READY

KNOW YOUR RISK

Determine whether your home, school, or work is in an area likely to flood during severe weather. Links to FEMA flood maps can be found on www.slocounty.ca.gov/oes.

PROTECT YOUR PROPERTY

Most standard homeowner insurance doesn't cover flooding.

Visit www.floodsmart.gov for information on the National Flood Insurance Program.

PREPARE YOUR FAMILY

- Create an Emergency Supply Kit. Visit www.ready.gov/build-a-kit.
- Practice how you will communicate with your family during an emergency.
- Know your evacuation routes, plan your transportation, and a place to stay.

STAY INFORMED

Utilize a NOAA All Hazards Weather Radio and tune into your local radio and television stations for the latest forecast and emergency information.
