Application for "Decline-in-Value" Reassessment (Prop 8)

Please complete all sections of this form including the back side.

Section 51 of the California Revenue and Taxation Code authorizes the Assessor to lower the value of any real property where the assessed value is greater than the market value as of the January 1 lien date. If you have evidence that the value of your property as of January 1 is less than the current assessed value, please provide the information requested below and return this application to the Assessor's Office. It is the goal of the Assessor to review all timely filed applications and notify applicants of the findings as quickly as possible. Applications for decline-in-value received after December 31 will be considered for the next tax year.

Please read the attached information sheet, which explains the review procedure and the assessment appeal process. You should read the information carefully before deciding which action is appropriate for your situation. If you have any questions, please call this office at (805) 781-5643 or (805) 461-6143.

IMPORTANT: This is not an assessment appeal. Submission of this application does not extend the period to file a timely assessment appeal application. The filing period for an appeal begins July 2nd and ends September 15th for the current tax year. Applications are available from the County Clerks office.

Section 5. Signature

Your property taxes are still due by the delinquent date that is printed on the bill from the Tax Collector. The filing of an assessment review or an assessment appeal does not alter or delay the date taxes are due. The Tax Collector will add interest and penalties to the amount you owe if your payment is late.

I have read and understood the statement above. I agree to allow the Assessor's staff to inspect the property including the interior of any structures. If a complete inspection is necessary, a Deputy Assessor will call to set up an appointment.
