PRESS RELEASE

MAIN STREET BRIDGE AT SANTA ROSA CREEK, CAMBRIA – The County of San Luis Obispo Department of Public Works will begin the construction of the new cast in place, post-tensioned, concrete box girder Main Street Bridge to replace the existing bridge. The project includes the new bridge which is wider to accommodate bike/pedestrian lanes in each direction, architectural treatment to enhance esthetics, bridge approach roadway realignment, utility modifications, removal of the existing bridge, drainage improvements and revegetation measures.

The existing bridge will remain in place for most of the duration of construction project providing two-way traffic on Main Street through the project with minimal impact to traffic. There will be occasional lane closures with flagging and one three week period that Main Street will be closed through the project in the summer of 2014.

The construction contract has been awarded to Souza Construction, Inc. of San Luis Obispo in the amount of \$3,562,732. **Work is scheduled to begin after 4th of July weekend in July 2013 and continue until November 2014.**

The project is funded by the Federal Highway Administration Bridge Replacement Program administered by Caltrans, Proposition 1B, Federal Bridge Toll Credits, County Road Fund.
