County of San Luis Obispo CUPA Hazardous Waste Small Quantity Generator Annual Self Certification

This form is for facilities that generate less than 27 gallons of hazardous waste per month (e.g. used oil, waste antifreeze, etc.). If your facility qualifies to use this form, you will be exempt from an annual physical inspection and will be charged a reduced fee. Failure to complete and return this form along with copies of disposal or recycling documentation will result in an inspection being conducted and an increased fee.

Facility Name:	Date:
Facility Address:	Contact Person:
	Title/Position:
Type of Facility:	Phone Number:

Date of Service	Disposal Contractor or Collection Facility	Type of Waste	Quantity (in gallons)

Attach copies of all disposal and recycling records from the previous calendar year. Retain original receipts for your records.

> Mail form to: San Luis Obispo County Environmental Health Certified Unified Program Agency P.O. Box 1489 San Luis Obispo, CA 93406

> > Questions? Call (805) 781-5544

I certify, under penalty of perjury, that all hazardous wastes have been collected for recycling or disposal by the contractor(s) or at the collection facilities listed above and that the above information is true and accurate.
