| <p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR DIRECTOR</b><br/><b>Los Osos Community Services District</b></p> <p><b>ED OCHS</b><br/><b>Occupation:</b> Editor/Publisher, The Rock Newspaper</p> <p><b>Education and Qualifications:</b> I am a graduate of Syracuse University with a degree in English. I have managed large departments of major national corporations. I bring unique skills to my work that have enabled me to be very successful. I am now an entrepreneur building a business in Los Osos.</p> <p>I am running for the LOCSD to create common ground and heal a divided community with strong, compassionate leadership. People know me primarily through my extensive writings in The Rock (www.rockofthecoast.com). The Rock was created “to fill a void with all the news that’s been missing.” As a LOCSD director, I will do the same thing—fill a void. It’s time for a change in leadership in Los Osos and leadership for a change. Past approaches and solutions haven’t worked for everyone in Los Osos. I promise to listen—and hear—every voice, from the oldest to the youngest. I know how to bring out the very best in people and how to bring people together to work in peace. I know what I know and what I don’t know, and I know where to find the experts, make intelligent, thoughtful decisions and exercise sound judgment—and do what’s best for Los Osos.</p> <p style="text-align: right;">s/ Edward A. Ochs</p>  | <p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR DIRECTOR</b><br/><b>Los Osos Community Services District</b></p> <p><b>AL BARROW</b> <span style="float: right;"><b>Age: 69</b></span><br/><b>Occupation:</b> President of Citizens for Affordable and Safe Environment</p> <p><b>Education and Qualifications:</b> The USEPA advised sewerage Los Osos in high ground water areas combined with a septic tank management program to insure all systems are operating right.</p> <p>I am working on these programs now. I was instrumental in the Ripley STEP Collection update alternative and I support using agricultural exchange of water that has nitrogen above the drinking water standard. It is fast and affordable to all who live here and will clean up our drink water supply which we are losing to seawater intrusion from over use.</p> <p>I have been on record supporting affordable and sustainable systems. The USEPA 1994 Los Osos evaluation recommended small cluster plants in problem areas.</p> <p>I successfully instigated and supported measure B giving you the right to vote on the sewer and location it has been challenged in court and is being defended. I promise to support your rights to vote and due process, which has been challenged by recent legislation.</p> <p>Directors need a lot of time and energy. I have that to give you and for the last 8 years have promoted these values effectively.</p> <p>Open honest government is my highest priority.</p> <p>Please contact <a href="http://www.case-environmental.org">www.case-environmental.org</a> 534-0800</p> <p style="text-align: right;">s/ Al Barrow</p>   |
| <p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR DIRECTOR</b><br/><b>Los Osos Community Services District</b></p> <p><b>CHUCK CESENA</b> <span style="float: right;"><b>Age: 52</b></span><br/><b>Occupation:</b> Environmental Planner/Incumbent</p> <p><b>Education and Qualifications:</b> I am a 22 year resident and homeowner in Los Osos and have served as an Environmental Planner with the State Department of Transportation for 28 years.</p> <p>My job duties include writing environmental documents for major highway projects, securing federal, state and local agency permits, monitoring projects during/after construction and ensuring regulatory compliance with federal and state laws.</p> <p>For the past year, I have served on the LOCSD Board of Directors and have done everything possible to ensure that our wastewater project would be both environmentally sound and cost effective.</p> <p>The downtown TriW project (with \$30 million in deferred costs, costing homeowners \$ 205+/month) was neither – that is why I ran for office. I don’t believe it will ever be possible to build this project downtown, nor is it prudent to build an environmental and economically unsound project downtown in an attempt to control growth.</p> <p>The environmentally superior options identified during the development of the TriW project are amazingly similar to the concepts identified in our recently released project report update. I believe this project will be the cost effective long-term solution to our water issues and pledge my efforts to ensure its implementation.</p> <p style="text-align: right;">s/ Chuck Cesena</p> | <p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR DIRECTOR</b><br/><b>Distrito de Servicios Comunitarios de Los Osos</b></p> <p><b>CHUCK CESENA</b> <span style="float: right;"><b>Age: 52</b></span><br/><b>Ocupación:</b> Planificador Ambiental/Titular</p> <p><b>Educación y Competencia:</b> Soy residente desde hace 22 años y propietario de casa en Los Osos y me he desempeñado como Planificador Ambiental con el Departamento de Transporte Estatal durante 28 años.</p> <p>Mis responsabilidades laborales incluyen redactar documentos ambientales para proyectos de autopistas principales, asegurar los permisos de las agencias federales, estatales y locales, controlar los proyectos durante/después de la construcción y asegurar el cumplimiento normativo de las leyes federales y estatales.</p> <p>Durante el último año, me he desempeñado en la Junta Directiva del LOCSD y he hecho todo lo posible para asegurar que nuestro proyecto de aguas residuales sea ambientalmente firme y rentable.</p> <p>El proyecto TriW del centro de la ciudad (con \$30 millones en costos diferidos, que le cuestan a los propietarios de casa \$ 205+/mes) no fue así en absoluto – por eso me postulo. No creo que sea posible construir este proyecto del centro de la ciudad, ni es prudente construir un centro de la ciudad poco sólido ambiental y económicamente como intento de controlar el crecimiento.</p> <p>Las opciones ambientalmente superiores identificadas durante el desarrollo del proyecto TriW son sorprendentemente similares a los conceptos identificados en nuestra actualización del informe del proyecto publicada hace poco. Creo que este proyecto será la solución rentable a largo plazo de nuestros problemas hídricos y prometo mis esfuerzos para asegurar su implementación.</p> <p style="text-align: right;">f/ Chuck Cesena</p> |

| <p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR DIRECTOR</b><br/><b>Los Osos Community Services District</b></p> <p><b>JEFF EDWARDS</b> <span style="float: right;"><b>Age: 50</b></span><br/><b>Occupation:</b> Land Planner</p> <p><b>Education and Qualifications:</b> Leadership is the ability to make decisions without knowing for sure whether they are the best. As a community, we have agonized over how to best provide wastewater services for well over 20 years. To date, between the County and the LOCSD almost \$30 million has been spent towards a solution.</p> <p>The time has come for leadership to return to the LOCSD Board. I believe I am qualified to address the sewer issue as well as numerous other infrastructure deficiencies. I have lived in Los Osos for over 25 years. My professional experience in the private sector equips me with the aptitude to run government like a business.</p> <p>I did not originally support the formation of a CSD; however, it would be a shame to give up what local control we have now and return to the days of old, simply calling it a "failed experiment".</p> <p>As a district Board Member I will work to advance the wastewater project immediately. Fundamentally, a new site (out-of-town) for the treatment facility must be secured as soon as possible.</p> <p>In exchange for your vote I promise to exhibit leadership, bring diversity to the Board of Directors and represent the broadest constituency throughout the community.</p> <p style="text-align: center;">s/ Jeff Edwards</p> | <p style="text-align: center;"><b>DECLARACIÓN DE CANDIDATO PARA DIRECTOR</b><br/><b>Distrito de Servicios Comunitarios de Los Osos</b></p> <p><b>JEFF EDWARDS</b> <span style="float: right;"><b>Edad: 50</b></span><br/><b>Ocupación:</b> Planificador de Terreno</p> <p><b>Educación y Competencia:</b> El liderazgo es la capacidad para tomar decisiones sin saber con certeza si son las mejores. Como comunidad, nos ha costado mucho encontrar la mejor manera de brindar servicios de aguas residuales durante más de 20 años. Hasta la fecha, entre el Condado y el LOCSD se han gastado casi \$30 millones para obtener una solución.</p> <p>Ha llegado el momento de que regrese el liderazgo a la Junta del LOCSD. Me considero capacitado para afrontar el problema de alcantarillado así como también muchas más deficiencias de infraestructura. He vivido en Los Osos durante más de 25 años. Mi experiencia profesional en el sector privado me provee de la aptitud para dirigir al gobierno como un negocio.</p> <p>En un principio no apoyaba la formación de un CSD; sin embargo, sería una lástima entregar el control local que ahora tenemos y regresar a los días de antaño, sencillamente llamándolo un "experimento fallido".</p> <p>Como Miembro de la Junta del distrito trabajaré para promover de inmediato el proyecto de aguas residuales. Básicamente, se debe asegurar lo más pronto posible un nuevo sitio (fuera de la ciudad) para la instalación de tratamiento.</p> <p>A cambio de su voto prometo exponer liderazgo, aportar diversidad a la Junta Directiva y representar al electorado más amplio en toda la comunidad.</p> <p style="text-align: center;">f/ Jeff Edwards</p> |
| <p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR DIRECTOR</b><br/><b>Los Osos Community Services District</b></p> <p><b>LYNETTE TORNATZKY</b> <span style="float: right;"><b>Age: 59</b></span><br/><b>Occupation:</b> Homemaker</p> <p><b>Education and Qualifications:</b> I earned a BFA from UCLA in 1986 and have worked in retail, print media, and as a buyer with private industry and business in the Los Angeles area for 25 years. I have been successful in managing people, budgets and projects.</p> <p>I became a consultant on a part time basis after moving to Los Osos in 2005, and have now become well-versed in the public policies and legal framework relevant to this position.</p> <p>I bring a willingness to work hard on restoring peace to Los Osos.</p> <p>I am 59 years old and married.</p> <p style="text-align: center;">s/ Lynette Tornatzky</p>  | <p style="text-align: center;"><b>STATEMENTS<br/>CONTINUED<br/>ON NEXT<br/>PAGE</b></p>   |

**STATEMENT OF CANDIDATE FOR  
DIRECTOR  
Los Osos Community Services District**

**ROB SHIPE**

**Age: 38**

**Occupation:** Business Owner

**Education and Qualifications:** My wife and I moved to Los Osos in 1993 to start our family. Our family enjoys youth track & field, boogie boarding and Raider Football. If elected I will use my family values to serve Los Osos.

Our janitorial company is one of the 10 largest in SLO County. We are invited members of the Better Business Bureau. We established our company on principals of Honesty, Quality and Accountability. If elected I will use these principals to guide my actions.

I have a good working relationship with the Regional Water Quality Control Board and other government agencies. As one of the 45 CDO Defendants, I understand when to negotiate and when to fight. If elected, I will use these relationships to help protect Los Osos.

I am not on any "side". I believe the best solutions come by bringing all parties together, to find answers the vast majority will support.

Elect Rob Shipe for LOCSD Director and I will use my life, business and government experience to bring solid leadership to the LOCSD, improved relations with the other government agencies, and a better future to Los Osos.

I ask for your vote on November 7th.

Thank you,

s/ Rob Shipe

**STATEMENT OF CANDIDATE FOR  
DIRECTOR  
Los Osos Community Services District**

**MARIA M. KELLY**

**Age: 39**

**Occupation:** Community Volunteer

**Education and Qualifications:** My name is Maria Kelly. I live in Los Osos with my husband, family and friends. I earned a Bachelor of Science Degree in Liberal Studies, awarded by Oregon State University in 1991, and am now working towards becoming a Certified Paralegal. I have been involved in civic issues for over 15 years, and am currently the Auditor for the 24<sup>th</sup> District PTA Board.

I strongly believe in local responsibility and management to resolve community issues. When elected to the Los Osos CSD Board of Directors I intend to:

Strengthen local control over community issues by working to repair the District's financial credibility.

Create positive working relationships within the Community, the District's staff and other governmental agencies.

Progressively support needed services for our Community's evolving needs.

Vote for Maria Kelly on Election Day.

s/ Maria M. Kelly
