# CAMPAIGN FINANCE REFORM

Among all state legislative candidates appearing on the ballot in San Luis Obispo County, only the candidates listed below have pledged to abide by campaign spending limits as specified in the California Government Code. This is a result of Proposition 34 adopted by the voters at the November 2000 General Election, and of a new statute passed by the Legislature and signed by the Governor in 2001.

Candidates agreeing to the campaign spending limits also have the opportunity to have a Statement of Qualifications printed in the local sample ballot booklet, at their own expense.

<b>Education and Qualifications:</b> I'm a graduate of Cal Poly San Luis Obispo. I know first hand how to achieve efficiency in government while being accountable and fiscally responsible.	Education and Qualifications: I'm running for Assembly because Sacramento politicians refuse to make the tough but necessary decisions to balance our budget. As a professional accountant, auditor
As County Supervisor, for 12 consecutive years I helped make the tough cuts needed to balance \$450 million budgets and helped build up \$80 million in reserves without raising taxes. I brought my expertise as a small business owner of 33 years to my government work to create new jobs and to keep good jobs from leaving the central coast. I lead by example and have opposed every effort to raise my pay on the Board.	and former professor at Cal Poly-San Luis Obispo I know state government can manage our tax dollars better. I've dedicated my professional life to helping small businesses and local governments operate more effectively. I know government can live within its means, just as every family must, and use its limited resources more efficiently, just as every business must.
I will take these conservative values and experience to Sacramento and get our fiscal house in order. I will work to pass real reforms that tie the hands of big spending liberal politicians by imposing a strict cap on spending and will audit government bureaucracy to root out waste, fraud and abuse.	Democrats and Republicans alike need to learn how to set aside the partisan bickering and polarization to do their jobs - balance the budget without excessive borrowing or punitive taxes on middle class Californians, make the bureaucracy more efficient, and get the economy moving again. I am proud to say that we have done just that on the Santa Maria City Council.
Conservatives know they can count on me to protect Proposition 13, oppose job killing tax hikes and fight excessive regulations. I have received the endorsement of Congressman Kevin McCarthy, Californian Republican Taxpayers Association, California Association of Highway Patrolmen, Crime Victims United, and the Small Business Association. Join my fight to clean up Sacramento, stop deficit spending and get California back to work.	A lifelong resident of the Central Coast, I attended Head Start, graduated from local public schools and Cal Poly-San Luis Obispo, and received a master's degree from Harvard University. I served as a School Board Trustee for five years. I want every young Californian to have this same opportunity to fulfill their potential with an excellent education, a good job, and a safe neighborhood to raise a family.
Visit: Katchoforassembly.org	In Sacramento, I will not enjoy making budget cuts, but I pledge to help restore civility in the Capitol and refocus the Legislature on balancing the books and rebuilding California in a way that upholds our shared values.

one of the most important duties a society fulfills, not just for the

students, but for the countless individuals who dedicate their lives to the

service of public education. As a long-time resident, active volunteer,

and parent, I have had the opportunity to see first hand the hard work

put in by staff and the opportunities afforded our children. The current

fiscal crisis may have limited the resources afforded local education officials, but it hasn't dampened the spirit of those who've committed

I have always tried to play an active role in supporting the education

community. I've been involved with PTA, coached AYSO, worked as an

art docent, served as a crossing guard, and offered my services as a

counselor and mentor for students that need the support of a caring

adult. I have a great respect for the people that make the Paso Robles

Joint Unified School District what it is, and if elected I will serve as a

tireless advocate of the children, parents, and staff who've invested so much in our local schools. I hope you'll allow me an opportunity to serve

their lives to this endeavor.

as your elected representative.

Age: 40

Occupation: Retired Sales Representative - Agricultural Products Education and Qualifications: After receiving my Master of Science

Degree in Agronomy I began my professional career Education. After 5 years I took a sales representative position in agricultural chemicals with Chevron. I transferred to the Paso Robles area 24 years ago. Our three children were educated in the school district here. All three received a good education and two have gone on to achieve a Master of Science Degree. The youngest is working on his Bachelors Degree.

What I bring to the table is business experience. My 26 years as a sales representative has provided a great education in fiscal responsibility and accountability. I have set and achieved goals with dwindling budgets. My last 3 years were my most productive with the least amount of expense budget. I know how to look for creative ways to be productive while being prudent. With the recent budget cuts, these are times when prudential business decisions need to be made while providing quality education and motivation of the students. I am committed to achieving those goals.

As your school board member I will work for: Fiscal Responsibility and Accountability for the spending of tax dollars and Accountability for the Education of the Students.

#### STATEMENT OF CANDIDATE FOR GOVERNING BOARD MEMBER Paso Robles Joint Unified School District

FIELD R. GIBSON

**ROBERT WELTY** 

Occupation: Insurance Broker, Certified Risk Manager

**Education and Qualifications:** I have been an active volunteer in our community and school district for over 30 years. My children have all been students in the Paso Robles schools.

I have a Business degree in Finance & Property Management from Cal Poly. My career has involved finance, managing risk for businesses, budgeting, contracts, and financial planning. My formal education and business experience will be an asset to the board as we face significant budget constraints and declining enrollment.

Our school district is failing to meet Federal mandates towards student performance and our budget is "qualified", indicating the school district may not meet its financial obligations. I believe that we can do better.

The education of our children should be our primary objective and the focus should be on student achievement outcomes. We need to: 1) Set high academic expectations and help students prepare for success in their future, 2) Empower our teachers to develop comprehensive and effective programs designed to improve student performance, and 3) Improve community outreach, with more transparency and accountability.

As part of our educational opportunity, we should also recognize the importance of our programs for music, drama, FFA, Skills USA, vocational skills and sports.

I would appreciate your vote.

#### STATEMENT OF CANDIDATE FOR GOVERNING BOARD MEMBER Paso Robles Joint Unified School District W. JAY PACKER

**Occupation:** Retired Educator/Incumbent

**Education and Qualifications:** To prepare our students for the future, I will foster a quality learning environment for our children. I will make sure that our classrooms are ready to take advantage of the training and new technologies to prepare our students to compete and prosper in this new century.

Currently the Paso Robles School District has received state budget cuts of up to 20%. As your trustee every effort will be made to insure equality is made across the board when cuts are made or restoration is implemented. I will continue to create accountability in the district from curriculum to finance.

As your school board member I will bring the experience of having worked in education from 1974 to 2004, serving on the Paso Robles Main Street Board of Director for four years, and most recently serving as a Board Member in the Paso Robles Joint Unified School District from 2006 to the present. I will continue to maintain the high level of trust that goes into being your trustee. Most of all I will use my passion for the youth of our community to insure that their voice is heard and represented. That parents are listened to and teachers are found inspiring our children.

<b>Education and Qualifications:</b> The time has come for voters to stand tall and send a clear message that new leadership is necessary for our city to move forward. My experience and skills will bring new energy and direction. It's urgent that we act now before the city finds itself in financial ruin.	Education and Qualifications: After working in this city for twenty years, I want to give back. I have put the thought and time into being a City Councilman for Paso Robles.
We are all proud members of a community we care about. But we have serious issues that will simply not go away on their own. The continuing water-sewer issue cannot be avoided. The business community needs elected officials willing to work toward solutions for a better economy. The needs of our senior citizens, our youth, every one of us are of equally great concern.	the tasks at hand done, first hand. Being in the mortgage/real estate industry, I have worked for and with people handling the biggest investment they own, their home. I have based my business on availability. If you call or visit my office, I am there to discuss most issues good and bad.
For years I've spoken passionately about each of these issues. Why? I care about the people in my Paso Robles community. With your support and a productive city council, I will lead the way to a swift and responsible recovery.	This will be carried on in my work on the Council. Paso Robles is a great place to live and work. I am concerned about improving what we have and ask for the vote of all of the concerned citizens in our city.
As Mayor, I will provide careful deliberation and decisive action without adding to the fiscal crisis we already face.	Thank you.
It is time for real leadership, progress and accountability; this is my pledge and promise. I'm Gary Nemeth and I ask for your vote for Mayor.
