CAMPAIGN FINANCE REFORM

Among all state legislative candidates appearing on the ballot in San Luis Obispo County, only the candidates listed below have pledged to abide by campaign spending limits as specified in the California Government Code. This is a result of Proposition 34 adopted by the voters at the November 2000 General Election, and of a new statute passed by the Legislature and signed by the Governor in 2001.

Candidates agreeing to the campaign spending limits also have the opportunity to have a Statement of Qualifications printed in the local sample ballot booklet, at their own expense.

<p style="text-align: center;">STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 23rd CONGRESSIONAL DISTRICT</p> <p>TOM WATSON Age: 50 Occupation: Retired Naval Officer/High Tech Entrepreneur</p> <p>Education and Qualifications: We have a historic opportunity this year to return control of the Government to the People. Career politicians in Washington have been spending borrowed money at an alarming rate and passing controversial legislation that our children are going to have to pay for and that the People don't want. They are ignoring the will of their constituents.</p> <p>My candidacy is not about party; it's about policy. It is about whether or not we are going to bankrupt our country and our children, or leave them a country of opportunity like the generations before have bestowed upon us. We need to get back to the basics – back to what made this Nation great: individual liberty, free market entrepreneurial capitalism and limited government. I will fight to reduce spending across the board, keep taxes low, preserve our liberties and ensure our national defense remains strong.</p> <p>Bachelor of Science US Naval Academy; Master of Science Systems Management, USC; Master of Science Aeronautical Engineering, US Naval Postgraduate School; Graduate US Naval Test Pilot School, Graduate of TOPGUN</p> <p>Retired Naval Officer and flier. <p style="text-align: center;">STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 23rd CONGRESSIONAL DISTRICT</p> <p>JOHN V. HAGER Occupation: Attorney/Business Owner</p> <p>Education and Qualifications: I have lived in Santa Barbara with my wife Julie, a hospice nurse, since 1994. Together we have guided our five children through local, public schools. I founded the Hager & Dowling law firm in 1997 and its charitable foundation in 2006.</p> <p>I have spent over 30 years helping clients solve problems. I deal with disputes every day and resolve them by candid communication with clients, adversaries, and judges. I will bring this experience to Congress to fix the problems that Congress has either created or ignored.</p> <p>Both parties in Congress have: (1) passed laws to benefit those with money and power; (2) spent money we do not have; (3) pandered to voters to get themselves reelected. Party politicians focus on reelection instead of dealing with the budget, unemployment, our environment, tax system, immigration and the financial sector.</p> <p>I have run an independent campaign and accepted only small contributions (maximum \$250). Electing me will send a message of campaign reform—that big money doesn't always win.</p> <p>We need independent leadership from one who can think independently and not just follow party mantra. To learn more about me and what I will do, please visit: www.hagerforcongress.org.</p> <p>Do you feel that you and our nation are better off today than we were 10 years ago? If not, I offer you a new choice. If you agree that both parties have done poorly by us and need a wake-up call – let me be your voice.</p>	

<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF THE STATE ASSEMBLY 33rd District</p> <p>K. H. "KATCHO" ACHADJIAN Age: 59 Occupation: San Luis Obispo County Supervisor, Businessman</p> <p>Education and Qualifications: I'm a graduate of Cal Poly San Luis Obispo. I know first hand how to achieve efficiency in government while being accountable and fiscally responsible.</p> <p>As County Supervisor, for 12 consecutive years I helped make the tough cuts needed to balance \$450 million budgets and helped build up \$80 million in reserves without raising taxes. I brought my expertise as a small business owner of 33 years to my government work to create new jobs and to keep good jobs from leaving the central coast. I lead by example and have opposed every effort to raise my pay on the Board.</p> <p>I will take these conservative values and experience to Sacramento and get our fiscal house in order. I will work to pass real reforms that tie the hands of big spending liberal politicians by imposing a strict cap on spending and will audit government bureaucracy to root out waste, fraud and abuse.</p> <p>Conservatives know they can count on me to protect Proposition 13, oppose job killing tax hikes and fight excessive regulations. I have received the endorsement of Congressman Kevin McCarthy, Californian Republican Taxpayers Association, California Association of Highway Patrolmen, Crime Victims United, and the Small Business Association. Join my fight to clean up Sacramento, stop deficit spending and get California back to work.</p> <p>Visit: Katchoforassembly.org</p>	<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF THE STATE ASSEMBLY 33rd District</p> <p>HILDA ZACARIAS Age: 49 Occupation: Accountant, Businesswoman, Councilmember</p> <p>Education and Qualifications: I'm running for Assembly because Sacramento politicians refuse to make the tough but necessary decisions to balance our budget. As a professional accountant, auditor and former professor at Cal Poly-San Luis Obispo I know state government can manage our tax dollars better.</p> <p>I've dedicated my professional life to helping small businesses and local governments operate more effectively. I know government can live within its means, just as every family must, and use its limited resources more efficiently, just as every business must.</p> <p>Democrats and Republicans alike need to learn how to set aside the partisan bickering and polarization to do their jobs - balance the budget without excessive borrowing or punitive taxes on middle class Californians, make the bureaucracy more efficient, and get the economy moving again. I am proud to say that we have done just that on the Santa Maria City Council.</p> <p>A lifelong resident of the Central Coast, I attended Head Start, graduated from local public schools and Cal Poly-San Luis Obispo, and received a master's degree from Harvard University. I served as a School Board Trustee for five years. I want every young Californian to have this same opportunity to fulfill their potential with an excellent education, a good job, and a safe neighborhood to raise a family.</p> <p>In Sacramento, I will not enjoy making budget cuts, but I pledge to help restore civility in the Capitol and refocus the Legislature on balancing the books and rebuilding California in a way that upholds our shared values.</p> <p>www.hildazacarias.com</p>
<p style="text-align: center;">DECLARACIÓN DE CANDIDATO PARA MIEMBRO DE LA ASAMBLEA ESTATAL Distrito 33</p> <p>K. H. "KATCHO" ACHADJIAN Edad: 59 Ocupación: Supervisor del Condado de San Luis Obispo, Hombre de Negocios</p> <p>Educación y Competencia: Me gradué de Cal Poly San Luis Obispo. Tengo conocimiento de primera mano sobre cómo lograr la eficiencia en el gobierno sin dejar de rendir cuentas y ser fiscalmente responsable.</p> <p>Como Supervisor del Condado, durante 12 años consecutivos he ayudado a realizar los difíciles recortes necesarios para equilibrar los presupuestos de \$450 millones y he ayudado a acumular \$80 millones en reservas sin aumentar los impuestos. Aporté mi experiencia como dueño de pequeña empresa de 33 años al trabajo de mi gobierno para crear nuevos empleos y evitar que los buenos empleos dejen la costa central. Lidero con el ejemplo y me he opuesto a todos los esfuerzos por aumentar mi paga en la Junta.</p> <p>Llevaré estos valores y experiencia conservadores a Sacramento y pondré en orden nuestra casa fiscal. Trabajaré para aprobar reformas reales que atarán de manos a aquellos políticos liberales que hacen grandes gastos mediante la imposición de un estricto límite sobre los gastos y auditaré la burocracia gubernamental para eliminar el malgasto, el fraude y el abuso.</p> <p>Los conservadores saben que pueden contar conmigo para proteger la Propuesta 13, oponerme a los aumentos de impuestos que eliminan empleos y luchar contra las regulaciones excesivas. He recibido el apoyo del Congresista Kevin McCarthy, la Asociación de Contribuyentes Republicanos de California, la Asociación de Policías de Carretera de California, Víctimas de Crímenes Unidos y la Asociación de Pequeños Negocios. Únase a mi lucha para limpiar Sacramento, detener los gastos deficitarios y poner a California nuevamente a trabajar.</p> <p>Visite: Katchoforassembly.org</p>	<p style="text-align: center;">DECLARACIÓN DE CANDIDATO PARA MIEMBRO DE LA ASAMBLEA ESTATAL Distrito 33</p> <p>HILDA ZACARIAS Edad: 49 Ocupación: Contadora, Mujer de Negocios, Concejal</p> <p>Educación y Competencia: Me estoy postulando para la Asamblea porque los políticos de Sacramento se rehúsan a tomar las decisiones duras pero necesarias para equilibrar nuestro presupuesto. Como contadora profesional, auditora y ex profesora de Cal Poly-San Luis Obispo sé que el gobierno estatal puede administrar mejor nuestros dólares de impuestos.</p> <p>He dedicado mi vida profesional a ayudar a pequeños negocios y a los gobiernos locales a funcionar de manera más efectiva. Sé que el gobierno puede vivir dentro de sus posibilidades, tal como cada familia debe hacerlo y utilizar sus recursos limitados de manera más eficiente, tal como debe hacerlo todo negocio.</p> <p>Los demócratas y los republicanos por igual deben aprender a dejar de lado las peleas y las polarizaciones partisanas para hacer sus trabajos – equilibrar el presupuesto sin préstamos excesivos ni impuestos excesivamente gravosos sobre los californianos de clase media, hacer más eficiente la burocracia y poner nuevamente en movimiento la economía. Me enorgullece decir que hemos hecho justamente eso en el Concejo Municipal de Santa Maria.</p> <p>Residente de toda la vida de la Costa Central, asistí a Head Start, me gradué de escuelas públicas locales y de Cal Poly-San Luis Obispo y obtuve un título de maestría desde la Universidad de Harvard. Serví como Síndico de la Junta Escolar durante cinco años. Quiero que todo Californiano joven tenga esta misma oportunidad de explotar su potencial con una excelente educación, un buen empleo y un vecindario seguro para criar a una familia.</p> <p>En Sacramento, no disfrutaré de hacer recortes presupuestarios, pero prometo ayudar a restaurar la cortesía en el Capitolio y trasladar la atención de la Legislatura a equilibrar los libros y reconstruir a California de manera que mantenga nuestros valores compartidos.</p> <p>www.hildazacarias.com</p>

GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 2

JIM QUESENBERRY

Age: 61

Occupation: Retired Teacher

Education and Qualifications: My goal is to be your voice on the San Luis Coastal Unified School District Board.

After 39 years as an instructional aide, teacher and coach, I have decided to continue advocating for our students and public schools. My last twenty-two years as a teacher in SLCUSD have taught me the importance of community support and involvement in our schools. The excellence of our schools is due to your continuing support and the dedicated parents, teachers and support staff of this district. I am committed to providing a quality education for all students by: employing and retaining the best teachers, administrators and support staff; allocating taxpayers' dollars in ways that most directly and effectively improve classroom instruction; encouraging greater participation by parents and the business community; and, maintaining and enhancing our facilities.

My experience includes:

Thirty-six years as an English, ESL and Social Studies teacher, football and wrestling coach; two years as president of the San Luis Coastal Teachers Association; four years as Treasurer of the local teachers association; member of Peer Assistance and Review Committee; member of teacher and principal interview committees, President and Bargaining Chair of the Centinela Valley Secondary Teachers Association; member of the English Learners Advisory.

We can stay the course of weak leadership, poor morale and ineffective budgeting, or we can move toward safer communities and the best quality of life. I offer a new direction to build the strong department our county deserves.</p> <p>Accountability, respect for the public trust, and commitment to collaboration are hallmarks of my 36 years in law enforcement. I'll use my leadership abilities to replace controversy with stability and my budget skills to maximize services without drowning us in debt.</p> <p>I am a 36 year veteran in law enforcement with 15 years as a police chief. I use advanced technology to prevent crime and capture those responsible for it, and I embrace community policing.</p> <p>I believe it is time for positive change in County law enforcement.</p> <p>I will bring a new attitude and approach to the Sheriff's Department – one in which collaboration is as valued as crime fighting.</p> <p>I am endorsed by many of the city police chiefs and law enforcement executives in the County.</p> <p>As Sheriff, I will create a department that is transparent and accountable to the citizens of our County.</p> <p>I will lead an agency you can trust filled with employees who are proud to be members of the San Luis Obispo County Sheriff's Department.</p> <p>Please, vote for Ian Parkinson for Sheriff on November 2nd.</p>

<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MAYOR City of San Luis Obispo</p> <p>JAN MARX Occupation: City Council Member</p> <p>Education and Qualifications: I'm running for Mayor at a challenging and promising time. San Luis Obispo needs to respond courageously and creatively by renewing our commitment to economic vitality and excellent stewardship.</p> <p>A resident since 1988, married, with grandchildren, I earned degrees from Stanford and Santa Clara Law School. I've served on the City Council from 1998-2002 and from 2008 to the present, and represent San Luis Obispo on the County Council of Governments and Air Pollution Control District. I've been active in Chamber of Commerce, Rotary, neighborhood, anti-domestic-violence, environmental, and humanitarian organizations.</p> <p>I'll provide capable, caring leadership, based on my experience in government and as a business owner and community volunteer. I support residents' priorities, including conserving our resources--human, economic, environmental, cultural, and historical--preserving open space and safe neighborhoods, improving infrastructure and bike paths, and promoting a vibrant Downtown.</p> <p>I'll conduct the city's business with accountability, fairness, diligence, transparency and civility. I'm a good listener and don't turn my back on anyone. My temperament, education and record of dedication to public service make me the best-qualified candidate.</p> <p>As Mayor, I will work with you toward a resilient and sustainable future. I would appreciate your vote.</p> <p>Visit janmarx.com, email jan@janmarx.com, or call (805)541-2716.</p>	<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MAYOR City of San Luis Obispo</p> <p>DONALD E. HEDRICK Age: 64 Occupation: Artisan</p> <p>Education and Qualifications: With mid 70's public board meeting experience including being the treasurer of the Economic Opportunity Commission in '75 and a recent decade of demonstrated community service, I shine the light on the corruption of our governments by far reaching organizations that would sacrifice individual's freedom for personal gain. Our town's businesses are not well represented in the decision making processes that affect them yet are treated as cash cows to be milked even harder in these trying economic times. We need a healthy business community to create the employment and economic vitality that is needed to turn around the government's misguided actions to diminish our livelihoods and give away our leadership of the world's industry.</p> <p>As an artist I have contributed to the county's tourism economy helping make this a better part of paradise. The whale sculpture created 35 years ago became the most photographed thing in Morro Bay and drawing visitors from the world over and giving them good memories of our special part of the earth. Tourism is good industry but is threatened by our elected officials that would sell out our town to distant development special interests that would remake our town in their own image.</p>

<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF CITY COUNCIL City of San Luis Obispo</p> <p>ARNOLD RUIZ Age: 75 Occupation: Retired Barber</p> <p>Education and Qualifications: My goal is to restore local government to the County of San Luis Obispo and the people, and to restore Laguna Lake.</p> <p>Our system of government was amended from local run county government to centralized state run government. That is the bad news. The good news is that we as citizens have the power to amend this amendment. We need to be able to take care of our local problems without State interference and become an independent county. And, if we are an independent county, we need our own local judges. An amendment should be placed on the ballot so the people of San Luis Obispo County can choose the type of government we want. Additionally, my goal is to do whatever I can to restore Laguna Lake. We can restore the lake with local ingenuity and funds. Eventually, the lake will pay for itself and a healthy lake will add value to our community. Laguna Lake can become an asset to San Luis Obispo.</p> <p>With your support, I am running for City Council with these worthy causes as my goal. I would appreciate your vote for me, Arnold Ruiz. ArnoldRuizsl.org</p>	<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF CITY COUNCIL City of San Luis Obispo</p> <p>ANDREW CARTER Occupation: City Council Member</p> <p>Education and Qualifications: Four years ago, you elected me to City Council. This past year, I've also served as Vice Mayor.</p> <p>We've accomplished a lot in that time. Much of that thanks to Measure Y. Open space acquisitions, recreation facilities, bicycle trails, public art, downtown improvements, affordable housing, neighborhood quality, street paving, traffic safety, flood protection, public safety, senior services, and the list goes on.</p> <p>I'm running for re-election this year to continue this positive track record. I'm also running because there are challenges ahead. The City is experiencing decreased revenues and increased costs, particularly personnel costs. Council will need to make difficult decisions over the next four years to balance our budget. Thanks to my knowledge of City programs, my business background, and my analytical skills, I'm uniquely qualified to help make those decisions.</p> <p>I also want to make sure we keep faith with Measure Y. That measure was passed to make up for prior State takeaways and to fund new initiatives, not to pay for the increased costs of existing programs.</p> <p>I've been honored to serve you on Council these last four years. I hope you'll trust me with another four years. I'd appreciate your vote. Thank you.</p>
<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF CITY COUNCIL City of San Luis Obispo</p> <p>DAN CARPENTER Age: 56 Occupation: Nonprofit Finance Director, Chairman Cultural Heritage Committee</p> <p>Education and Qualifications: As a native of San Luis Obispo, I understand how judicious planning will preserve the quality of life and sense of place each of us have come to expect and appreciate in our community.</p> <p>After graduating from Cal Poly with a degree in Business Management, I was fortunate to be a part of our family business in Downtown SLO for 20 years. In 2003, after 30 years in retail, I retired from the Bookstore at Cal Poly. In February 2009, I accepted the position of Finance Director at the nonprofit History Museum. Like the City, we face the daily challenges of maintaining an unprecedented level of service to the community without compromising the financial integrity of the organization.</p> <p>I'm currently Chairman of the Cultural Heritage Committee, and my past includes serving on the City's Planning Commission. I'm committed to preserving our limited historic resources, while restoring and protecting our residential neighborhoods through insightful planning and adherence to policy.</p> <p>I will bring to the Council years of seasoned leadership skills and financial stewardship. I look forward to serving you during these unpredictable times, as we face critical decisions leading to future sustainability.</p>	<p style="text-align: center;">DECLARACIÓN DE CANDIDATO PARA MIEMBRO DEL CONCEJO MUNICIPAL Ciudad de San Luis Obispo</p> <p>ANDREW CARTER Ocupación: Miembro del Concejo Municipal</p> <p>Educación y Competencia: Cuatro años atrás, me eligió para el Concejo Municipal. Este último año, también serví como Vicealcalde.</p> <p>Hemos logrado muchas cosas en ese tiempo. Muchas de éstas gracias a la Medida Y. Adquisiciones de espacios abiertos, establecimientos recreativos, carriles para bicicletas, arte público, mejoras en el centro de la ciudad, viviendas asequibles, calidad de vecindarios, pavimentación de calles, seguridad del tránsito, protección contra inundaciones, seguridad pública, servicios para personas mayores y la lista sigue.</p> <p>Me estoy postulando para la reelección este año para continuar estos antecedentes positivos. También me estoy postulando porque hay desafíos futuros. La Ciudad está experimentando una disminución en los ingresos y mayores costos, particularmente costos de personal. El Concejo necesitará tomar decisiones difíciles durante los próximos cuatro años para equilibrar nuestro presupuesto. Gracias a mi conocimiento de los programas de la Ciudad, mis antecedentes comerciales y mis capacidades analíticas, tengo calificaciones únicas para ayudar a tomar esas decisiones.</p> <p>También deseo asegurarme de que mantengamos la fe con la Medida Y. Esa medida fue aprobada para compensar lo que el Estado nos quitó antes y para financiar nuevas iniciativas, no para pagar por el aumento de los costos de programas existentes.</p> <p>Tuve el honor de servirle en el Concejo estos últimos cuatro años. Espero que confíe en mí durante otros cuatro años. Agradecería su voto. Gracias.</p>

**CITY OF SAN LUIS OBISPO
IMPARTIAL ANALYSIS OF MEASURE H-10**

This measure will determine whether the San Luis Obispo Margarita Area Specific Plan (MASP), Airport Area Specific Plan (AASP), the General Plan Land Use and Circulation Elements, and the City's Zoning Map will be amended to eliminate a portion of the Prado Road northern alignment adopted by the City Council. The currently planned northern alignment, which would connect Prado Road to Broad Street between Industrial Way and Capitolio, was incorporated into the City's General Plan Circulation Element by City Council Resolution 9012 (2000 Series) and incorporated into the MASP by City Council Resolution 9615 (2004 Series).

A portion of the adopted Prado Road alignment is planned to cross the northwest edge of the City-owned Damon-Garcia property and connect to Broad Street. The City sports fields located on that property were constructed after the adoption of the current road alignment and no portion of the roadway would encroach into any existing or planned sports fields.

If this measure passes, it would eliminate the segment of the roadway currently planned to connect Prado Road in the Margarita Area to Broad Street. The measure would amend City planning and zoning maps to reflect a Prado Road alignment that terminates at the western boundary of the City-owned Damon-Garcia property with no through connection to an alternate circulation route. The measure would also prohibit any development or the location of any public streets, roadways or highways within the boundaries of the City owned Damon-Garcia property and on the adjacent "South Hills" property to the north and west of the City property. The term "development" is not defined in the measure. The adjacent South Hills property is privately owned and is currently zoned as conservation/open space.

The measure also proposes map amendments to the MASP and AASP that eliminate water and sewer lines currently planned to be located within the segment of Prado Road that would be eliminated by the measure.

Alternatives to the current Prado Road alignment and the location of water and sewer lines have not been studied since the adoption of the current roadway alignment and the construction of the Damon-Garcia Sports Fields. Thus, if the measure passes, further study will be necessary to determine whether previously studied, alternate circulation and infrastructure routes are feasible and in compliance with the requirements of the measure.

The California Environmental Quality Act (CEQA) will not require a study to determine the environmental impacts of any of the planning and zoning amendments proposed by the measure.

A yes vote on this measure is a vote in favor of amending the MASP and all other affected City planning and zoning documents to eliminate the segment of the currently planned Prado Road alignment that crosses the City-owned Damon-Garcia property boundary.

A no vote on this measure is a vote against amending the MASP and all other affected City planning and zoning documents to eliminate the segment of the currently planned Prado Road alignment, leaving the currently planned alignment in place.

ARGUMENT IN FAVOR OF MEASURE H-10

Measure H gives voters a rare opportunity to preserve 4 acres of land for recreation and safeguard the open, natural connection between the South Hills Open Space and the popular Damon-Garcia Sports Fields.

By voting YES on Measure H you will help improve our city by securing the following benefits:

1. Stop the construction of a busy, elevated, four-lane truck-route highway and a large, new concrete bridge within the Damon-Garcia Sports Fields site.
2. Protect those who use the sports complex from the added noise and air pollution created by 14,000 new daily vehicle trips next to the sports fields and trail areas in the South Hills Open Space.
3. Preserve important local environmental features, including Acacia Creek, serpentine rock outcroppings, and significant archaeological sites.
4. Allow the City to develop alternative routes for extending Prado Road and moving east-west traffic more efficiently, without adding more traffic signals on Broad Street that would slow traffic.
5. Promote enhanced bicycle / pedestrian facilities and bus rapid transit to increase traffic efficiency and other forward-thinking traffic measures that save fuel and reduce greenhouse emissions.

The City Council approved the Prado Road "Northern Alignment" on a narrow 3-2 vote without the detailed Environmental Impact Report (EIR) which the Planning Commission had recommended. The "Northern Alignment" runs through the northern part of the Sports Fields site, very close to existing sports fields. Measure H amends the General Plan to eliminate the "Northern Alignment" segment and also prohibits roads in the adjacent South Hills Open Space area.

This is your chance to add more recreation area to our city, protect citizens' health, provide for our children's safety, and find better traffic solutions. Your vote will preserve the quality of life that citizens of San Luis Obispo value most.

YES on Measure H.

ARGUMENT AGAINST MEASURE H-10

The San Luis Obispo City Council unanimously urges you to vote NO on Measure H, the proposal to dead-end the extension of Prado Road to Broad Street.

Measure H's advocates have recklessly used misleading arguments to make their case, even alleging that Prado Road will cut through the Damon-Garcia playing fields. That's utterly false.

Here's the truth: The Prado Road extension and bicycle paths will be safely fenced, elevated, landscaped, and routed well clear of the playing fields. When Prado is extended it will remain as far – or farther - from the fields as Broad Street is now.

In all ways, Measure H is a DEAD-END.

Measure H would slow police, fire, and ambulance response; cause more traffic congestion, air pollution, and neighborhood safety hazards; and delay efforts to create more middle-class housing.

The Measure H dead-end will worsen traffic congestion on Tank Farm Road, Broad Street, South Street, South Higuera, LOVR and elsewhere, as drivers search for ways to cross town without the needed extension.

If approved, Measure H will replace 10 years of careful planning (and \$1 million in traffic studies and environmental reports) with a ballot-box measure that requires no environmental review or traffic studies.

Measure H totally disregards decisions made by six different City Councils. It ignores countless citizens who provided advice every step of the way. It dismisses the work of the Planning Commission, Parks and Recreation Commission, Cultural Heritage Committee, Architectural Review Commission, Bicycle Committee, and Mass Transit Committee.

Our most important quality-of-life plans for San Luis Obispo depend on an improved Prado Road – plans for more affordable housing, better jobs for families, new bicycle and pedestrian paths, bus routes, more park land, open space, and playing fields.

Measure H will kill these plans.

Vote NO on Measure H.

It's a DEAD-END.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE H-10

We who oppose Measure H are parents and grandparents, teachers and nurses, professionals and citizens of all stripes who have one common objective: To preserve and enhance SLO's quality of life.

Measure H would derail carefully constructed plans to improve our town. We urge you to vote NO on the Prado Road DEAD-END Measure.

Proponents allege that Measure H would enhance safety and preserve open space. Not true.

If approved, Measure H would force SLO to "preserve" 3.5 acres of land always meant for a road, and we would LOSE:

- 500+ acres for neighborhood parks, open space and playing fields in the Margarita, Orcutt, and Airport areas (all to be stopped by Measure H)
- Class 1 bike paths
- Middle-class housing
- Improved police and fire response times
- Improved bus service
- Over 10 years of extensive planning
- And millions in taxpayer money

Measure H does NOT provide "better traffic solutions." It dead ends Prado without offering ANY alternate east-west connection. Other alternatives have been rejected because of their negative impacts.

Measure H proponents ignore the traffic and safety hazards neighbors will suffer because of a permanent dead-end on Prado – for example, in the Edna-Islay, Tank Farm, South Street, Los Verdes and Las Praderas neighborhoods.

And Measure H would kill open-space and recreational improvements.

We are a community and we must plan and make decisions that are good for all of us. Together, we must Vote NO on Measure H. It's a DEAD-END.

REBUTTAL TO ARGUMENT AGAINST MEASURE H-10

Opponents are fanning the flames of fear with false and radical rhetoric.

The DEAD-END is the city's current plan. After cutting across the sports field property, Prado Road would dead-end at Broad Street. All four lanes of traffic would turn onto Broad at a new traffic signal, causing congestion and disrupting cross-town traffic.

The city spends millions of dollars for recreation and open space. When the city spent taxpayer money for the Damon-Garcia property for sports fields, the highway through the property was NOT approved.

Proposals for future traffic include a four-lane, realigned Santa Fe Road from Prado to Buckley, then Buckley to the freeway. Tank Farm Road will become four lanes. These road changes will be phased with future development.

In 2002, Dave Romero called the connection of Prado Road to Tank Farm Road the best alternative for cross-town Prado traffic. It would eliminate conflicts with the sports fields and decrease the amount of environmental damage. We think he was correct.

None of the plans for new housing and businesses will be hindered by eliminating the short portion of Prado Road through the sports field site. Nor is the scary story of slowing public safety response true.

Vote for smart growth and well designed circulation for the long-term future of the southern end of San Luis Obispo.

Vote to make one small, very positive change.

Vote "YES" on Measure H.
