## Bicycle Advisory Committee

*The Bicycle Advisory Committee promotes the expanded use of bicycle transportation by working together with County staff to develop the County Bikeways Plan, reviewing the Plan and presenting a recommendation to the Board of Supervisors for its adoption; by reviewing the policies and programs related to bicycling in the Circulation Element of the County General Plan and Local Coastal Plan and making recommendations on the goals and their implementation to the Board of Supervisors; and by reviewing the policies and programs related to bicycling in the Bikeways Element of the Regional Transportation Plan and providing input to the Board of Supervisors on the goals and their implementation.*

Welcome to the San Luis Obispo County Bicycle Advisory Committee. On behalf of the other Committee members and staff, I thank you for joining our team. You have been appointed by your Supervisor because you demonstrated a particular desire to serve; specific skills that will add value to the Committee and personal characteristics that made you stand out.

As you prepare for your participation in the BAC, it is suggested that you familiarize yourself with the contents of this website (<http://www.slocounty.ca.gov/PW/Traffic/BAC.htm>) which contains

- information about your duties and responsibilities as a political appointee,
- information relating to the conduct of the Bicycle Advisory Committee and staff, and
- policies that the board has adopted that guide the conduct of the Committee.

You can print a personal copy of

- **SLO BAC contact list**
- **BAC Bylaws, Policies & Procedures**

You will receive a personal copy of the **County Bikeways Plan** at your first meeting, but it is also available online, along with previous minutes and other important online resources

The Committee meets on the second Tuesday of February, May, September and November from 7:00 p.m. until about 9:00 p.m. We expect you to attend all meetings as a quorum is required to conduct business. We will ask you to also join one or more subcommittees dealing with specific topics or issues, to participate in subcommittee meetings and to be prepared to report findings and recommendations back to the Committee for action.

Once again, welcome aboard and thank you for serving.
