If you have evidence that the value of your property as of January 1 is less than the current assessed value, please provide the information requested below and return this application to the Assessor's Office. Section 5. Signature

Your property taxes are still due by the delinquent date that is printed on the bill from the Tax Collector. The filing of an assessment review or an assessment appeal does not alter or delay the date taxes are due. The Tax Collector will add interest and penalties to the amount you owe if your payment is late.

I have read and understood the statement above. I agree to allow the Assessor's staff to inspect the property including the interior of any structures. If a complete inspection is necessary, a Deputy Assessor will call to set up an appointment.
