#### Important Messages:

1. **Pesticide Use Reporting Requirements:** Maintenance Gardeners must submit monthly use reports each month by the 10th day of the following month from the application. A Negative Use Report is required for those months during which no pest control work is performed and is also due by the 10<sup>th</sup> day of the following month.
2. **Carbaryl:** As of August 1, 2020, Carbaryl (Sevin) is a California Restricted Material and can only be applied by a certified applicator. Please contact this Department for more information.
3. **Licensing:** We continue to find unlicensed maintenance gardeners. We encourage you to report suspected unlicensed activity. We accept anonymous calls at (800) 528-9333 or call our main office at (805) 781-5910.
4. **California Code of Regulations 6602, Labeling Available at Use Site:** A copy of the registered labeling that allows the manner in which the pesticide is being used shall be available at each use site. Digital or physical formats are acceptable, however if an electronic device fails and the digital format cannot be viewed, then the user is in violation of 6602.
