or Medical Waste that Franchisee collects shall be the responsibility of Franchisee, as between Franchisee and County. The parties expressly agree that in no event shall the ownership

of any Solid Waste, Hazardous Waste, Medical Waste or any other waste be construed to be the property of County, either explicitly or implicitly. Notwithstanding the foregoing, Franchisee shall have no duty or obligation to collect any Hazardous Waste or other material that does not meet the definition of Solid Waste, and ownership of all such non-conforming materials shall remain with the generator.

5.8.2 Pursuant to Section 41950 of the California Public Resources Code, once Recyclable Materials are placed in Containers and properly presented for Collection, ownership and the right to possession shall transfer directly from the generator to Franchisee by operation of this Agreement. Franchisee is hereby granted the right to retain, Recycle, process, reuse, and otherwise use such Recyclable Materials or any part thereof, in any lawful fashion or for any lawful purpose consistent with the hierarchy and goals of AB 939 and with Article 6.3.5 of this Agreement with the exception of use as Alternative Daily Cover. Subject to the provisions of this Agreement, Franchisee shall have the right to retain any benefit resulting from its right to retain, Recycle, process or reuse the Recyclable Materials that it Collects. Recyclable Materials or any part thereof, which are delivered to a Facility (Processing Facility, transformation Facility, Transfer Station, or Materials Recovery Facility) shall become the property of the owner or operator of the Facility(ies) once deposited there by Franchisee.

5.9 County's Right to Perform Service; Tagging of Improper Set-Outs

5.9.1 In the event Franchisee fails to Collect, remove, and dispose of Solid Waste or Recyclable Materials that have been properly placed for collection in compliance with rules and regulations for proper set-out on a customer's regularly scheduled Collection day, and Franchisee fails to Collect the Solid Waste or Recyclable Materials within twenty-four (24) hours of a request from County or a customer to do so, County may Collect said materials and Franchisee shall be liable for all related expenses incurred by County. Such expenses include but are not limited to disposal, administrative, and legal costs. Franchisee shall reimburse County for such expenses as required.

5.9.2 In the event Franchisee does not Collect any item or Container of Solid Waste or Recyclable Materials due to a customer's non-compliance with rules and regulations for proper set-out, Franchisee shall attach a company imprinted tag securely to the item or container not Collected specifying the reasons for non-Collection. The tag shall contain Franchisee's name and telephone number.

5.10 Franchisee as Arranger

5.10.1 County and Franchisee mutually agree that County's granting of this Franchise shall not be construed as County "arranging for" the Collection and disposal of Solid Waste within the meaning of CERCLA. The parties further mutually agree that the granting of this Agreement to Franchisee by County shall be construed as an action whereby Franchisee is granted, and accepts the rights, responsibilities, benefits and liabilities of Collection and disposal of Solid Waste. Commencing on the Effective Date

of this Agreement and, to the extent that Franchisee's performance under this Agreement requires the Collection and disposal of Solid Waste, and may be construed as "arranging for" Collection and disposal of Solid Waste within the meaning of CERCLA, such actions shall be the sole responsibility of Franchisee and Franchisee expressly agrees to be solely responsible for all such actions.

5.11 Annexations

5.11.1 The Franchisee shall automatically adjust to any area as a result of any annexation process.

5.12 County Right to Direct Flow

5.12.1 The County may, at any time, require Franchisee to process or dispose of all or a portion of the Solid Waste and/or Recyclable Materials Collected pursuant to this Agreement in such manner as may be reasonably designated by County in writing. In the event that County designates a manner of, or location for, processing or disposal of Solid Waste and/or Recyclable Materials that is materially different than the methods employed by Franchisee on the Effective Date of this Agreement, County shall defend, indemnify and save harmless Franchisee, its officers, agents and employees from any and all claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities arising out of, or connected with the materially different manner, or location for Processing or disposing of the Solid Waste and/or Recyclable Materials provided that said claims, demands, damages, costs, expenses, judgments or liabilities are not attributable, in whole or in part, to the negligence or recklessness of Franchisee. If an adjustment to Franchisee's authorized rates is necessary to compensate Franchisee for additional transportation, labor, operational, processing, or disposal costs associated with such designation, County shall simultaneously grant Franchisee an adjustment in collection rates upon such designation.

ARTICLE 6 DIRECT SERVICES

6.1 General

6.1.1 The work to be done by Franchisee pursuant to this Agreement shall be accomplished in a thorough and professional manner so that the residents and businesses within the County are provided reliable, courteous and high-quality Solid Waste and Recyclable Materials Collection services at all times. The enumeration of, and specification of requirements for particular aspects of service quality, labor or equipment shall not relieve Franchisee of the duty of accomplishing all other aspects in the manner provided in this Article, whether such aspects are enumerated elsewhere in the Agreement or not.

6.1.2 If provided for in the Collection rate paid by the customer, all customers shall be provided with Solid Waste and Recyclable Materials Collection services, consistent with County approved Collection programs, within seven (7) days of the customer's request.

6.1.3 Complaints received from customers or County shall be acted upon immediately and Franchisee shall make every reasonable effort to resolve said complaints within seventy-two (72) hours of customer's or County's notification to Franchisee.

6.2 Collection

6.2.1 Franchisee shall conduct all operations in accordance with Chapter 8.12 ("Solid Waste Management") of the County Code and in a manner which minimizes obstruction or disruption to the peace and quiet of the areas in which Collections are made.

6.2.2 All Collection activities shall be conducted in such a manner that public and private property will not be damaged.

6.2.3 Customers' Premises shall be left in a neat and clean condition and Containers shall be handled in a manner to prevent damage to them.

6.2.4 Franchisee shall replace Containers and covers where found and shall not place them in the street or on adjoining property.

6.2.5 Franchisee shall establish a routine Collection schedule for all areas within the Franchise Area and provide County with the Collection schedule annually by September First of each year and within seven (7) calendar days of any changes.

6.2.6 Franchisee shall be allowed to provide extra and special services, at rates approved by the County Board of Supervisors, in addition to the normal, scheduled Collection services. Franchisee shall quote to the customer the rate for such services prior to performing said services. Said services shall be considered part of the revenue gained under this Agreement and thereby subject to the Franchise Fee requirement.

6.2.7 Unless waived in writing by County, Franchisee shall provide Collection of roadway litter set out under County's "Adopt-A-Road" program within the Franchise Area.

6.2.8 Franchisee shall provide, with one (1) weeks' notice, Collection of bulky wastes from County road yards within the Franchise Area. The Collection of not more than twenty-five (25) items per year shall be at no expense to County. Franchisee shall be entitled to recover the expense of disposal charges in excess of the twenty-five (25) items per year through an appropriate adjustment during the Triennial Rate Review Process described in Article 9.2.2.2 of this Agreement. Disposal costs for the waste shall be reported to the Director along with copies of Disposal Site weigh tickets within thirty (30) days of Collection.

6.2.9 Handicapped residents who reside in Single Family Dwelling Units shall have the option of placing their Containers near their dwelling, visible from the curb and Franchisee will collect their Containers at this location and return the Containers to the same location at no additional cost to those customers. To be eligible for this Collection option, residents must present proof of their physical incapacity to Franchisee and declare that no other persons in the household are capable of placing Containers at designated Collection locations.

6.3 Solid Waste and Recyclable Materials Services

6.3.1 Franchisee shall provide weekly Collection of Solid Waste for all places and premises within Franchise Area or such other level of service as may be permitted by County at rates approved by the County Board of Supervisors. Franchisee shall also provide more frequent Collection services as required pursuant to Chapter 8.12 ("Solid Waste Management") of the County Code.

6.3.2 Franchisee shall Collect and remove all Residential Recyclable Materials placed in designated Containers color coordinated per Article 6.13 ("Solid Waste and Recyclable Materials Containers") of this Agreement at the designated Collection locations for Single Family Dwelling Units and Multifamily Dwelling Units and shall also Collect and remove all Commercially Generated Recyclable Materials, all at the rates established by the Board of Supervisors. Residential Recyclable Materials Collection shall be weekly on the same day of the week as Solid Waste Collection service. Commercially Generated Recyclable Materials Collection shall be at least weekly on a schedule as determined by Franchisee and the generator. Changes to Collection schedules shall be approved in writing by the Director prior to implementation.

6.3.3 Franchisee recognizes that because of an unusual circumstance, a Single Family Dwelling Unit may generate more Recyclable Materials than will fit in the appropriate Recyclable Materials Container. The generator may neatly place excess Recyclable Materials, excluding Green Materials, Food Waste and motor oil and filters, next to the blue Container and Franchisee will Collect the excess Recyclable Materials at no additional charge. This extra service to a Single Family Dwelling Unit shall be limited to a frequency of once per month and a quantity to an amount that will fit into the existing blue Recycling Materials Containers.

6.3.4 Franchisee shall service, at Board of Supervisor approved rates, all public Recycling Containers at beaches, parks, golf courses, along sidewalks, and in other public areas.

6.3.5 To the extent that the San Luis Obispo County Source Reduction, Recycling Element ("SRRE"), a two volume set currently existing and as hereafter amended or updated, has been implemented by County, Franchisee agrees to comply with its provisions. Franchisee must also comply with the California Integrated Waste Management Act. The SRRE selects recycling programs as a means of diverting waste.

Recyclable Materials Collected under this Agreement shall, absent extenuating circumstances as determined by County, be converted into a functional and marketable product in order that the materials may be diverted from landfill disposal in compliance with County's SRRE and the Integrated Waste Management Act. Franchisee's Collection and Processing methods and the Facility used shall, at all times, absent extenuating circumstances, as determined by County, comply with the Integrated Waste Management Act and the SRRE, to the extent the SRRE has been implemented by County. Franchisee shall give notice to County at least thirty (30) days prior to any proposed change in Processing location or method. County shall at all times have the right to determine the suitability and cost- effectiveness of Franchisee's diversion process and whether Franchisee's Collection and Processing methods (including any Facilities used in the performance of this Agreement) are in compliance with the provisions of this Agreement. If at any time the County reasonably determines that the Franchisee's diversion process is not performing adequately or is not cost- effective when compared to other available alternatives, the County has the right to consider that fact in any rate setting proceeding.

6.4 Refusal to Provide Collection Services

6.4.1 Franchisee may refuse to Collect Recyclable Materials and shall not be obligated to continue to provide Container(s) to any participant in the Recycling programs who, after reasonable warning by Franchisee, fails to properly sort and set out Recyclable Materials, including excessive contamination. Franchisee shall report monthly to County any warning notices issued.

6.5 Marketing and Sale of Recyclable Materials

6.5.1 Franchisee shall be responsible for the marketing and sale of all Recyclable Materials Collected pursuant to this Agreement. Revenues from the sales of these materials shall be retained by Franchisee unless a separate agreement approved by the County provides for sharing revenues with County or other entity.

6.6 Hazardous Waste and Medical Waste

6.6.1 Franchisee shall not, knowingly or under circumstances where Franchisee should reasonably know, collect Hazardous Waste or Medical Waste as a service within the terms of this Agreement.

6.6.2 Franchisee shall develop and maintain written Hazardous Waste and Medical Waste response procedures to assure compliance with all applicable local, state, and federal laws, rules or regulations. Performance of the procedures shall be the sole responsibility of Franchisee.

6.6.3 The response procedures required by this Article shall be submitted to the Director and the County Health Officer/Environmental Health Services/Solid Waste Local Enforcement Agency within six (6) months after the Effective Date of this Agreement. At

a minimum, the procedures shall provide instruction to employees and agents of Franchisee on actions to be followed in the event Hazardous Wastes or Medical Wastes are found set out for Collection and/or in the possession of Franchisee.

6.6.4 The purpose of the response procedures described above will be to ensure that any Hazardous Waste and/or Medical Waste Collected by Franchisee is handled and disposed of safely by Franchisee in compliance with all federal, state and local laws, rules and regulations.

6.6.5 To the extent required by Franchisee's Hazardous Waste and/or Medical Waste response procedures, Franchisee shall either provide proof of an agreement or other suitable arrangement with a certified Hazardous Waste and/or Medical Waste hauler, or procure and maintain in full force and effect all necessary governmental permits and licenses, including registrations to transport Hazardous Waste and Medical Waste. Franchisee shall be responsible for all charges and notices necessary for the due and lawful performance of the response procedures. Said charges shall not be part of the rate setting for Solid Waste and Recyclable Materials Collection service.

6.7 Responsibility for Waste

6.7.1 All Solid Waste and Recyclable Materials removed by Franchisee from the Premises where produced, generated, and/or accumulated pursuant to this Agreement shall be the responsibility of Franchisee; provided, however, that Franchisee shall be entitled to reject or return Hazardous Waste and/or Medical Waste to the customer who generated the waste, if the customer can be identified. Any Hazardous Waste and/or Medical Waste that Franchisee Collects shall be the responsibility of Franchisee, as between Franchisee and County. The parties expressly agree that in no event shall the ownership of any Solid Waste, Hazardous Waste, Medical Waste or any other waste be construed to be the property of County, either explicitly or implicitly.

6.8 Operations

6.8.1 To preserve peace and quiet, no Solid Waste or Recyclable Materials shall be Collected from or within two-hundred (200) feet of residential Premises between 5:00 P.M. and 6:00 A.M. on any day. Residential Solid Waste and Residential Recyclable Materials shall be Collected, Monday through Friday on the same day. The one exception is that Franchisee may elect to Collect motor oil and oil filters with a separate vehicle using an on-call program. In the event Franchisee misses the Collection of properly set out Solid Waste and/or Recyclable Materials, Franchisee shall Collect the missed pickups within one (1) business day of notification.

6.8.2 When a regular Collection day occurs on a holiday, Franchisee shall either provide Collection on the holiday or one (1) calendar day before or after the holiday. Franchisee shall notify residential and commercial customers of their respective holiday Collection schedules in the annual customer information flyer, in customer bills and with

a reminder thirty (30) days in advance of the holiday. The holiday schedule shall be added to the information in outgoing messages on telephone lines, to company internet web sites and via other social media, as appropriate.

6.8.3 During the first week of September each year, Franchisee shall notify County of the Collection schedule for holidays occurring in the succeeding twelve (12) months.

6.8.4 If Franchisee finds or is notified of any graffiti on its equipment, Containers or premises, Franchisee shall remove it as soon as possible, not to exceed two (2) business days.

6.8.5 Subject to the vehicle identification requirements set forth in Article 6.11, all vehicles used by Franchisee in the performance of this Agreement shall display the Franchisee's name and logo, and be free of any non-franchise related advertising, slogans, signs, symbols, political statements. All public service information placed on these vehicles is subject to the prior written approval of the Director.

6.9.3 All vehicles used by Franchisee in providing Solid Waste and Recyclable Materials Collection services under this Agreement shall comply with all federal, state, and local requirements and all Applicable Laws for such vehicles as they now exist or may be amended in the future, including all applicable air emissions and fuel efficiency requirements, and shall be registered with the California Department of Motor Vehicles. All such vehicles shall have watertight bodies designed to prevent leakage, spillage or overflow. Franchisee shall be responsible for any penalties imposed pursuant to the National Pollutant Discharge Elimination System for stormwater pollution caused by any Franchisee vehicles and/or driving practices. Said penalties shall not be passed through as a cost or expense to customers.

6.9.4 Collection trucks shall be equipped with reliable voice communications equipment. The voice communications equipment shall have a reasonable expectation of functioning during any emergency.

6.9.5 To the extent that the Collection trucks are equipped with video or audio video equipment, County may reasonably request and Franchisee shall provide any footage that exists for a time period specified by County.

6.9.6 To the extent that the Collection trucks are equipped with a Global Positioning System ("GPS"), County may reasonably request and Franchisee shall provide any GPS records that exist for a time period specified by County.

6.9.7 All vehicles shall comply with U.S. Environmental Protection Agency noise emission regulations and other applicable noise control regulations. The Franchisee will, in good faith, consider incorporating natural gas or other County approved, environmentally-acceptable trucks into its Collection fleet, to the extent practicable considering purchasing and maintenance costs.

6.9.8 Franchisee shall inspect each vehicle daily to ensure that all equipment is operating properly. Vehicles which are not operating properly and represent a safety hazard or are causing a violation of the NPDES shall be taken out of service until they are repaired and do operate properly and safely. Franchisee shall perform all scheduled maintenance functions in accordance with the manufacturer's specifications and schedule. Franchisee shall keep accurate records of all vehicle maintenance, recorded according to date and mileage and shall make such records available to County upon request.

6.9.9 Franchisee shall keep full and accurate records of all incidents, damages or accidents involving vehicles used by Franchisee in the performance of this Agreement and shall include a copy of these records in the monthly report submitted to County pursuant to Article 10.5 ("Monthly Reports") of this Agreement.

6.9.10 Franchisee shall repair, or arrange for the repair of, all of its vehicles and equipment for which repairs are needed because of accident, breakdown or any other cause so as to maintain all equipment in a safe and operable condition. Franchisee shall maintain accurate records of repair, which shall include the date/mileage, nature of repair and the signature of a maintenance supervisor that the repair has been properly performed.

County reserves the right to review said disposal capacity information for the identified Sites.

6.16.3 If Franchisee determines all local Facilities within the County of San Luis Obispo are not appropriate Disposal or Processing Facilities/Sites, and an out-of-County site would be a more appropriate and efficient part of the operation, Franchisee shall obtain the written agreement of County to use said out-of-County site. The Board of Supervisors specifically delegates to the Director the authority to enter into a written agreement to change the Disposal or Processing Site to an out-of-County site. The County must be notified in writing three hundred sixty five (365) days in advance if Franchisee desires to use a Facility/Disposal Site outside San Luis Obispo County at any time during the term of this Agreement. Notwithstanding the foregoing, the parties agree that the requirement for advance notice may be waived at the sole discretion of County for good cause. As used herein, "good cause" shall mean, without limitation, the appearance or existence of one or more conditions at a Facility/Disposal Site within San Luis Obispo County that reflects or constitutes, in the judgment of Franchisee and the Director, an unsafe practice or that may give rise to potential liability to County or Franchisee under CERCLA or any other applicable pollution, environmental or other law.

6.16.4 If Franchisee receives notice from the Landfill operator or Recyclable Materials Processor or otherwise finds, during the term of the Agreement, to be prevented, through no action of Franchisee or any of its Affiliates or agents, from delivering Solid Waste or Recyclable Materials to the designated site, Franchisee shall immediately notify, in writing, the Director, stating the reason(s) Franchisee is prevented, or expects to be prevented, from delivering Solid Waste or Recyclable Materials to the designated

6.16.6 Franchisee shall deliver all Solid Waste to any Landfill which collects the San Luis Obispo County AB 939 Tipping Fee Surcharge and Waste Management Program Fund Fee, pursuant to County Resolution No. 90-383, or, if Franchisee delivers Solid Waste to a Landfill which does not collect the County Tipping Fee Surcharge and Waste Management Program Fund Fee, Franchisee will make, on a monthly basis, the equivalent payment directly to County's Waste Management Tipping Fee - AB 939 Trust Fund #4304000000 and Waste Management Tipping Fee Trust - Site Fund #5912000000. Franchisee acknowledges that the San Luis Obispo County Board of Supervisors has the sole and exclusive right to change the fees and rates at least annually and otherwise as needed, as allowed by law.

6.16.6.1 Payment of the equivalent fees shall be made to County within thirty (30) days after the end of each calendar month, or prorated portion thereof, in which Franchisee delivers waste to an alternate Facility. In the event that payment is not received by County within thirty (30) days after the date specified, then Franchisee shall pay a penalty of ten percent (10%) on the outstanding balance, and Franchisee shall also pay to County interest on the outstanding balance at a rate of ten percent (10%) per annum, or the maximum legal rate of interest, whichever is greater, from the date of Franchisee's failure to pay.

6.16.6.2 As of March 1, 2007, the Tipping Fee Surcharge for Fund #4304000000 is \$3.00 per ton and the Waste Management Program Fund Fee for Fund #5912000000 is \$0.40 per ton. Customers desiring more frequent cleaning may arrange additional cleaning with Franchisee at a rate established by County, including pick-up, cleaning, and replacement of dumpster. Commercial customers shall be notified annually of the availability of the free cleaning service and the charges for additional service.

6.18 Clean-Up Days

6.18.1 At least twice per year throughout the term of this Agreement and any extension hereof, Franchisee shall provide, in addition to regularly scheduled service, two (2) clean-up events pursuant to guidelines established by Franchisee and approved by County, for Solid Waste placed at the curb by Single Family Dwelling Units and at pre-arranged locations for multi-family residential properties in addition to each customer's normal Collection service. The dates for each event shall be proposed by Franchisee and approved by the Director prior to September first of each year.

6.18.2 Each Collection event shall be provided by Franchisee at no additional cost for customers requesting Collection except for certain items identified by Franchisee and approved by County as subject to a charge.

6.18.3 Franchisee shall record, and report to County, by class and weight (in tons) the Solid Waste, White Goods, etc., collected during the clean-up events. Franchisee shall record the kinds and weights (in tons) of Solid Waste diverted during these clean-ups from the Landfill through Recycling, reuse, transformation or other means of diversion. Franchisee shall provide the report to County no later than ten (10) days after the event.

6.19.2 Each Facility must have all permits from federal, state, regional and county agencies necessary for operation and must be in full regulatory compliance with all such permits at all times during the Term of this Agreement and any extension thereof.

6.19.3 The selected Facility(ies) must be authorized to accept, under its existing permit, all Recyclable Materials, including Green Materials and Food Waste (when Franchisee is Collecting Food Waste as a Recyclable Material) delivered to it by, or on behalf of, Franchisee. Franchisee shall immediately notify County of any notice of breach, violation or default received by Franchisee concerning the selected Facility(ies).

6.19.4 If Franchisee becomes unable to deliver County's Recyclable Materials to the selected Facility(ies) due to causes within Franchisee's control and which could have been avoided by the exercise of due care, Franchisee shall arrange for Recyclable Materials, including Green Waste and Food Waste (when Franchisee is Collecting Food Waste as a Recyclable Material), to be accepted at another Facility(ies). In this instance, Franchisee shall pay for any increased transportation costs, any differences in the fees charged at such Facility(ies) and any fees then in effect under this Agreement. If Franchisee's inability to deliver County's Recyclable Materials to the Facility(ies) is not due to causes within its control or which could have been avoided by the exercise of due

care, then Franchisee shall deliver Recyclable Materials to another Facility. If additional costs are incurred, the County shall consider any rate adjustment requested by Franchisee in accordance with the terms of this Agreement.

6.20 Disposition of Unauthorized Waste

6.20.1 It is understood that Franchisee is not authorized and is not required hereunder to Collect and transport Hazardous Waste or restricted or other waste that is not acceptable or permitted for disposal at a Transfer Station, Materials Recovery Facility, or Disposal Site. In addition, Franchisee shall not be required to Collect Containers that are not set out or filled in accordance with, or do not meet Franchisee's Collection requirements. Regardless of the reason, when any Solid Waste, Recyclable Materials or other material is not Collected by Franchisee, Franchisee shall leave a company imprinted tag with Franchisee contact information on the material stating the reasons for Franchisee's refusal to Collect the same. Adequate records of the tags shall be maintained by Franchisee and shall be available to County for inspection upon reasonable notice during business hours.

6.20.2 If Franchisee observes any substances which it or its employees reasonably believe or suspect to contain Hazardous Waste unlawfully disposed of or released in reportable quantities in the County, including on, in, under or about County property, including streets, easements, rights of way and County waste containers, Franchisee shall immediately notify County of the same.

6.20.3 If Franchisee discovers Hazardous Waste, or other material that may not be legally accepted, among materials that it has inadvertently accepted, Franchisee may either return such materials to the applicable generator or dispose of such waste at its own expense and pursue all legal rights and remedies it may have against the generator(s) of such Hazardous Waste, if the generator(s) can be identified.

6.21 Disposal

6.21.1 Franchisee shall use its reasonable best efforts to ensure that the residual from the Recyclable Materials delivered to a Materials Recovery Facility by Franchisee are disposed of at a permitted Disposal Site in full regulatory compliance. Monthly residue from said Facility from loads delivered by Franchisee pursuant to services under this Agreement shall not exceed ten percent (10%) of the monthly Recyclable Materials delivered to the Materials Recovery Facility. If County directs Franchisee to deliver Recyclable Materials to a different Facility for Processing, then such other Facility shall be responsible for disposal of the residual and the Processing requirements as described above and County shall use its best efforts to enforce such requirements against the other Processor.

7.9.1 Franchisee acknowledges and agrees that education and public awareness are critical, key and essential elements of any efforts to achieve AB 939 requirements and to increase recycling and diversion. Accordingly, Franchisee agrees to take direction from County to exploit opportunities to expand public and customer knowledge concerning needs and methods to divert Solid Waste and Recyclable Materials from disposal by reducing the amount of Solid Waste generated and/or accumulated through Recycling or other appropriate waste diversion and reduction strategies and to cooperate fully with County in this regard.

7.9.2 Franchisee shall maintain its own program of providing information relevant to billing and Solid Waste services, issues and needs with its bills. Every billing cycle, Franchisee shall include an additional message promoting participation in Recycling, Green Materials and Food Waste (when the Franchisee is Collecting Food Waste as a Recyclable Material) programs as its billing format allows. Franchisee shall bear all labor costs with respect to inserting public education materials with the billings. ARTICLE 8 PAYMENTS TO COUNTY

8.1 Franchise Fee

8.1.1 In consideration of the granting of this Franchise, and for the privilege of providing Solid Waste and Recyclable Materials Collection service along and within the rights-of-way of the County, Franchisee shall pay to County a Franchise Fee equal to ten percent (10%) of Franchisee's annual Gross Receipts attributable to services provided under this Agreement.

8.1.2 Franchisee shall submit to Director an annual detailed revenue statement and Franchisee shall pay its Franchise Fee to County, submitted to Director on a monthly basis. Payment of the monthly portion of the Franchise Fee shall be rendered to County monthly on or before the last business day of the following month in which Franchisee derives receipts for the services provided under the terms of this Agreement.

8.1.3 In the event that payment is not received by County within thirty (30) days after the date specified in this Article, then Franchisee shall pay a penalty of ten percent (10%) on the outstanding balance, and Franchisee shall also pay to County interest on the outstanding balance at a rate of ten percent (10%) per annum, or the maximum legal rate of interest, whichever is greater, from the date of Franchisee's failure to pay.

8.1.4 The parties agree that such late charges represent a fair estimate of County's added administrative expenses caused by such delinquent payments.

8.1.5 In the event of an underpayment of Franchise Fees by Franchisee, within thirty (30) days of being notified of such underpayment, Franchisee shall tender the amount of the underpayment to County, together with any penalties and/or interest owed County for the period of the underpayment.

8.1.6 Payments of Franchise Fees made by Franchisee to County shall be considered in addition to and exclusive of any and all authorized taxes, business license fees, permit fees, other fees, and other levies or assessments presently in effect or subsequently adopted.

8.1.7 No acceptance of any payment shall be construed as a release, accord or satisfaction of any claim that County might have for further or additional sums payable under the terms of this Agreement.

8.1.8 If County changes the Franchise Fee, Franchisee's rates under this Agreement shall be adjusted accordingly, and the change to the Franchise Fee shall not be effective until the date of the next Board of Supervisors approved rate change, subject to all applicable laws and regulations. The Franchise Fee shall be included in the rates charged by Franchisee and shall not be separately itemized on bills to Franchisee's customers.

8.2 AB 939 Fee

8.2.1 If requested by County, Franchisee shall pay an AB 939 fee, to be specified annually by County. In addition, if the IWMA currently implements an AB 939 fee, Franchisee shall pay that fee directly to the IWMA. If County or IWMA changes AB 939 fees, Franchisee's rates shall be adjusted accordingly, and any such change by the County to the AB 939 fees shall not be effective until the date of the next Board of Supervisors approved rate change subject to all applicable laws and regulations.

8.3 Business License Tax

8.3.1 Franchisee shall pay an annual business license tax and shall obtain and pay for any and all other applicable licenses or permits.

8.4 Other Fees

8.4.1 The County shall reserve the right to set "other" Fees, as it deems necessary to offset any additional County costs associated with this Agreement; if County adopts or changes these fees, Franchisee's rates shall be adjusted accordingly, and such adoption or change by County shall not be effective until the date of the next Board of Supervisors approved rate change.

8.5 Adjustment of Fees

8.5.1 The Board reserves the right to adjust the rate of the Franchise Fee and /or the amount of other fees annually. Such adjustment shall be reflected in the rates that Franchisee is allowed to charge and collect from customers after providing thirty (30) days' notice to customers of the change in rates and any such adjustment of the Franchise Fee and/or the amount of other fees shall not be effective until the date of the next Board of Supervisors approved rate change

8.6 Review of Fee Payments

8.6.1 In addition to any other reporting requirements of this Agreement, and pursuant to Chapter 8.12 ("Solid Waste Management") of the County Code, County may review, test, and audit the books and records of Franchisee, or County may engage a Certified

Public Accountant for the purpose of obtaining an Auditor's Report or an Auditor's Special Report in accordance with Generally Accepted Auditing Standards, and Franchisee shall make all the books and records available to County or any Certified Public Accountant engaged by County. In the event that material errors or irregularities are identified, then the costs associated with County review or review by the Certified Public Accountant engaged by County shall be paid by Franchisee to County. Franchisee shall not deduct said costs from any payment otherwise due to County.

8.6.2 In the case of errors, materiality shall be deemed to be one percent (1%) or greater of the Gross Revenues of Franchisee for services performed under this Agreement.

ARTICLE 9 FRANCHISEE'S COMPENSATION AND RATES

9.1 General

9.1.1 Franchisee's compensation provided for in this Article shall be the full, entire and complete compensation due to Franchisee pursuant to this Agreement for all labor, equipment, materials and supplies, taxes, insurance, bonds, overhead, transfer and transport, processing, division, disposal, profit and all other things necessary to perform all the services required by this Agreement in the manner and at the times prescribed. Franchisee will not be entitled to any further rate adjustments as a result of customer delinquencies and other bad debt issues or as a result of costs incurred by County or Franchisee as identified in Article 13.3 ("Right to Terminate Upon Default or for Cause") of this Agreement.

9.1.2 Franchisee shall not look to County for payment of any sums under this Agreement in consideration of the right to charge and collect from customers for services rendered at rates fixed by County from time-to-time. The County shall have the right to structure those rates as it deems appropriate so long as the revenues forecasted to be received by Franchisee from charging such rates can reasonably be expected to generate sufficient revenues to provide for Franchisee's compensation, including a reasonable profit pursuant to Section 9.3.1.

9.1.3 Within twenty four (24) months of the Effective Date, pursuant to Section 5.1.2.2 of this Agreement, Franchisee must Collect Food Waste that has been properly set out for collection by the generator as a Recyclable Material. However, notwithstanding Section 5.1.2.2, Franchisee shall develop a pilot Food Waste Collection program within twelve (12) months of the Effective Date, in order to establish program costs prior to full

implementation within 24 months. The parties agree that implementation of Food Waste Collection will carry some additional costs, and that those costs will be accounted for in a rate adjustment effective as of the date of full implementation provided that the Franchise provides the necessary cost information to the Auditor-Controller at least one hundred twenty (120) days prior to the date of full implementation.

9.1.4 If Franchisee chooses to operate in any manner or use facilities that unnecessarily cause increased costs, County is not obligated to include those costs, to the extent of the unnecessary increase, in setting a reasonable rate of return.

9.1.5 Any costs incurred by Franchisee relating to the preparation or dissemination of any recycling and waste reduction information or any public education activities shall be stated as a separate line item by Franchisee in all rate review requests. No such costs shall be considered in the rate review process unless the Franchisee had received the Director's written approval of such costs before they were incurred by the Franchisee.

9.1.6 In the event that Franchisee's costs decrease as a result of the County's written designation of a manner of, or location for, processing or disposal of Solid Waste or Recyclable Materials that is materially different from what existed on the Effective Date of this Agreement, the Board of Supervisors may adjust collection rates within sixty (60) days of such written designation. In the event Franchisee receives any additional compensation for the value of the Solid Waste or Recyclable Materials disposed of in such a manner, or for the delivery of any Solid Waste or Recyclable Materials to the new location for processing or disposal, such compensation shall be considered as an offset to any compensation to which Franchisee might otherwise be entitled in a rate adjustment. If at any time during the term of this Agreement, Franchisee requests and is granted any rate increase by County that, when the new rate is compared to the rate at the Effective Date of this Agreement, exceeds the cumulative cost of living increases from the Effective Date of this Agreement, County shall have the option to terminate this Agreement by providing Franchisee with a written notice of termination setting forth a termination date of not less than thirty (30) days, nor more than one hundred twenty (120) days, from the date of the written notice. Said written notice of termination must be mailed or delivered to Franchisee no later than two hundred seventy (270) days after the effective date of the last rate increase approved by the Board of Supervisors. No further process or proceedings shall be required in order to make the termination effective. The cumulative cost of living increases shall be calculated using the "All Urban Consumers, Los Angeles-Riverside-Orange County, Not Seasonally Adjusted, Consumer Price Index" ("CPI") or other index as determined by the Auditor-Controller. By way of example, if a rate increase results in an overall cumulative six percent (6%) increase in rates since the Effective Date of this Agreement, and the Consumer Price Index for that same period would indicate a cumulative cost of living increase of five point eight percent (5.8%), then County would have the option to terminate this Agreement subject to the provisions set forth below.

9.1.6.1 If a prior or requested rate increase approved by the County expressly states in the Board of Supervisors agenda packet that a specific portion of that rate increase is the result of any of the following causes, that specific portion of the prior or requested rate increase so identified by the County shall not be included in the computation of the cumulative rate increases granted to Franchisee: rate increases resulting from Franchisee cost increases under Article 8 ("Payments to County") or Article 5.5 ("County May Request Service Changes") of this Agreement, or any new or increased mandated regulatory costs, including costs resulting from a Change in Law.

9.1.6.2 Rate increases resulting from an increase in costs incurred by Franchisee associated with the Processing and/or disposal of Solid Waste and Recyclable Materials at a Facility that is not owned by Franchisee or an Affiliate shall not be included in the computation of the cumulative rate increase granted to Franchisee. An Affiliated Facility shall be included in the computation of the cumulative rate increases granted to Franchisee, but only to the extent that the adjusted Tipping Fee at the Affiliated Facility exceeds other disposal or recycling facilities in the county.

9.1.6.3 County will endeavor to notify Franchisee if the rate anticipated to be approved by the Board will allow the County to exercise its termination option hereunder.

9.1.6.4 A waiver of the termination option by County for one specific rate adjustment does not diminish or eliminate County's termination options with respect to any future rate adjustments.

9.2 Collection Rates

9.2.1 Pursuant to Chapter 8.12 ("Solid Waste Management") of the County Code, Franchisee may only charge rates approved by the Board of Supervisors for the services performed or rendered under this Agreement. The rates in effect as of the Effective Date of this Agreement are set forth in Exhibit B attached hereto and incorporated herein by this reference.

9.2.2 In the interest of maintaining affordable services for the residents and businesses located within the Franchise Area, the following are the only permissible adjustments to the rates approved by the Board of Supervisors as of the Effective Date:

9.2.2.1 Annual Adjustments Based on the Consumer Price Index ("CPI"). Except in years when a rate review is required, the Collection rates shall be adjusted according to the practices and procedures of the Auditor-Controller and based on the "All Urban Consumers, Los Angeles-Riverside-Orange County, Not Seasonally Adjusted, Consumer Price Index" or other index as determined by the Auditor-Controller. In rate review years, any prior adjustment is incorporated into the rate review process. If a CPI adjustment is requested by Franchisee, in years when a rate review is not required, the Board of Supervisors intends to make a reasonable effort to adjust Franchisee's collection rates during the last quarter of the year. In the event that there is a delay greater than 90 days from the end of the last quarter, Franchisee may, if Franchisee so requests and the request is submitted within a reasonable time, subsequently bill the rate payers pro rata for the amount of the uncollected CPI caused solely by the delay.

9.2.2.1.1 CPI adjustments proposed by Franchisee and subsequently declined by Franchisee are not carried forward to the next rate adjustment.

9.2.2.2 Adjustments Based on Triennial Rate Review. Franchisee shall submit to County an application for rate analysis and adjustment every three (3) years unless otherwise agreed in writing between Franchisee and County (or as otherwise provided in this Agreement). Throughout the term of this Agreement, applications shall be submitted within sixty (60) days of the three (3) year, six (6) year, nine (9) year and twelve (12) year anniversary dates of this Agreement. With said application, Franchisee shall submit any and all data or information requested by, and in the format prescribed by, County. In the event Franchisee fails to meet the above-described deadlines, a revision of rates for the following year shall not be authorized until the first day of the first calendar month following a one hundred twenty (120) day period from the date that the complete application is submitted and such revision shall contain no consideration for Franchisee's failure to submit the application in accordance with the deadlines set forth herein.

9.2.2.3 Rate Adjustments.

9.2.2.3.1 Tipping Fees.

9.2.2.3.1.1 If during the performance Term of this Agreement, the Tipping Fee at a Solid Waste disposal or Recyclable Materials processing Facility changes, the Franchisee's Collection rates for residential and commercial customers shall be adjusted accordingly only if the Board of Supervisors or the City of Paso Robles approved the Facility's Tipping Fee. The Franchisee's

collection rates are not effective until the date of the next Board of Supervisors approved rate change. In the event that there is a delay greater than 90 days between approval of the Tipping Fee increase and the corresponding collection rate adjustment such that Franchisee cannot contemporaneously pass along to the ratepayer the costs of the Tipping Fee increase, Franchisee may, if Franchisee so requests and the request is submitted within a reasonable time of the Tipping Fee increase, subsequently bill the ratepayers pro rata for the amount of the uncollected Tipping Fee caused solely by the delay.

9.2.2.3.1.2 Prior to consideration of any increase in rates as a result of a Facility Tipping Fee increase, Franchisee shall provide County with a copy of the processing/disposal Facility's request for an increase in Tipping Fees no later than five (5) days following the date that Franchisee becomes aware of the Cost increase.

9.2.2.3.1.3 Additionally, Franchisee shall submit proof of Board of Supervisor or the City of Paso Robles approval of said Tipping Fee increase. If Costs are a result of using a Facility under the authority of another jurisdiction, Franchisee shall submit a copy of the applicable local agency's approval of the Tipping Fee.

9.2.2.3.2 AB 939 Fees. If during the performance Term of this Agreement, the AB 939 fee charged by County or IWMA changes, the Franchisee's Collection rates shall be adjusted accordingly subject to County's right to conduct a rate review. Any increase in the rate of the AB 939 Fee shall not be effective until Franchisee's rates have been reviewed and adjusted.

9.2.2.3.3 Franchise Fee and other County Fees. If during the performance Term of this Agreement, the Franchise Fee or any other County fee changes, the Franchisee's Collection rates shall be adjusted accordingly subject to County's right to conduct a rate review. In the event that such review results solely from the adjustment of the Franchisee Fee or other County fee, the expense of the review shall be borne by County. Any increase in the rate of the Franchise Fee or other County fee shall not be effective until Franchisee's rates have been reviewed and adjusted.

9.2.2.4 Special Interim Rate Adjustments.

9.2.2.4.1 The County or Franchisee may request an extraordinary or consequential adjustment outside of the base year and CPI adjustment schedules. To be extraordinary and consequential, cost changes must be significant enough to require a greater than five percent (5%) decrease or increase in monthly rates for basic residential service. Extraordinary or consequential rate adjustments are included in the computation of the cumulative rate increases granted to Franchisee pursuant to Article 9.1.7 of this Agreement.

9.2.2.4.2 In the event that Franchisee suffers an increase in operating costs significantly exceeding the "All Urban Consumers, Los Angeles-Riverside-Orange County, Not Seasonally Adjusted, Consumer Price Index," (or index in use by the Auditor-Controller at the time), caused by compliance with additions, updates or amendments to any laws or as a result of additional performance standards or services being required by County pursuant to an amendment to this Agreement, Franchisee may request a rate adjustment. The application for a rate adjustment must include documentation demonstrating the following:

- a) a significant increase in operating costs; and,
- b) that the increase was caused by compliance with additions, updates or amendments to any laws or as a result of additional performance standards being required by County and,
- c) why the requested increase needs to be addressed on an expedited basis rather than during the rate review process.

9.3 Allowable Profit

9.3.1 During the rate review process, the allowable profit on expenses shall be calculated using targeted operating ratio of ninety-three percent (93%), with a range of ninety-one percent (91%) to ninety-five percent (95%), applied to Franchisee's reasonable and necessary allowable costs incurred in the performance of its obligations under this Agreement.

9.4 Publication of Rates

9.4.1 Franchisee shall provide written notice to subscribers a minimum of thirty (30) days prior to all rate changes. The notice will include information about all rates and services available to the customer. The form and content of the notice shall be approved by the Director. It shall include a brief explanation for the rate change and ways each customer can determine which level of service will meet the customer's needs. Further requirements for this notice are identified elsewhere in this Agreement.

9.5 Rate Adjustments and Assignment of Agreement

9.5.1 In the case of any assignment, sale, lease, subcontract or transfer of all or any part of Franchisee's assets or stock, the acquiring party shall not be entitled to request any adjustment in rates based on the purchase price or any other consideration associated with said assignment, purchase, lease, subcontract or transfer. In addition, any such acquiring party shall not be entitled to request any adjustment in rates under this Agreement for any costs which said acquiring party incurs prior to the assignment, sale, lease, subcontract or transfer of Franchisee's assets or stock. County reserves the right to solicit competitive bids for services if any assignment results in a request by the assignee for rate increases that are higher than the CPI and do not reflect value changes in service standards as determined solely by County.

ARTICLE 10 RECORDS, REPORTS AND INFORMATION, STUDIES AND HEARING REQUIREMENTS

10.1 Records

10.1.1 Franchisee shall maintain records required to conduct its operations, to support requests it may make to County, and to respond to requests by County. Adequate record security shall be maintained to preserve records from events that can be reasonably anticipated such as a fire, theft and earthquake. Electronically maintained data and records shall be protected and an adequate backup system shall be provided for such data and records. The protection and backup systems shall be subject to approval by County.

Records shall be in chronological order, and organized in a form readily and easily interpreted.

10.2 Customer List

10.2.1 Subject to reasonable prior notice, Franchisee agrees to permit County access to review and inspect Franchisee's customer list and current route lists. Franchisee shall keep such information current at all times. The customer list shall include the names, addresses and type and size of service, at a minimum, as well as any other information requested by County.

10.3 Waste Generation/Characterization Studies

10.3.1 Franchisee acknowledges that County must perform Solid Waste generation and disposal characterization studies periodically to develop programs for compliance with AB 939 or other state mandated requirements. Franchisee agrees to participate and cooperate with County and its agents, at no cost to County, to accomplish studies and data collection, and prepare reports, as needed, to determine weights and volumes of Solid Waste and characterize Solid Waste generated, diverted, disposed, transformed, or otherwise handled or processed to satisfy AB 939 requirements.

10.4 Report Formats and Schedule

10.4.1 Records shall be maintained in forms and by methods that facilitate flexible use of data contained in them to structure reports, as needed. Reports are intended to

compile recorded data into useful forms of information that can be used to, among other things:

- 10.4.1.2 Evaluate past and expected progress towards achieving goals and objectives;
- 10.4.1.3 Determine needs for adjustment to programs; and
- 10.4.1.4 Evaluate customer service and complaints.

10.4.2 The County may at no cost to itself request that Franchisee provide such additional information in the reports set forth below as County deems necessary or appropriate to meet its needs, including provision of AB 939 report information.

10.4.3 Franchisee may propose report formats that are responsive to the objectives and audiences for each report. The format of each report shall be subject to approval by County.

10.4.4 Monthly reports shall be submitted within ten (10) calendar days after the end of the report month. Quarterly reports shall be submitted within fifteen (15) calendar days after the end of the quarter. Quarters end on March 31, June 30, September 30 and December 31.

10.5 Monthly Reports

10.5.1 In addition to any other reporting requirements pursuant to any federal, state or local laws, rules and regulations, other terms of this Agreement, or other provisions of Chapter 8.12 ("Solid Waste Management") of the County Code, Franchisee shall report on a monthly basis the following information to the Director. The information listed shall be the minimum reported for each service:

- 10.5.1.1 The quantity of each type of material (Solid Waste, commingled Recyclable Materials, Green Materials, commingled Green Materials/Food Waste and Food Waste) Collected, transferred, diverted or delivered to a Processor or Materials Recovery Facility or disposed of by Franchisee, by sector (commercial, industrial, residential) of waste generator-collected by Franchisee, in tons, by month, by community of origin as identified by the Director;

10.6 Quarterly Reports

10.6.1 Quarterly reports shall be quarterly summaries of the monthly information in addition to the following:

Provide recommendations and plans to improve the program. Highlight significant accomplishments, problems and proposed solutions.

10.7 Annual Financial Audit/Statements

10.7.1 Franchisee shall submit to the Director annual financial statements prepared in accordance with Generally Accepted Accounting Principles, at Franchisee's expense, and audited by an independent Certified Public Accountant not later than one hundred eighty (180) days following the expiration of Franchisee's fiscal year.

10.7.2 The financial statements shall include a supplemental detailed revenue statement if said revenue statement is not separately submitted to County pursuant to this Agreement.

10.7.3 The detailed revenue statement shall clearly show the Annual Gross Revenues of Franchisee, its parent or any Related Party Entity, attributable to the Collection of Solid Waste and Recyclable Materials within the County for the year just ended, and audited by a Certified Public Accountant, attesting to the fairness of said detailed revenue statement. Said detailed revenue statement shall separately classify revenues consistent with the classification of revenues as approved by County, pursuant to this Agreement, and said classification of revenues shall illustrate the amount of revenues collected by Franchisee for each separate rate approved by the Board. Said detailed revenue statement shall also reconcile annual Gross Receipts to annual Gross Revenues. The Franchisee may choose to submit the detailed revenue statement to County as a supplemental statement to Franchisee's annual financial statements pursuant to this Agreement.

10.7.4 The annual report shall separate out information with respect to revenues and expenses in relation to performance of this Agreement, including detailed information concerning overhead claimed by Franchisee. Operations by Franchisee concerning activities not related to performance of this Agreement shall be maintained in a separate portion of the annual financial statement.

10.7.5 County shall have the right to inspect or review the payroll tax reports, specific documents or records required expressly or by inference pursuant to this Agreement, or any other similar records or reports of Franchisee that County shall deem, in its sole discretion, necessary to evaluate annual reports, compensation applications provided for in this Agreement and Franchisee's performance provided for in this Agreement. The County retains the right to have an independent third party or agent of County's choosing, such as a Certified Public Accountant, participate in the records inspection. The cost of such inspection or review will be an allowable cost under the rate setting methodology unless there are findings pursuant to Article 13.7 ("Financial Material Errors, Omissions or Irregularities") of this Agreement.

10.7.6 The financial statements shall include an opinion of a Certified Public Accountant which attests to the fairness of any information submitted to satisfy the requirements of this Article. Any opinion which reflects a breach of the terms and conditions of this Agreement by Franchisee may result in a limitation or loss of Franchisee's right to perform services in accordance with the procedures set forth in this Agreement.

10.7.7 Franchisee shall annually disclose to the Director the entire nature and extent of transactions with Related Party Entities, as such entities are recognized by Generally Accepted Accounting Principles. The Related Party Entities known at the execution of this Agreement shall be disclosed by Franchisee in accordance with Chapter 8.12 ("Solid Waste Management") of the County Code.

Franchisee is required to send that notice by certified mail, return receipt requested, to the County of San Luis Obispo, Director of the Department of Public Works.

The minimum limits of insurance may be reviewed by County every three (3) years and adjusted at County's sole discretion; however any such adjustment shall not be effective until the date of the next Board of Supervisors approved rate change.

11.3 Prior Approval of Deductibles and Retentions

11.3.1 All deductibles and/or self-insured retentions which apply to the insurance policies required herein will be declared in writing and approved by County prior to commencement of this Agreement.

Further, at County's request, Franchisee shall provide certified copies of the insurance policies within thirty (30) days of request.

11.5 Inadequate Insurance

11.5.1 County may direct Franchisee to immediately cease all activities with respect to this Agreement if it determines that Franchisee fails to carry, in full force and effect, all insurance policies with coverage levels at or above the limits specified in this Agreement. Any delays or expense caused due to stopping of services and change of insurance shall be considered Franchisee's delay and expense.

11.6 Subcontractors

11.6.1 Franchisee shall include all subcontractors as insured under its policies or shall furnish copies of required insurance policies and endorsements for each subcontractor. All coverages for subcontracts shall be subject to all of the requirements stated herein.

11.7 Occurrence Based Coverage

11.7.1 All policies secured by Franchisee, except the Pollution Legal Liability policy, shall be occurrence and not claims based unless County agrees otherwise in writing.

11.8 Performance Surety

11.8.1 Franchisee shall provide to County within ten (10) days after execution of this Agreement, a cash or surety bond in an amount at least equal to the yearly average of two (2) months' Gross Revenue provided by a Surety Company with a Best rating of "A" or better and licensed to do business in the State of California, conditioned upon the full faithful performance of all covenants and conditions of this Agreement and any extensions or amendments thereto and Chapter 8.12 ("Solid Waste Management") of the County Code. Said surety bond must be approved by County prior to the provision of any services pursuant to this Agreement. A certificate of deposit or an irrevocable letter of credit for the required amount from a bank acceptable to County may be provided in lieu of said surety bond.

11.8.2 The bond, letter of credit or other similar instrument shall be issued for a period of not less than one (1) year and Franchisee shall provide a new bond, letter of credit or

similar instrument, and evidence satisfactory to County of its renewability, no less than thirty (30) calendar days prior to the expiration of the bond, letter of credit or other similar instrument then in effect. County shall be notified in writing of any cancellation by the issuer of the bond at least thirty (30) days prior to such cancellation.

11.8.3 Subject to the notice and hearing procedures set forth herein, if County determines that Franchisee has substantially failed to keep and perform any covenant or condition of this Agreement and any extensions or amendments thereto, County may require surety to perform or may resort to any certificate of deposit or irrevocable letter of credit received in lieu of a bond. In that event, County shall notify the surety of Franchisee's failure to keep and perform a covenant or condition, as well as the amount of time necessary for performance as determined by County. If the surety fails to perform, County may perform and assess the surety on its bond for all costs associated with such performance. The costs of performance may include all labor, equipment, insurance, and any and all other reasonably necessary resources as determined by County to perform the services required under this Agreement.

11.8.4 County shall annually review the adequacy of the amount of the surety bond and increase or decrease the bond in an amount at least equal to the yearly average of two (2) months Gross Revenue or an amount determined adequate by County. County shall notify Franchisee in writing of any changes in the required bond amount not later than thirty (30) days after the completion of said review. Franchisee shall renew said surety bond as necessary and file it with County at least thirty (30) days prior to the expiration of the bond; provided, however, that Franchisee shall not be required to increase or decrease the amount of the bond prior to six (6) months after any such bond adjustment required pursuant to this paragraph.

11.9 Indemnification

11.9.1 Franchisee shall defend, indemnify and save harmless County, its officers, agents and employees from any and all claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities arising out of this Agreement or connected with the performance or attempted performance of provisions hereof, including but not limited to any act or omission to act on the part of Franchisee or its agents, employees, or subcontractors directly responsible to it, except those claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities resulting solely from the negligence or willful misconduct of County.

11.9.2 Franchisee's obligations shall include, but are not limited to, the obligation to defend and indemnify County for all actions of Franchisee associated with Franchisee's role as the Arranger of Solid Waste Collection service, or as a "potentially responsible party" within the meaning of CERCLA in performing Solid Waste Collection service under any federal, state or local laws, rules or regulations. The Franchisee shall further defend and indemnify County from any and all legal actions against County on the basis of the assertion that County is an Arranger of Solid Waste Collection services as a result

of this Agreement as long as County has not exercised its right to direct disposal in accordance with Article 5.12 ("County Right to Direct Disposal") of this Agreement.

11.9.3 Franchisee's obligations shall include, but are not limited to, the obligation to defend and indemnify County for any fines or penalties imposed by the California Department of Resources Recycling or Recovery or its agents in the event that Franchisee's delays in providing information or reports required pursuant to this Agreement prevent County from submitting reports or attaining goals in a timely manner as required by the Integrated Waste Management Act.

11.9.4 Franchisee's obligations shall include, but are not limited to, the obligation to defend and indemnify County against all fines and/or penalties imposed by the California Department of Resources Recycling or Recovery in the event the source reduction and Recycling goals or any other requirement of the Integrated Waste Management Act are not met by County with respect to the waste stream Collected under this Agreement if such failure is due in substantial part to the failure of Franchisee to meet its obligations under this Agreement or for delays in providing information that prevents County from submitting reports in a timely manner, as presently required by the Integrated Waste Management Act.

11.9.5 Franchisee's obligations to defend and indemnify County are subject to the limitations provided in Section 40059.1 of the California Public Resources Code.

ARTICLE 12 COUNTY'S RIGHT TO PERFORM SERVICE

12.1 General

12.1.1 In the event that Franchisee, for any reason whatsoever, fails, refuses, or is unable to Collect, transport, Process or market any or all Solid Waste or Recyclable Materials which it is required by this Agreement to Collect, transport, Process, market, and/or dispose at the time and in the manner provided in this Agreement, for a period of more than seven (7) calendar days, and if, as a result thereof, Solid Waste or Recyclable Materials should accumulate in the County to such an extent, in such a manner, or for such a time that the Director or his/her designee should find that such accumulation endangers or menaces the public health, safety or welfare, then County shall have the right, but not the obligation, upon twenty-four (24) hours prior written notice to Franchisee during the period of such emergency as determined by the Director or his/her designee: a) to perform, or cause to be performed, such services itself with its own or other personnel without liability to Franchisee and/or b) to take temporary possession of any or all of Franchisee's land, equipment and other property, including the current list of customer names, addresses, service type and size and route lists, in order to Collect, transport, Process, market and/or dispose any Solid Waste or Recyclable Materials generated within the County which Franchisee would otherwise be obligated to Collect, transport, Process, market and/or dispose pursuant to this

Agreement. In the event County takes possession of Franchisee's equipment and other property, County shall be entitled to have another Franchisee or Franchisees operate such equipment and property under County direction. In the event County takes possession of Franchisee's equipment and other property, County shall pay a reasonable rental fee for such equipment but County does not guarantee repair of existing problems with equipment and facilities. Should County repair existing problems or defects, Franchisee will be billed for County cost of the repairs.

12.1.2 If Franchisee is providing billing services and County performs the Collection services, Franchisee will promptly forward to County all Gross Revenues Franchisee has collected in advance, or otherwise, to County for the period in duration equal to County's performance of the services. If Franchisee does not promptly forward those rates, County may draw on the performance bond or other approved security for those amounts without further notice to Franchisee. Claiming the performance bond or surety does not limit County from pursuing any other legal remedy.

12.1.3 During such time that County is providing the Collection services, as above provided, Franchisee shall continue to bill and collect payment from all users of the above-mentioned services. Franchisee further agrees that, in such event, it shall reimburse County for any and all costs and expenses incurred by County in taking over possession of the above-mentioned property for Solid Waste and Recyclable Materials Collection services in such manner and to an extent as would otherwise be required of Franchisee under the terms of this Agreement. Such reimbursement shall be made from time to time after submission by County to Franchisee of each statement listing such costs and expenses, but in no event later than five (5) working days from and after each such submission. County shall have the right, at its sole discretion, to take over billing and payment collection activities. County shall then pay any net revenues to Franchisee, after deducting all expenses, including County-incurred expenses.

12.1.4 Notice of Franchisee's failure, refusal or neglect to collect, transport, Process, market and/or dispose Solid Waste or Recyclable Materials may be given orally by telephone to Franchisee at its principal office and shall be effective immediately. Written confirmation of such oral notification shall be sent to Franchisee within twenty-four (24) hours of the oral notification. Franchisee further agrees that in such event:

12.1.4.1 It will take direction from County to immediately affect the transfer of possession of property and equipment to County for County's use.

12.1.4.2 It will, if County so requests, keep in good repair and condition all of such property and equipment, provide all motor vehicles with fuel, oil and other service, and provide such other service as may be necessary to maintain said property in operational condition.

12.1.4.3 County may immediately engage all or any personnel necessary or useful for the Collection, transportation, Processing marketing and/or

disposing of Solid Waste or Recyclable Materials, including, if County so desires, employees previously or then employed by Franchisee. Franchisee further agrees, if County so requests, to furnish County the services of any or all management or office personnel employed by Franchisee whose services are necessary or useful for Solid Waste or Recyclable Materials Collection, transportation, Processing, marketing and/or disposal operations and for the billing and collection of fees for these services.

12.1.5 County agrees that it assumes complete responsibility and liability for the proper and normal use of such equipment and facilities while in its possession.

12.1.6 If the interruption or discontinuance in service is caused by any of the reasons listed in this Agreement, County shall pay to Franchisee the reasonable rental value of the equipment and facilities, possession of which is taken by County, for the period of County's possession, if any, which extends beyond the period of time for which Franchisee has rendered bills in advance of service.

12.1.7 Except as otherwise expressly provided in the previous paragraph, County's exercise of its rights under this Article 12: a) does not constitute a taking of private property for which compensation must be paid; b) will not create any liability on the part of County to Franchisee; and c) does not exempt Franchisee from the indemnity provisions of Article 11 ("Indemnification, Insurance and Bond") of this Agreement which are meant to extend to circumstances arising under this Article, provided that Franchisee is not required to indemnify County against claims and damages arising from the negligence of County officers, employees and agents in the operation of Collection Vehicles or performance of services during the time County has taken possession of such equipment.

12.2 Temporary Possession of Franchisee's Property

12.2.1 If County suffers an interruption or discontinuance of service as described in this Article, County may take temporary possession of and use all of Franchisee's property described above until other suitable arrangements can be made for the provision of such services. County options include but are not limited to contracting with another company. The same notice requirements of Article 12.1 are applicable.

12.3 County's Right to Relinquish Possession

12.3.1 It is further mutually agreed that County may at any time at its discretion relinquish possession of any or all of the above-mentioned property to Franchisee and thereupon demand that Franchisee resume the services as provided in this Agreement, whereupon Franchisee shall be bound to resume the same.

12.4 Duration of County's Possession

12.4.1 County's right pursuant to this Article to retain temporary possession of Franchisee's Facilities and equipment, and to render Collection services, shall terminate when County determines that such services can be resumed by Franchisee, or when County no longer reasonably requires such Facilities or equipment. In any case, County has no obligation to maintain possession of Franchisee's property and/or continue its use for any period of time and may at any time, in its sole discretion, relinquish possession to Franchisee.

ARTICLE 13 DEFAULT, REMEDIES AND LIQUIDATED DAMAGES

13.1 Events of Default

All provisions of this Agreement to be performed by Franchisee are considered material. Each of the following shall constitute an event of default.

13.1.1 Fraud or Deceit. If Franchisee practices, or attempts to practice, any fraud or deceit upon County.

13.1.2 Insolvency or Bankruptcy. If at any time during the Term of this Agreement or any extension thereof, Franchisee becomes insolvent, or if proceedings in bankruptcy are instituted by Franchisee, or if Franchisee is adjudged bankrupt or insolvent by any court, or if a receiver or trustee in bankruptcy is appointed in any suit or proceeding brought by Franchisee, or if there is an assignment for the benefit of its creditors, then, and in each and every such case, this Agreement shall be subject to immediate termination and cancellation upon written notice by County and without the necessity of suit or other proceeding.

13.1.3 Failure to Maintain Coverage. If Franchisee fails to provide or maintain in full force and affect the Workers' Compensation, liability, or indemnification coverage or any other insurance coverage or bond required under this Agreement.

13.1.4 Violations of Regulation. If Facilities owned, operated, maintained, or used by Franchisee in performing the services under this Agreement fall out of full regulatory compliance or if Franchisee violates any orders or filings of any regulatory body having jurisdiction over Franchisee relative to this Agreement, provided that Franchisee may contest any such orders or filings by appropriate proceedings conducted in good faith, in which case no breach of the Agreement shall be deemed to have occurred unless and until regulatory non-compliance is established through the appropriate proceedings.

13.1.5 Failure to Perform. If Franchisee ceases to provide the Solid Waste and/or Recyclable Materials Collection services as required under this Agreement for a period of two (2) days or more, for any reason within the control of Franchisee.

13.1.6 Failure to Pay/Report. If Franchisee fails to make any timely payments, including liquidated damages and penalties, required under this Agreement and/or fails to provide

County with required information, reports, and/or records in a timely manner as provided for in the Agreement.

13.1.7 Acts or Omissions. Any other act or omission by Franchisee which violates the terms, conditions, or requirements of this Agreement, the California Integrated Waste Management Act or any order, directive, rule, or regulation issued thereunder and which is not corrected or remedied within the time set in the written notice of the violation or, if Franchisee cannot reasonably correct or remedy the violation within the time set forth in such notice, if Franchisee should fail to commence to correct or remedy such violation within the time set forth in such notice and diligently effect such correction or remedy thereafter.

13.1.8 False or Misleading Statements. Any representation or disclosure made to County by Franchisee in connection with or as an inducement to entering into this Agreement, or any future amendment to this Agreement, which proves to be false or misleading in any material respect as of the time such representation or disclosure is made, whether or not any such representation or disclosure appears as part of this Agreement.

13.1.9 Attachment. Seizure of, attachment of, or levy on, the operating equipment of Franchisee, including without limitation, its equipment, maintenance or office facilities, or any part thereof.

13.1.10 Suspension or Termination of Service. Any termination or suspension of the transaction of business by Franchisee, including without limitation, due to labor unrest including strike, work stoppage or slowdown, sickout, picketing, or other concerted job action, lasting more than two (2) business days, unless caused by a force majeure event.

13.2 Written Notice

13.2.1 Upon default by Franchisee, the Director or his/her designee shall provide written notice to Franchisee of the condition(s) constituting the default. Said written notice shall be deemed effective upon receipt by Franchisee or, if mailed first class mail postage prepaid, then said notice shall be deemed effective five (5) days after mailing. The Director or his/her designee shall include in the notice, a demand that Franchisee cure the default. The Franchisee shall thereafter have thirty (30) days to cure the default; or, if the default cannot be cured within such timeframe, Franchisee shall have commenced to cure said default in a manner that is acceptable to County, in its reasonable discretion. For purposes of this Agreement and any notice required hereunder, the term "days" shall mean calendar days.

13.3 Right to Terminate Upon Default or for Cause

13.3.1 All terms and conditions of this Agreement are material and binding and failure by either party to perform in accordance with this Agreement, or in accordance with any

covenants and conditions described herein, shall be considered a breach of this Agreement. In the event this Agreement is breached in any manner, including, but not limited to the defaults listed in Article 13.1 ("Events of Default") of this Agreement or any other serious, material breach, and Franchisee has failed to remedy to the satisfaction of County said breach within the thirty (30) days after receiving County's written notice, described in Article 13.2 ("Written Notice") of this Agreement, setting forth the nature of the breach, County in its sole option, may terminate this Agreement for cause. Notices will be delivered to the place designated in this Agreement for receiving notices. The notice of breach is effective upon actual receipt by Franchisee or, if mailed by first class mail with proper postage affixed, then it shall be deemed effective five (5) days after mailing. Such termination is subject to the approval of the Board of Supervisors. Franchisee shall thereafter have no further rights, powers, or privileges against County under or arising out of this Agreement. In the event a breach does not result in termination, but does result in costs being incurred by County, said costs shall be charged to and paid by Franchisee, which costs may include, but are not limited to, costs incurred by County in investigating and communicating with Franchisee regarding said breach, including staff time, and any penalties provided in accordance with this Agreement. Said costs shall be paid by Franchisee within 60 days of receipt of County invoice.

13.3.2 In the event County terminates this Agreement as provided herein, Franchisee shall pay to County on the effective date of termination all customer revenues collected in advance for all services which would have been provided by Franchisee after the effective date of termination. Franchisee shall also pay to County any unearned revenues received after the date of termination. The provisions of this Article shall not be exclusive, but shall be cumulative and in addition to any other remedies provided herein or pursuant to law.

13.4 Liquidated Damages

13.4.1 County finds, and Franchisee agrees, that as of the time of the execution of this Agreement, it is impractical, if not impossible, to reasonably ascertain the extent of damages which would be incurred by County as a result of a breach by Franchisee of its obligations under this Agreement.

13.4.2 The parties acknowledge that consistent, reliable Solid Waste, and Recyclable Materials Collection service is of utmost importance to County and that County has considered and relied on Franchisee's representations as to its quality of service commitment in awarding the Franchise to Franchisee. The parties further recognize that some quantified standards of performance are necessary and appropriate to ensure consistent and reliable service and performance. The parties further recognize that if Franchisee fails to achieve the performance standards, comply with complaint resolution criteria or to submit required documents in a timely manner, County and its residents will suffer damages and that it is and will be impractical and extremely difficult to ascertain

and determine the exact amount of damages that County will suffer. Therefore, without prejudice to County's right to treat such non-performance as an event of default under this Article 13, the parties agree that the following liquidated damage amounts represent a reasonable estimate of the amount of such damages considering all of the circumstances existing on the Effective Date of this Agreement, including the relationship of the sums to the range of harm to County that reasonably could be anticipated and the anticipation that proof of actual damages would be costly or inconvenient.

13.4.3 Recognizing the importance of resolving any failure to meet the service performance standards, County shall contact Franchisee within two (2) working days of any failing reported directly to County. In addition, Franchisee agrees to meet with the Director within two (2) working days of a requested meeting to discuss Franchisee's performance.

13.4.4 Franchisee agrees to pay (as liquidated damages for the violations specified and not as a penalty) the amounts specified below. The parties further agree that Franchisee shall pay liquidated damages of five hundred dollars (\$500) per day per occurrence, unless otherwise specifically described below, for the unexcused failure to meet one (1) or more of the requirements of the County Code or of this Agreement, or the unexcused failure by Franchisee to meet or complete a requirement by a prescribed date, or the unexcused failure by Franchisee to provide a service. Liquidated damages flow from a violation of this Agreement and are in addition to any penalty imposed for violations of the San Luis Obispo County Code or any other Environmental Laws by County or any other government agency.

13.4.5 General Violations

13.4.5.1 For failure by Franchisee to provide scheduled Solid Waste Collection service in mandatory Collection areas as required by County Code now and as may be amended during the term of this Agreement;

13.4.5.2 For failure to provide scheduled Collection of Recyclable Materials, including Green Materials and Food Waste, within the Franchise Area as required under this Agreement;

13.4.5.3 For failure by Franchisee to maintain and possess a valid permit for Collection of Solid Waste from the Solid Waste Local Enforcement Agency at any time during the term of this Agreement;

13.4.5.4 For failure by Franchisee to submit to the Director a written response procedure for Hazardous Waste/Medical Waste, within six (6) months from the Effective Date of this Agreement;

13.4.5.5 For failure by Franchisee to properly comply with written response procedures for Hazardous Waste or Medical Waste;

13.4.5.6 For failure by Franchisee to maintain an office and/or to keep the office open and/or to maintain a toll-free telephone for calls in English and Spanish and/or a customer payment drop box within Franchisee's Permit Area and/or maintain a log of customer complaints, as required by Chapter 8.12 ("Solid Waste Management") of the County Code and pursuant to this Agreement; and

13.4.5.7 For charging or collecting rates not approved by the Board of Supervisors for any service subject to this Agreement.

13.4.6 Violations related to Collection Reliability and Quality.

13.4.6.1 For each failure over two (2) annually to commence service to a new customer account within seven (7) days after order: \$150.00;

13.4.6.2 For each failure over five (5) annually to Collect Solid Waste or Recyclable Materials, including Green Materials and Food Waste as required under this Agreement, which had been properly set out for Collection, from an established customer account on the scheduled Collection day and not Collected within twenty-four (24) hours after notice of missed pick-up: \$150.00;

13.4.6.3 For each failure to Collect Solid Waste or Recyclable Materials, including Green Waste and Food Waste as required under this Agreement, which had been properly set out for Collection, from the same customer on two (2) consecutive scheduled pickup days: \$150.00;

13.4.6.4 For each occurrence over two (2) annually of damage to private property: \$250.00;

13.4.6.5 For each occurrence over two (2) annually of discourteous behavior: \$250.00;

13.4.6.6 For each failure to immediately clean up Solid Waste or Recyclable Materials, including Green Materials and Food Waste spilled from Containers: \$150.00;

13.4.6.7 For each failure to clean up along the public right of way, within the time prescribed by this Agreement, any materials dropped or spilled from Franchisee's vehicles during Collection, transfer or transport activities: \$250 per half (1/2) mile per day;

13.4.6.8 For each occurrence over two (2) annually of Collecting Solid Waste or Recyclable Materials, including Green Materials and Food Waste as required under this Agreement, during unauthorized hours: \$250.00; and

13.4.6.9 For each failure to respond to a customer complaint or inquiry within twenty-four (24) working hours: \$100.00.

13.4.7 Violations related to Timeliness of Submissions to County.

13.4.7.1 Reports. Any report shall be considered late until such time as County receives a correct and complete report. For each calendar day a report is late, the daily assessment shall be:

13.4.7.1.1 Monthly Reports: For each infraction: \$100 per day.

13.4.7.1.2 Annual Reports: For each infraction: \$500 per day.

13.5 Liquidated Damages Notice and Assessment

13.5.1 Liquidated damages will only be assessed after Franchisee has been given the opportunity but failed to rectify the damages, as described in this Agreement (e.g., twenty-four (24) working hours to respond to a complaint).

13.5.2 Prior to assessing liquidated damages, County shall give Franchisee notice of its intention to do so. The notice will include a brief description of the incident(s)/non-performance. Franchisee may review (and make copies at its own expense) of all information in the possession of County relating to incident(s)/non-performance. Franchisee may, within ten (10) days after receiving the notice, request a meeting with County. If a meeting is requested, it shall be held by the Director or his/her designee. Franchisee may present evidence in writing and through testimony of its employees and others relevant to the incident(s)/non-performance. The Director or designee will provide Franchisee with a written explanation of his or her determination on each incident(s)/non-performance prior to authorizing the assessment of liquidated damages. The decision of the Director or designee shall be final.

13.5.3 County may determine the occurrence of events giving rise to liquidated damages through the observation of its own employees or representative or investigation of customer complaints.

13.5.4 The Director or his/her designee may assess liquidated damages for each calendar day or event, as appropriate, that Franchisee is determined to be liable in accordance with this Agreement.

13.5.5 The liquidated damages set forth above shall be in addition to any other penalties or remedies otherwise provided by law or in accordance with this Agreement.

13.5.6 Franchisee shall pay any liquidated damages assessed by County within ten (10) days after they are assessed. If they are not paid within the ten (10) day period, County may proceed against the security required by this Agreement or order the termination of this Agreement, or both. In the event of an appeal of the imposition of the liquidated damages by the Director, payment will be due within ten (10) days of the Board decision affirming or modifying the action of the Director.

13.6 Force Majeure

13.6.1 The parties shall be excused from performing their respective obligations hereunder in the event they are prevented from so performing by reason of floods, earthquakes, other "acts of God", war, civil insurrection, riots, acts of any government (including judicial action), unavailability of third party disposal or processing facilities designated by County, and other similar catastrophic events which are beyond the control of and not the fault of the party claiming excuse from performance hereunder ("Force Majeure").

13.6.2 Labor unrest, including but not limited to strike, work stoppage or slowdown, sick-out, picketing, or other concerted job action conducted by Franchisee's employees or directed at Franchisee or its selected facilities is not an excuse from performance and Franchisee shall be obligated to continue to provide service notwithstanding the occurrence of any or all such events.

13.6.3 The party claiming excuse from performance shall, within two (2) days after such party has notice of such cause, give the other party notice of the facts constituting such cause and asserting its claim to excuse under this Article.

13.6.4 The interruption or discontinuance of Franchisee's services caused by one (1) or more of the events excused shall not constitute a default by Franchisee under this Agreement. Notwithstanding the foregoing, however, if Franchisee is excused from performing its obligations hereunder for any of the causes listed in this Article for a period of seven (7) days or more, County shall have the right to review the circumstances under which the excuse from performance was granted. After such review, if County determines the excuse from service is no longer valid, County shall notify Franchisee in writing to resume service within two (2) days from the receipt of such notification. If Franchisee fails to resume service within the two (2) days, County shall have the right to terminate this Agreement by giving ten (10) days' notice, in which case the provisions relative to taking possession of Franchisee's land, equipment and other property and engaging Franchisee's personnel in Article 12 ("County's Right to Perform Services") and this Article 13 shall apply.

13.7 Financial Material Errors, Omissions or Irregularities

13.7.1 The County may review, test and audit the books and records of Franchisee for the purpose of determining whether Franchisee is complying with the terms of the Agreement. In the event that material errors or omissions or irregularities are identified, then the cost associated with the audit, test or review shall be paid by Franchisee to County. In the case of financial errors, materiality shall be deemed to be one percent (1%) or greater of the Gross Revenues of Franchisee from activities performed under this Agreement. Recovery of any overpayment will be negotiated on a case-by-case basis, either immediately or through the next rate setting evaluation.

ARTICLE 14 OTHER AGREEMENTS OF THE PARTIES

14.1 Relationship of Parties

14.1.1 The parties intend that Franchisee shall perform the services required by this Agreement as an independent Franchisee engaged by County and not as an officer or employee of County nor as a partner of or joint venture with County. No employee or agent of Franchisee shall be or shall be deemed to be an employee or agent of County. Except as expressly provided herein, Franchisee shall have the exclusive control over the manner and means of conducting the Solid Waste and Recyclable Materials Collection services performed under this Agreement, and all Persons performing such services. Franchisee shall be solely responsible for the acts and omissions of its officers, employees, subcontractors and agents. Neither Franchisee nor its officers, employees, subcontractors and agents shall obtain any rights to retirement benefits, workers compensation benefits, or any other benefits which accrue to County employees by virtue of their employment with County.

14.2 Compliance with Law/Standards of the Industry

14.2.1 County and Franchisee acknowledge that Franchisee will have the affirmative obligation to comply with all laws in effect during the duration of this Agreement, including all additions, updates and amendments to the laws and all applicable regulations promulgated by federal, state, regional or local administrative and regulatory agencies. Further, County and Franchisee acknowledge and agree that this Agreement may be amended as needed to add additional performance standards that come into effect during the duration of this Agreement as a result of changes in the standards of the industry.

14.3 Governing Law

14.3.1 This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

14.4 Jurisdiction

14.4.1 Any lawsuits between the parties arising out of this Agreement shall be brought and concluded in the courts of the State of California, which shall have exclusive jurisdiction over such lawsuits. Venue of any such lawsuits shall be in San Luis Obispo County.

14.5 Transition to Next Franchisee

14.5.1 If the transition of services to another Franchisee occurs through expiration of the Term, default and termination, or otherwise, Franchisee will cooperate with County and subsequent Franchisee(s) to assist in an orderly transition which will include Franchisee

providing route lists and billing information. In the event of such a transition, and upon written request of County, County shall be provided and shall own the customer lists, route lists and billing information. Franchisee will provide current customer lists, route lists and billing information to County within ten (10) days of receiving a written request. Franchisee will not be obliged to sell Collection Vehicles or Containers to the next Franchisee. Depending on Franchisee's circumstances at the point of transition, Franchisee, at its option, may enter into negotiations with the next Franchisee to sell (in part or all) Collection Vehicles and/or Containers.

14.6 Parties in Interest

14.6.1 Nothing in the Agreement, whether express or implied, is intended to confer any rights on any persons other than the parties to it and their representatives, successors and permitted assigns.

14.7 Waiver and Estoppel

14.7.1 The waiver by either party of any breach or violation of any provisions of this Agreement shall not be deemed to be a waiver of any breach or violation of any other provision nor of any subsequent breach or violation of the same or any other provision. The subsequent acceptance by either party of any monies that become due hereunder shall not be deemed to be a waiver of any pre-existing or concurrent breach or violation by the other party of any provision of this Agreement.

14.8 Failure to Enforce

14.8.1 County's failure to enforce any provision of County Code, or of this Agreement, for a breach or violation by Franchisee of said County Code or Agreement, shall not constitute an acquiescence, waiver, estoppel, or bar on County pursuing and seeking enforcement in the event that one or more of the same provisions of County Code or of this Agreement are subsequently breached or violated by Franchisee.

14.9 Franchisee's Investigation

14.9.1 Franchisee has relied on its own investigations, and not on any representations of County or its agents of the conditions and circumstances surrounding the Agreement and the services to be performed by it.

14.10 Notice

14.10.1 All notices, demands, requests, proposals, approvals, consents and other communications which this Agreement requires, authorizes or contemplates shall be in writing and shall either be personally delivered to a representative of the parties at the address below or be deposited in the United States mail, first class postage prepaid, addressed as follows:

If to County: Director, Public Works Department County Government Center,
Room 207 San Luis Obispo CA 93408

If to Franchisee: Paso Robles Country Disposal, 2951 Wallace Drive Paso

14.10.2 The address to which communications may be delivered may be changed from time to time by a notice given in accordance with this Article. The notice, if mailed, is deemed served three (3) days after the mailing.

14.11 Representatives of the Parties

14.11.1 References in this Agreement to the "County" shall mean the County of San Luis Obispo and all actions to be taken by County shall be taken by the Board of Supervisors except as provided below. The Board may delegate, in writing, authority to the Director of Public Works or his/her designee or to other County employees and may permit such employees, in turn, to delegate in writing some or all of such authority to subordinate employees. Franchisee may rely upon actions taken by such delegates if they are within the scope of the authority properly delegated to them.

14.11.2 Franchisee shall, by the effective date, designate in writing a responsible officer who shall serve as the representative of Franchisee in all matters related to this Agreement and shall inform County in writing of such designation and of any limitations upon his or her authority to bind Franchisee. County may rely upon any action taken by such designated representative as an action of Franchisee unless said representative is acting outside the scope of the authority delegated to him/her by Franchisee as communicated to County.

14.12 County Free to Negotiate with Third Parties

14.12.1 County may investigate all options for the Collection, Processing and marketing of Solid Waste and Recyclable Materials after the expiration of the Term. Without limiting the generality of the foregoing, County may solicit proposals from Franchisee and from third parties for the provision of Solid Waste and Recyclable Materials services, and any combination thereof, and may negotiate and execute Agreements for such services that will take effect upon the expiration or earlier termination under Article 13.1 ("Events of Default") of this Agreement.

14.13 Compliance with the San Luis Obispo County Code

14.13.1 Franchisee shall comply with all provisions of the San Luis Obispo County Code and with any and all amendments to these provisions during the Term of this Agreement and any extension thereof.

14.14 Privacy

14.14.1 Franchisee shall strictly observe and protect the rights of privacy of customers. Information identifying individual customers or the composition or contents of a customer's waste stream shall not be revealed to any person, governmental unit, private agency, by Franchisee, unless upon the authority of a court of law, by statute, or upon valid authorization of the customer. This provision shall not be construed to preclude Franchisee from preparing, participating in, or assisting in the preparation of waste characterization studies or waste stream analyses that may be required by AB 939.

ARTICLE 15 ASSIGNMENT

15.1 Prior Consent

15.1.1 No interest in this Agreement may be assigned, sold, subcontracted or transferred, either in whole or in part, without the prior written consent of County. Any such assignment made without the consent of County shall be null and void and the attempted assignment shall constitute a material breach of this Agreement. Franchisee shall promptly notify the Director in writing in advance of any proposed assignment, sale, subcontract or transfer. In the event that the Board approves of any assignment, sale, subcontract or transfer, said approval shall not relieve Franchisee of any of its obligations or duties under this Agreement unless this Agreement is modified in writing to that effect. Franchisee shall also notify the Director of any change in control and/or ownership of Franchisee. For purposes of this Agreement, "Change of Ownership" or "Change in Control" is presumed to include, without limitation, the sale or transfer of at least twenty five percent (25%) of Franchisee's assets or at least twenty-five percent (25%) of Franchisee's voting stock. The County may assign its rights and delegate its obligations under this Agreement to a joint powers authority, district or similar governmental entity without the prior written consent of Franchisee.

15.2 Franchise Assignment

15.2.1 For purposes of this Article when used in reference to Franchisee, "assignment" shall include, but not be limited to:

15.2.1.1 A sale, exchange or other transfer to a third party of at least twenty five percent (25%) of Franchisee's assets dedicated to service under this Agreement;

15.2.1.2 A sale, exchange or other transfer to a third party, including other shareholders, of outstanding common stock of Franchisee which may result in a Change of Control of Franchisee;

15.2.1.3 Any dissolution, reorganization, consolidation, merger, recapitalization, stock issuance or re-issuance, voting trust, pooling agreement, escrow arrangement, liquidation or other transaction to which Franchisee or any

of its shareholders is a party which results in a Change of Ownership or Control of Franchisee;

15.2.1.4 Any assignment by operation of law, including insolvency or bankruptcy, assignment of the benefit of creditors, writ of attachment for an execution being levied against this Agreement, appointment of a receiver taking possession of Franchisee's property, or transfer occurring in the event of a probate proceeding; and

15.2.1.5 Any combination of the foregoing (whether or not in related or contemporaneous transactions) which has the effect of any such transfer or Change of Ownership, or Change of Control of Franchisee.

15.3 Attributes of Franchisee

15.3.1 Franchisee warrants that it has the required expertise, skills, reputation, equipment, understanding, knowledge and capacity of every kind to perform this Agreement. Franchisee acknowledges that this Agreement involves rendering a vital service to County residents and businesses, and that County has selected Franchisee to perform the services specified herein based on:

15.3.1.1 Franchisee's warranty that Franchisee has the required experience, skill and reputation for conducting its Solid Waste Management operations in a safe, effective and responsible fashion, at all times in keeping with applicable local, state and federal Environmental Laws, regulations and best Solid Waste Management practices;

15.3.1.2 Franchisee's financial resources to maintain the required equipment and to support its indemnity obligations to County under this Agreement; and

15.3.1.3 County has relied on each of these factors, among others, in choosing Franchisee to perform the services provided under this Agreement.

15.4 Maintenance of Quality Service

15.4.1 The County is concerned about the possibility that assignment could result in significant rate increases, as well as a change in the quality of service. Accordingly, the following standards have been set to ensure that assignment will result in continued quality service. In addition, County reserves the right to solicit competitive bids for these services if the assignment results in a request by the assignee for rate increases that are higher than the inflationary index and do not reflect value changes in service standards as determined exclusively by County.

15.5 Conditions for Consideration of Assignment

15.5.1 Under no circumstances shall County be obliged to consider any proposed assignment by Franchisee, if Franchisee is in default at any time during the period of consideration. At a minimum, no request by Franchisee for consent to an assignment need be considered by County unless and until Franchisee has met the following requirements:

15.5.1.1 Franchisee has advanced payment to County for estimated expenses to be incurred by County in investigating the suitability of any proposed assignee, and reviewing and finalizing any documentation, which will include, but is not limited to, reasonable attorney's fees and other professional services. Advance payment of the expenses is a condition that must be satisfied prior to County undertaking any review of the propriety of an assignment.

15.5.1.2 Franchisee has furnished County with audited financial statements of the proposed assignee's operations for the immediately preceding five (5) operating years.

15.5.1.3 Franchisee has furnished County with satisfactory proof:

15.5.1.3.1 that the proposed assignee has at least ten (10) years of Solid Waste Management experience on a scale equal to or exceeding the scale of operations conducted by Franchisee under this Agreement;
