RECOMMENDATION

It is recommended that the Board receive the item and file.

DISCUSSION

As directed by California Government Code Sections 26920 and 26922, an unannounced cash procedures review was conducted at the County Treasurer's Office, and cash funds of \$194,617.93 were accounted for and balanced to the Treasurer's Daily Cash Report. Investments in the County Treasury totaled \$502,982,522.58 and were reconciled from investment reports to the Treasurer's Daily Report. The investments were also reviewed and found to be in compliance with the current County Treasury's Investment Policy. Total funds in the County Treasury on December 20, 2012 were \$644,501,400.91.

The progress and results of our review were delayed due to the need to reassign staff to perform the State mandated agreed-upon procedures audits required by ABX1 26 which dissolved redevelopment agencies throughout the State.

OTHER AGENCY INVOLVEMENT/IMPACT

The cash procedures review was conducted at the County Treasurer's Office.

FINANCIAL CONSIDERATIONS

Our review verified that funds reported by the Treasurer's Office equaled cash on hand and funds held by financial institutions.

RESULTS

The Auditor-Controller's program of quarterly cash procedures reviews of the Treasury fulfills Government Code requirements and informs the Board of Supervisors and the public on the status of the County Treasury.

SUBJECT: CASH PROCEDURES REVIEW OF THE TREASURER'S OFFICE CONDUCTED ON
DECEMBER 20, 2012

Purpose

The objective of our review was to establish accountability for the cash and investments at the time of our unannounced cash count and to determine compliance with the Treasurer's Investment Policy.

Methodology

Our review included physically counting all cash on hand for December 20, 2012 and reconciling the amount to the department's accountability figures. We reviewed investment reports and verified they were accurately reported on the Treasurer's Daily Report for the date of our review. In addition, we recalculated a sample of investments to determine if the carrying values were accurately reported. Our review also included a limited evaluation of legal compliance with the Treasurer's Investment Policy.

Results

CASH FUNDS

We determined all cash funds and investments, in all material respects, to be in balance at the time of our count, and the Treasurer's Office is in general compliance with the Treasurer's Investment Policy.

We appreciate the courteous attitude of your staff and the cooperation we received during the course of our review.
