**MEASURES TO BE SUBMITTED TO THE VOTERS STATE**

**PROPOSITION 19**  
LEGALIZES MARIJUANA UNDER CALIFORNIA BUT NOT FEDERAL LAW. PERMITS LOCAL GOVERNMENTS TO REGULATE AND TAX COMMERCIAL PRODUCTION, DISTRIBUTION, AND SALE OF MARIJUANA. INITIATIVE STATUTE.

Allows people 21 years old or older to possess, cultivate, or transport marijuana for personal use. Fiscal Impact: Depending on federal, state, and local government actions, potential increased tax and fee revenues in the hundreds of millions of dollars annually and potential correctional savings of several tens of millions of dollars annually.

YES  NO

**PROPOSITION 20**  
REDISTRICTING OF CONGRESSIONAL DISTRICTS. INITIATIVE CONSTITUTIONAL AMENDMENT. Removes elected representatives from process of establishing congressional districts and transfers that authority to recently-authorized 14-member redistricting commission comprised of Democrats, Republicans, and representatives of neither party. Fiscal Impact: No significant net change in state redistricting costs.

YES  NO

YES  NO

**PROPOSITION 21**  
ESTABLISHES \$18 ANNUAL VEHICLE LICENSE SURCHARGE TO HELP FUND STATE PARKS AND WILDLIFE PROGRAMS. GRANTS SURCHARGED VEHICLES FREE ADMISSION TO ALL STATE PARKS. INITIATIVE STATUTE. Exempts commercial vehicles, trailers and trailer coaches from the surcharge. Fiscal Impact: Annual increase to state revenues of \$500 million from surcharge on vehicle registrations. After offsetting some existing funding sources, these revenues would provide at least \$250 million more annually for state parks and wildlife conservation.

YES  NO

**PROPOSITION 22**  
PROHIBITS THE STATE FROM BORROWING OR TAKING FUNDS USED FOR TRANSPORTATION, REDEVELOPMENT, OR LOCAL GOVERNMENT PROJECTS AND SERVICES. INITIATIVE CONSTITUTIONAL AMENDMENT. Prohibits State, even during severe fiscal hardship, from delaying distribution of tax revenues for these purposes. Fiscal Impact: Decreased state General Fund spending and/or increased state revenues, probably in the range of \$1 billion to several billions of dollars annually. Comparable increases in funding for state and local transportation programs and local redevelopment.

YES  NO

**PROPOSITION 23**  
SUSPENDS IMPLEMENTATION OF AIR POLLUTION CONTROL LAW (AB 32) REQUIRING MAJOR SOURCES OF EMISSIONS TO REPORT AND REDUCE GREENHOUSE GAS EMISSIONS THAT CAUSE GLOBAL WARMING, UNTIL UNEMPLOYMENT DROPS TO 5.5 PERCENT OR LESS FOR FULL YEAR. INITIATIVE STATUTE. Fiscal Impact: Likely modest net increase in overall economic activity in the state from suspension of greenhouse gases regulatory activity, resulting in a potentially significant net increase in state and local revenues.

YES  NO

**PROPOSITION 24**  
REPEALS RECENT LEGISLATION THAT WOULD ALLOW BUSINESSES TO LOWER THEIR TAX LIABILITY. INITIATIVE STATUTE. Fiscal Impact: Increased state revenues of about \$1.3 billion each year by 2012-13 from higher taxes paid by some businesses. Smaller increases in 2010-11 and 2011-12.

YES  NO

**PROPOSITION 25**  
CHANGES LEGISLATIVE VOTE REQUIREMENT TO PASS BUDGET AND BUDGET-RELATED LEGISLATION FROM TWO-THIRDS TO A SIMPLE MAJORITY. RETAINS TWO-THIRDS VOTE REQUIREMENT FOR TAXES. INITIATIVE CONSTITUTIONAL AMENDMENT. Legislature permanently forfeits daily salary and expenses until budget bill passes. Fiscal Impact: In some years, the contents of the state budget could be changed due to the lower legislative vote requirement in this measure. The extent of changes would depend on the Legislature's future actions.

YES  NO

**PROPOSITION 26**  
REQUIRES THAT CERTAIN STATE AND LOCAL FEES BE APPROVED BY TWO-THIRDS VOTE. FEES INCLUDE THOSE THAT ADDRESS ADVERSE IMPACTS ON SOCIETY OR THE ENVIRONMENT CAUSED BY THE FEE-PAYER'S BUSINESS. INITIATIVE CONSTITUTIONAL AMENDMENT. Fiscal Impact: Depending on decisions by governing bodies and voters, decreased state and local government revenues and spending (up to billions of dollars annually). Increased transportation spending and state General Fund costs (\$1 billion annually).

YES  NO

**PROPOSITION 27**  
ELIMINATES STATE COMMISSION ON REDISTRICTING. CONSOLIDATES AUTHORITY FOR REDISTRICTING WITH ELECTED REPRESENTATIVES. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Eliminates 14-member redistricting commission. Consolidates authority for establishing state Assembly, Senate, and Board of Equalization districts with elected representatives who draw congressional districts. Fiscal Impact: Possible reduction of state redistricting costs of around \$1 million over the next year. Likely reduction of these costs of a few million dollars once every ten years beginning in 2020.

## **CAMPAIGN FINANCE REFORM**

Among all state legislative candidates appearing on the ballot in San Luis Obispo County, only the candidates listed below have pledged to abide by campaign spending limits as specified in the California Government Code. This is a result of Proposition 34 adopted by the voters at the November 2000 General Election, and of a new statute passed by the Legislature and signed by the Governor in 2001.

Candidates agreeing to the campaign spending limits also have the opportunity to have a Statement of Qualifications printed in the local sample ballot booklet, at their own expense.

### 33<sup>RD</sup> ASSEMBLY DISTRICT CANDIDATES

K. H. "Katcho" Achadjian, Republican Party  
Paul K. Polson, Libertarian Party  
Hilda Zacarias, Democratic Party

**STATEMENT OF CANDIDATE FOR  
MEMBER OF THE STATE ASSEMBLY  
33<sup>rd</sup> District**

**K. H. "KATCHO" ACHADJIAN** Age: 59  
**Occupation:** San Luis Obispo County Supervisor, Businessman

**Education and Qualifications:** I'm a graduate of Cal Poly San Luis Obispo. I know first hand how to achieve efficiency in government while being accountable and fiscally responsible.

As County Supervisor, for 12 consecutive years I helped make the tough cuts needed to balance \$450 million budgets and helped build up \$80 million in reserves without raising taxes. I brought my expertise as a small business owner of 33 years to my government work to create new jobs and to keep good jobs from leaving the central coast. I lead by example and have opposed every effort to raise my pay on the Board.

I will take these conservative values and experience to Sacramento and get our fiscal house in order. I will work to pass real reforms that tie the hands of big spending liberal politicians by imposing a strict cap on spending and will audit government bureaucracy to root out waste, fraud and abuse.

Conservatives know they can count on me to protect Proposition 13, oppose job killing tax hikes and fight excessive regulations. I have received the endorsement of Congressman Kevin McCarthy, Californian Republican Taxpayers Association, California Association of Highway Patrolmen, Crime Victims United, and the Small Business Association. Join my fight to clean up Sacramento, stop deficit spending and get California back to work.

**STATEMENT OF CANDIDATE FOR  
MEMBER OF THE STATE ASSEMBLY  
33<sup>rd</sup> District**

**HILDA ZACARIAS** Age: 49  
**Occupation:** Accountant, Businesswoman, Councilmember

**Education and Qualifications:** I'm running for Assembly because Sacramento politicians refuse to make the tough but necessary decisions to balance our budget. As a professional accountant, auditor and former professor at Cal Poly-San Luis Obispo I know state government can manage our tax dollars better.

I've dedicated my professional life to helping small businesses and local governments operate more effectively. I know government can live within its means, just as every family must, and use its limited resources more efficiently, just as every business must.

Democrats and Republicans alike need to learn how to set aside the partisan bickering and polarization to do their jobs - balance the budget without excessive borrowing or punitive taxes on middle class Californians, make the bureaucracy more efficient, and get the economy moving again. I am proud to say that we have done just that on the Santa Maria City Council.

A lifelong resident of the Central Coast, I attended Head Start, graduated from local public schools and Cal Poly-San Luis Obispo, and received a master's degree from Harvard University. I served as a School Board Trustee for five years. I want every young Californian to have this same opportunity to fulfill their potential with an excellent education, a good job, and a safe neighborhood to raise a family.

In Sacramento, I will not enjoy making budget cuts, but I pledge to help restore civility in the Capitol and refocus the Legislature on balancing the books and rebuilding California in a way that upholds our shared values.

**DECLARACIÓN DE CANDIDATO PARA  
MIEMBRO DE LA ASAMBLEA ESTATAL  
Distrito 33**

**K. H. "KATCHO" ACHADJIAN** Edad: 59  
**Ocupación:** Supervisor del Condado de San Luis Obispo, Hombre de Negocios

**Educación y Competencia:** Me gradué de Cal Poly San Luis Obispo. Tengo conocimiento de primera mano sobre cómo lograr la eficiencia en el gobierno sin dejar de rendir cuentas y ser fiscalmente responsable.

Como Supervisor del Condado, durante 12 años consecutivos he ayudado a realizar los difíciles recortes necesarios para equilibrar los presupuestos de \$450 millones y he ayudado a acumular \$80 millones en reservas sin aumentar los impuestos. Aporté mi experiencia como dueño de pequeña empresa de 33 años al trabajo de mi gobierno para crear nuevos empleos y evitar que los buenos empleos dejen la costa central. Lidero con el ejemplo y me he opuesto a todos los esfuerzos por aumentar mi paga en la Junta.

Llevaré estos valores y experiencia conservadores a Sacramento y pondré en orden nuestra casa fiscal. Trabajaré para aprobar reformas reales que atarán de manos a aquellos políticos liberales que hacen grandes gastos mediante la imposición de un estricto límite sobre los gastos y auditaré la burocracia gubernamental para eliminar el malgasto, el fraude y el abuso.

Los conservadores saben que pueden contar conmigo para proteger la Propuesta 13, oponerme a los aumentos de impuestos que eliminan empleos y luchar contra las regulaciones excesivas. He recibido el apoyo del Congresista Kevin McCarthy, la Asociación de Contribuyentes Republicanos de California, la Asociación de Policías de Carretera de California, Víctimas de Crímenes Unidos y la Asociación de Pequeños Negocios. Únase a mi lucha para limpiar Sacramento, detener los gastos deficitarios y poner a California nuevamente a trabajar.

**DECLARACIÓN DE CANDIDATO PARA  
MIEMBRO DE LA ASAMBLEA ESTATAL  
Distrito 33**

**HILDA ZACARIAS** Edad: 49  
**Ocupación:** Contadora, Mujer de Negocios, Concejal

**Educación y Competencia:** Me estoy postulando para la Asamblea porque los políticos de Sacramento se rehúsan a tomar las decisiones duras pero necesarias para equilibrar nuestro presupuesto. Como contadora profesional, auditora y ex profesora de Cal Poly-San Luis Obispo sé que el gobierno estatal puede administrar mejor nuestros dólares de impuestos.

He dedicado mi vida profesional a ayudar a pequeños negocios y a los gobiernos locales a funcionar de manera más efectiva. Sé que el gobierno puede vivir dentro de sus posibilidades, tal como cada familia debe hacerlo y utilizar sus recursos limitados de manera más eficiente, tal como debe hacerlo todo negocio.

Los demócratas y los republicanos por igual deben aprender a dejar de lado las peleas y las polarizaciones partisanas para hacer sus trabajos – equilibrar el presupuesto sin préstamos excesivos ni impuestos excesivamente gravosos sobre los californianos de clase media, hacer más eficiente la burocracia y poner nuevamente en movimiento la economía. Me enorgullece decir que hemos hecho justamente eso en el Concejo Municipal de Santa Maria.

Residente de toda la vida de la Costa Central, asistí a Head Start, me gradué de escuelas públicas locales y de Cal Poly-San Luis Obispo y obtuve un título de maestría desde la Universidad de Harvard. Serví como Síndico de la Junta Escolar durante cinco años. Quiero que todo Californiano joven tenga esta misma oportunidad de explotar su potencial con una excelente educación, un buen empleo y un vecindario seguro para criar a una familia.

En Sacramento, no disfrutaré de hacer recortes presupuestarios, pero prometo ayudar a restaurar la cortesía en el Capitolio y trasladar la atención de la Legislatura a equilibrar los libros y reconstruir a California de manera que mantenga nuestros valores compartidos.

FULL TEXT OF MEASURE I-10**

"To expand vocational education programs and facilities; upgrade classroom computers and technology; construct a Science, Technology, Engineering and Mathematics facility; rebuild and replace roofs; and repair, renovate, reconstruct and acquire classrooms and facilities throughout the District; shall Atascadero Unified School District be authorized to issue \$117 million of bonds within legal interest rates, so long as there is an independent local citizens' oversight committee and no funds can be taken by the State and spent elsewhere?"

Bonds—Yes

Bonds—No

**BOND AUTHORIZATION**

By approval of this proposition by at least 55 percent of the registered voters voting on the proposition, the District will be authorized to issue and sell bonds of up to \$117 million in aggregated principal at interest rates below the legal limit and to provide financing for the specific school facilities projects listed in the Bond Project List described below, subject to all the accountability requirements specified below.

**ACCOUNTABILITY REQUIREMENTS**

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following) and California Government Code Section 53410 and following.

**Evaluation of Needs.** The School Board has identified detailed facilities needs of the District and has determined which projects to finance from a local bond at this time. The School Board hereby certifies that it has evaluated safety, the potential for future class size reduction, enrollment growth, and information technology needs in developing the Bond Project List shown below.

**Independent Citizens' Oversight Committee.** The School Board shall establish an Independent Citizens' Oversight Committee under Education Code Section 15278 and following to ensure bond proceeds are expended only on the school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the School Board.

**Performance Audits.** The School Board shall conduct an annual, independent performance audit to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

**Financial Audits.** The School Board shall conduct an annual, independent financial audit of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

**Special Bond Proceeds Account: Annual Report to Board.** Upon approval of this proposition and the sale of any bonds approved, proceeds of the bonds will be deposited into a Building Fund to be held by the San Luis Obispo County Treasury, as required by the California Education Code. As long as any proceeds of the bonds remain unexpended, the Superintendent of the District shall cause an annual report to be filed with the Board of Trustees of the District not later than January 1 of each year, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in the proposition, as required by Sections 53410 and 53411 of the California Government Code.

**FURTHER SPECIFICATIONS**

**No Administrator Salaries.** Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction and/or rehabilitation of school facilities including the

furnishing and equipping of school facilities or acquisition or lease of real property for school facilities, professional services required for the modernization, replacement, renovation, construction, and rebuilding of the school facilities projects and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

**BOND PROJECT LIST**

The Bond Project List shown below is a part of the ballot proposition and must be reproduced in any official document required to contain the full statement of the bond proposition.

**Evaluation of Needs.** As required by Article XIII A of the California Constitution, the Board of Trustees of the District has certified that it has evaluated safety, the potential for future class size reduction and information technology needs in developing the list of school facilities projects shown below.

**Projects Subject to Available Funding.** The following list of projects is subject to the availability of adequate funding to the District. Approval of the bond proposition does not guarantee that the proposed projects in the District that are the subject of bonds under the proposition will be funded beyond the local revenues generated by the bond proposition. The District's proposal for the projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond proposition.

**Scope of Projects.** Bond proceeds will be expended to modernize, replace, renovate, construct, equip, furnish, rebuild and otherwise improve District facilities as described below. The specific school facilities projects which are described below include all related and incidental costs, including costs of design, engineering, architect and other professional services, site preparation, utilities, landscaping and other incidental costs, and construction management. Bond proceeds may also be expended to acquire real property for future educational facilities and to acquire and install furniture, fixtures and equipment at any classrooms and other facilities of the District. The District may alter the scope and nature of any of the specific projects which are described below as required by conditions that arise during the course of design and construction, including unforeseen conditions such as dry rot and faulty engineering, and some of the projects may not be financed with bond proceeds depending upon actual project costs.

**RENOVATION, MODERNIZATION, REPAIR AND CONSTRUCTION  
OF SCHOOLS FACILITIES**

Bond proceeds will be expended to modernize, replace, renovate, construct, acquire, equip, rebuild and furnish the District's classrooms, restrooms, and facilities including but not limited to those located at:

Atascadero High	Monterey Road Elementary
Atascadero Junior High	San Benito Elementary
Carrisa Plains Elementary	San Gabriel Elementary
Creston Elementary	Santa Margarita Elementary
Del Rio Continuation High School	Santa Rosa Road Academic Academy

Whenever specific items are included in the following list, they are presented to provide an example and are not intended to limit the generality of the broader description of authorized projects. ### IMPARTIAL ANALYSIS OF MEASURE I-10

This measure will determine whether the Atascadero Unified School District shall issue \$117 million in bonds, at an interest rate and for a term not to exceed the maximum permitted by law for the purpose of acquiring and improving school facilities within the District.

On November 7, 2000, the voters of California passed "Proposition 39," amending Article XIII A, section 1 and Article XVI, section 18 of the California Constitution. The amendments authorize the District to incur bonded indebtedness for the purpose of financing the construction, reconstruction, rehabilitation, or replacement of school facilities upon approval of 55% of the voters.

If approved, this measure will allow the District to issue up to \$117 million in general obligation bonds. The bond proceeds will be used to acquire and improve school facilities within the District. The bonds and interest thereon would be financed by ad valorem taxes levied annually on taxable real property within the District and will increase the tax rate on real property within the District above 1% of the full cash value for the period necessary to pay the principal and interest on the bonds, as permitted by Article XIII A, section 1(b)(3) of the California Constitution. The District's Tax Rate Statement, which accompanies this analysis, reflects an estimate of the maximum property tax levies required to service the bonds.

In accordance with the above-referenced constitutional provisions, Government Code sections 53410 and 53411 and Education Code section 15264 et seq., the measure contains the following requirements:

1. That the proceeds from the bond sale shall be used only for the purposes listed in the measure and not for any other purpose, including teacher and administrator salaries and other operating expenses;
2. A list of the specific facilities projects to be funded and certification that the District Board has evaluated safety, class size reduction, and information technology needs in developing that list;
3. That the District Board will conduct an annual performance audit to ensure that the funds have been spent only on the specific facilities projects listed in the measure;
4. That the District Board will conduct an annual, independent financial audit of the proceeds from the bond sales until all proceeds have been spent on the facilities projects listed in the measure;
5. That the District will maintain the proceeds from the bonds in a separate account and the District Superintendent shall cause a report to be filed annually with the District Board;
6. That the District Board shall establish a citizens' oversight committee to monitor expenditures and to ensure that bond proceeds are used to fund the specific projects listed in the measure.

A "Yes" vote on this measure is a vote in support of the issuance of \$117 million in general obligation bonds to be used for the purposes of improving school facilities within the District.

A "No" vote on this measure is a vote against the issuance of \$117 million in general obligation bonds to be used for the purposes of improving school facilities within the District.

**Approval of Measure I-10 does not guarantee that the proposed project or projects in the Atascadero Unified School District that are the subject of bonds under Measure I-10 will be funded beyond the local revenues generated by Measure I-10. The school district's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure.**

**TAX RATE STATEMENT FOR MEASURE I-10**

An election will be held in Atascadero Unified School District (the "District") on November 2, 2010 to authorize the sale of \$117,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the California Elections Code.

1. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$.0590 per \$100 (\$59.00 per \$100,000) of assessed valuation in fiscal year 2011-12.

2. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$.0590 per \$100 (\$59.00 per \$100,000) of assessed valuation in fiscal year 2019-20.

3. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$.0590 per \$100 (\$59.00 per \$100,000) of assessed valuation.

4. The best estimate of the average tax rate required to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is \$.0590 per \$100 (\$59.00 per \$100,000) of assessed valuation.

These estimates are based on projections derived from information obtained from official sources. The actual tax rates and the years in which they will apply may vary depending on the timing of bond sales, the amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the needs of the District. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined in the assessment and the equalization process.

- All spending must be reviewed by an independent citizens' oversight committee
- No money can be used for administrative salaries
