Property Owner's Statement of Well Construction

PERMIT DESCRIPTION

We have observed new construction or have been notified that a permit was issued for the property identified above. The Assessor is required by law to gather information regarding all new construction for property tax purposes.

To properly assess your property, an on-site inspection by an appraiser is necessary. This questionnaire has been designed to assist the appraiser with the valuation of your new construction. Please complete this form and return it in the envelope provided, no later than 15 days following completion of the project. *If necessary, please forward this statement to the party responsible for the new construction.* Should you have any questions regarding this form, please call (805) 781-5643 or if located in the North County call (805) 461-6143.

INSTRUCTIONS:

- A. If this well is a replacement well (drilled to replace a failing or dry well), complete sections 1 through 5 and sign the back.**
- B. If this well is the sole well, or in addition to existing functional wells, complete sections 1 and 2 and sign the back.**
