

<b>Condition 67</b>	<b>“No Take” of MBKR</b>
<p>Prior to construction, the County shall formalize a "no take agreement" with the CDFG for the Morro Bay kangaroo rat. The "no take agreement" shall outline a monitoring and contingency plan for the Broderson leachfield, as on-going maintenance of the leachfield may create suitable Morro Bay kangaroo rat habitat.</p>	
<p><b>Evidence of compliance:</b> See condition 56 which contains the May 15, 2012 Board of Supervisors item including the “no take” memorandum of agreement between the CDFG and the County. The MOA has been signed by Dr. Jeffrey R. Single, CDFG Regional Manager and was approved by the Board of Supervisors on May 15, 2012. A copy of the action from the May 15, 2012 Board proceedings is on file with the Department of Planning and Building.</p>	

**Condition Satisfied**
