

Condition 38	Update CAMP Prior to Construction
<p>Prior to commencement of grading activities, an updated air quality emissions analysis consistent with the CAMP and mitigation measures above will be submitted to determine if additional measures (e.g. off-site mitigation) are required to reduce the air quality impact below the levels of significance.</p>	
<p>Evidence of compliance: Please refer to the attached Construction Activity Management Plan (September 2012) and APCD conditional letter of approval (September 21, 2012). The CAMP will be updated as additional contractors begin work.</p>
