STATEMENT OF CANDIDATE FOR GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 3 San Luis Obispo County Community College District PATRICK W. MULLEN Age: 45	STATEMENT OF CANDIDATE FOR GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 4 San Luis Obispo County Community College District MARQUIS "MARQ" MILLER
Occupation: Appointed Incumbent/Governmental and Community Relations	Occupation: Businessman
Director Education and Qualifications: As a current Cuesta trustee, 23 year county resident, and former Cuesta student and Cal Poly graduate, I am committed to ensuring Cuesta College remains one of the premier community colleges in the state. I am working hard to support more stable funding for the college and to improve relations with faculty, staff and the community. I still have much enthusiasm and energy to contribute to educating our students and training	Education and Qualifications: I appreciate the community college system; this is where my higher education began. Cuesta College is vital to our community and the growth of its citizens by providing the opportunity for vocational training and preparation for acceptance into the four year colleges and universities. I recognized that Cuesta College needs additional funding to meet it obligations. However, in my opinion, during this or future times of economic uncertainty it is fiscally irresponsible to place a bond on the ballot which will increase the taxpayer's burden. Your support will be a vote for me to do the following:
future community leaders. My educational background includes a bachelor's and master's degree in business administration from Cal Poly, San Luis Obispo. My professional background of more than 26 years experience in management, regulatory and governmental permitting, media and community relations provides me with the personal and communication skills to help resolve conflicts and build consensus among diverse groups and perspectives. This	-Vote NO on future motions for general obligation bond measures -Establish a fiscal budget watchdog committee -Expand vocational training -Develop a housing program for students and faculty at no taxpayer cost -Establish a revenue raising/cost cutting program -Ensure low cost education is available -Continue a cooperative relationship with other Agencies
combination of experience, dedication and skill will allow me to help build morale, teamwork and the programs vital to Cuesta's mission of life-long learning, education and job training. A father of three school age children, I also have a personal commitment to ensuring Cuesta remains a great college and valuable community asset. I ask for your vote on November 7.	My public service as Director and Personnel Commissioner for the County Office of Education and Oceano CSD director coupled with my A.A., B.S. and J.D. degrees will be a guiding light to my path of leadership and fiscal responsibility in support of Cuesta College, its students, faculty and the Citizens of San Luis Obispo County.
