New Landscaping Requirements

How large is your proposed landscape area?

Less than 500 sq ft

Exempt from

Landscape

Ordinance Requirements 500 sq ft or greater

Is your total water requirement met with greywater or captured rainwater?

Yes

Due to Executive Order B-29-15, the

Landscaping Requirements of SLO

County have been updated to follow
the State Model Water Efficient

Landscape Ordinance
(MWELO). The flowchart
will tell you whether a
project must comply
with this ordinance
and which
packet is
needed

Only Irrigation Standards Required How large is your proposed landscape area?

Under 2,500 sq ft

No

2,500 sq ft or greater

This ordinance aims to conserve outdoor water by limiting lawns and encouraging the use of low-water use plants.
