**DISASTER RECOVERY CENTER TO OPEN IN OCEANO**

San Luis Obispo, CA – On Thursday, June 22 a Disaster Recovery Center (DRC) will open in Oceano to provide resources to residents who were affected by the February and March storms. The DRC is a partnership between the Federal Emergency Management Agency (FEMA), Governor's Office of Emergency Services (Cal OES), and County of San Luis Obispo.

The DRC will be open Thursday, June 22 through Monday, June 26 from 9:00 AM to 7:00 PM at the Oceano CSD Board Room, 1655 Front Street in Oceano. Residents who experienced damage to their homes or businesses can get help applying for federal assistance and disaster loans, update applications, and learn about other resources that are available. Spanish and ASL interpreter services will be present. An additional DRC will be opening soon to accommodate residents in the northern part of the county.

To apply online for assistance, visit [disasterassistance.gov](https://disasterassistance.gov). You may also use the [FEMA mobile app](#) or call 1-800-621-3362. The line is open every day from 7 a.m. to 11 p.m. ET. Help is available in most languages.
