

**The County project team and Technical Advisory Committee are planning a field trip to visit two wastewater treatment facilities. Members of the public are also invited to participate. However, space is limited, so we are creating a priority list of people interested in attending. If you are interested in attending this field trip, or have further questions, please contact Genaro Diaz in the County Public Works Dept. at 805-781-5279.**

**What:** Wastewater Treatment Facility Tours

**Where:** Scotts Valley Wastewater Reclamation Facility (near Santa Cruz) and Discovery Bay Solar Sludge Drying Greenhouse (near Stockton)

**When:** Wednesday, September 3, 2008, leave Los Osos at 7am and return around 7 pm (9 total hours driving, 1 hour at each facility, and 1 hour for lunch)

**How:** To be determined: by bus or in private cars, depending on number of travelers

**Who:** TAC members, County project team, Los Osos Community Members (around 25 people max.)

**Why:** See how other communities of similar size to Los Osos are sustainably handling their wastewater products.
