STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT

LOIS CAPPS

Occupation: Congresswoman, Nurse

Education and Qualifications: I raised my family on the Central Coast and worked as a nurse and teacher in Santa Barbara public schools. I've been honored to serve San Luis Obispo County in Congress representing your values and priorities.

That's why I have stood up for Middle Class families and voted to crack down on skyrocketing credit card fees and rate increases. It's why I voted to hold Wall Street accountable for its reckless behavior.

I know we can do more to help our economy recover. That's why I support targeted investments in infrastructure, clean energy and high tech research and development: to put people to work and promote new business. And it's why I've worked to increase financial aid to make college more affordable, so our students can compete in a competitive global marketplace.

I will continue to protect Social Security and Medicare. And I will always be a champion for our veterans and their hard-earned benefits. We must safeguard our environment, including protecting the Central Coast from more offshore oil drilling which threatens our scenic coastline, coastal economy and public health. I will continue fighting for sensible healthcare policies, including protecting a woman's right to choose, opposing efforts to block access to birth control or eliminating federal funding for Planned Parenthood. And I voted to ensure equal pay for women.

On November 6th, I would be honored to have your support so we can continue making a positive difference in people's lives.

STATEMENT OF CANDIDATE FOR U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT

ABEL MALDONADO

Occupation: Farmer, Business Owner

NDO Age: 45

Education and Qualifications: Irresponsible deficit spending has created a \$15.5 trillion national debt and done little to improve our economy. Isn't it time we hold Washington accountable and fix the failed policies that took America backwards? To spur the economic development, Congress should enact tax credits for employers who create good paying clean jobs. It should develop new energy technologies that spur economic growth by creating good paying clean jobs. Congress should simplify the tax code so employers focus on job creation.

As a boy, I picked strawberries to help my family make ends meet. Good schools took me out of the fields and taught me how to help turn a half-acre plot of land into a family business that employs hundreds of our neighbors. Our children deserve the same kind of opportunities we enjoyed. That's why Congress must invest in education and make college more affordable. It must also strengthen Medicare and Social Security to ensure America keeps its promise to seniors.

To achieve these goals, Washington must stop the irresponsible spending that has wasted billions overseas and billions more on fraud and corruption. It must prevent future bank bailouts and take care of Main Street – not Wall Street.

It should fix a broken health care system by enacting reforms that improve the quality of care, not spend trillions we don't have and raise the cost of health care insurance premiums.

The root of America's problems is that Washington cares about Washington. Isn't it time we elect someone who cares about us?

DECLARACIÓN DE LA CANDIDATA A DIPUTADA DE EE. UU., 24.º DISTRITO ELECTORAL

LOIS CAPPS

Ocupación: Congresista, enfermera

Educación y competencias: Crié a mi familia en la Costa Central y trabajé como enfermera y maestra en escuelas públicas de Santa Bárbara. Ha sido un honor servir al Condado de San Luis Obispo en el Congreso representando sus valores y prioridades.

Por esa razón he defendido a las familias de clase media y he votado para tomar medidas enérgicas para acabar con las tarifas que se disparan de las tarietas de crédito y los aumentos en las tasas de interés. Por eso voté por hacer responsable a Wall Street por su comportamiento imprudente.

Sé que podemos hacer más para ayudar a nuestra economía a recuperarse. Por eso apoyo las inversiones orientadas a la infraestructura, la energía limpia, y la investigación y el desarrollo de alta tecnología: para poner a trabajar a la gente y promover nuevos negocios. Y por esta razón he trabajado para aumentar la ayuda financiera para que la universidad sea más accesible, de manera que nuestros estudiantes puedan competir en un mercado global competitivo.

Continuaré protegiendo el Seguro Social y Medicare. Y siempre seré una firme defensora de nuestros veteranos y de los beneficios que han ganado con mucho esfuerzo. Debemos salvaguardar nuestro ambiente, incluso proteger la Costa Central de la extracción marítima de petróleo que amenaza nuestra pintoresca costa, la economía de la costa y la salud pública. Continuare luchando por políticas razonables de atención médica, incluida la protección al derecho de la mujer a decidir, oponiéndome a los esfuerzos por bloquear el acceso a los anticonceptivos o a la eliminación de los fondos federales para la planificación familiar. Y voté para asegurar una paga igualitaria para las mujeres.

El 6 de noviembre, sería un honor tener su apoyo para que podamos continuar haciendo una diferencia positiva en la vida de las personas.

DECLARACIÓN DEL CANDIDATO A DIPUTADO DE EE. UU., 24.º DISTRITO ELECTORAL

ABEL MALDONADO

Ocupación: Agricultor, propietario de empresa

Edad: 45

Educación y competencias: El gasto irresponsable del déficit ha creado una deuda nacional de \$15.5 billones y ha hecho poco por mejorar nuestra economía. ¿No es tiempo de que Washington se haga responsable y arregle las políticas fallidas que hicieron que Estados Unidos retrocediera? Para estimular el desarrollo de la economía, el Congreso debe establecer créditos fiscales para los empleadores que crean trabajos transparentes con buena paga. Debe desarrollar nuevas tecnologías de energía que estimulen el crecimiento económico mediante la creación de trabajos transparentes con buena paga. El Congreso debe simplificar el código financiero para que los empleadores se enfoquen en la creación de empleos.

De niño, recogía fresas para ayudar a mi familia a salir adelante. Las buenas escuelas me sacaron de los campos y me enseñaron cómo convertir un terreno de aproximadamente 2020 metros cuadrados en un negocio familiar que emplee a cientos de nuestros vecinos. Nuestros niños merecen el mismo tipo de oportunidades de las que nosotros disfrutamos. Por eso el Congreso debe invertir en educación y hacer la universidad más accesible. También debe reforzar Medicare y el Seguro Social para asegurar que Estados Unidos cumpla su promesa a los ancianos.

Para alcanzar estos objetivos, Washington debe detener el gasto irresponsable que ha desperdiciado miles de millones en el extranjero y miles de millones más en fraude y corrupción. Debe evitar que se tengan que hacer rescates futuros a los bancos y ocuparse de Main Street y no de Wall Street.

Debe arreglar el sistema descompuesto de la atención médica mediante la promulgación de reformas que mejoren la calidad de la atención, no gastar billones que no tenemos y elevar el costo de las primas de seguros de atención médica.

La raíz de los problemas de Estados Unidos es que Washington se preocupa por Washington. ¿No es tiempo de elegir a alguien que se preocupe por nosotros?

STATEMENT OF CANDIDATE FOR STATE SENATOR, 17TH DISTRICT

LARRY BEAMAN Age: 39

Occupation: Local Businessman, School Board Trustee, Youth Soccer Coach

Education and Qualifications: Why re-elect the same old politicians who have utterly failed to fix our problems? They tax and spend money we don't have, and we get more debt and no reform. Lawmakers have given way to the special interests and lobbyists with big money. This corrosive combination has resulted in bad laws and very poor budgeting. Disapproval ratings are at an all-time high for State Legislators from both parties. Voters have come to accept that California is broke and Sacramento is broken.

Let's start by electing someone new... with a youthful and optimistic perspective. My candidacy offers new energy & fresh leadership on how to best save our State. Your vote for Larry Beaman is a wise investment in a brighter future for California. I am married and the proud Father of three public school-aged children. Currently, I am honored to serve our community as the Board President for the Scotts Valley Unified School District. Other notable community service includes being an active member of the Chamber of Commerce, Kiwanis and coaching youth soccer teams.

Approximately one-half of our California state budget goes to Education. Children and taxpayers need to get more accountability from that massive investment. Our State leaders must work more closely with parents, teachers & students to support excellence and performance in the classroom. California cannot afford to spend Billions for extraneous bureaucracy.

As your Senator, "We, the People" must work together as partners and discover real solutions for California. Let's begin today! Vote Larry Beaman for Senate. (831) 430-2053 or larrybeaman@sbcglobal.net

STATEMENT OF CANDIDATE FOR STATE SENATOR, 17TH DISTRICT

BILL MONNING

Occupation: Assemblymember

Education and Qualifications: Since 2008, when I was elected to the Assembly, I've used my skills in conflict resolution and mediation to tackle our state's challenges. That's why I'm asking you to send me to the State Senate. Because experience and judgment matter.

As an Assemblymember, I can tell you that in Sacramento – as bad as things seem in the headlines – persistence and determination get things done. I've had 26 bills signed into law, under both Republican and Democratic Governors.

With your support, I would be honored to represent the people of San Luis Obispo County.

I want to build on my service as Chair of the Assembly Committee on Health, promoting healthy lifestyles, battling the scourge of childhood obesity, and protecting our most vulnerable, including people with mental health issues and the disabled living in long-term care facilities.

I'll continue to focus on the environment and job growth by supporting agriculture, tourism, and small businesses, including the many farms, ranches, and wineries critical to the County's economic health. I'll make sure we're providing our schools, colleges, and universities the funding that allows our kids to thrive. And, I'll keep pushing for greater highway safety improvements, and fight to give our first responders the support they need to keep our communities safe.

On November 6th, you can be part of the solution. Together, we can preserve what's special about San Luis Obispo County and keep California moving forward.

DECLARACIÓN DEL CANDIDATO A SENADOR ESTATAL, 17.º DISTRITO

BILL MONNING

Ocupación: Miembro de la Asamblea

Educación y competencia: Desde 2008, cuando me eligieron para la Asamblea, he usado mis habilidades de resolución y mediación de conflictos para enfrentar los retos de nuestro estado. Es por eso que le pido que me envíe al Senado Estatal. Porque la experiencia y el juicio importan.

Como miembro de la Asamblea, le puedo decir que en Sacramento, aun cuando los titulares indican que las cosas andan mal, la persistencia y la determinación logran que las cosas se hagan. En periodos de gobernadores tanto republicanos como demócratas, he logrado que se aprueben 26 proyectos de ley.

Con su apoyo, sería un honor representar a la gente del Condado de San Luis Obispo.

Quiero ampliar mi servicio como presidente del Comité de Salud de la Asamblea, al promover estilos de vida saludables, frenar el flagelo de la obesidad infantil y proteger a la gente más vulnerable, incluidas las personas con problemas de salud mental y con discapacidades que viven en establecimientos de cuidado a largo plazo.

Seguiré concentrándome en el ambiente y el crecimiento de empleos mediante el apoyo a la agricultura, al turismo y a los pequeños negocios, incluidas las diversas granjas, ranchos y bodegas que son fundamentales en la salud económica del condado. Me aseguraré de que nuestras escuelas y universidades cuenten con los fondos para que nuestros hijos salgan adelante. Y seguiré impulsando mejoras más grandes en la seguridad de las carreteras, y lucharé para dar a nuestros socorristas el apoyo que necesiten para mantener nuestras comunidades a salvo.

El 6 de noviembre, usted puede ser parte de la solución. Juntos podemos conservar lo que hace especial al Condado de San Luis Obispo y hacer que California siga progresando.

Sería un honor para mí recibir su voto. Para obtener más información, visite la página www.billmonning.org.

STATEMENT OF CANDIDATE FOR GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 2 San Luis Obispo County Community College District

BARBARA GEORGE

Occupation: Retired Educator

Education and Qualifications: Cuesta College is a treasure we need to preserve. I am the right person at the right time to bring leadership and vision to respond to Cuesta's challenges. I have experience in community college budget preparation and management, and in acquiring other sources of funding. I served on every Cuesta accreditation team until 2004 when it was acclaimed one of the finest colleges anywhere. I was selected to serve on accreditation teams for other colleges in California, Washington and Utah.

I have lived and worked in SLO County for 42 years--as Director of Recreation for Morro Bay and as a counselor for the County Office of Education. As a Cuesta College Administrator, I built the Cuesta Foundation, raised and managed assets of \$18 million which provided funding for students, faculty, programs and services. I collaborated to raise funds to establish the Paso Robles campus which now serves thousands of students.

As Trustee I will be informed, prepared and accessible. I am an independent thinker with success in collaborative problem-solving. I bring solid judgment, informed thinking and an abiding and deep commitment to the success of Cuesta College -- its students, faculty and staff -- and the communities it serves.

STATEMENT OF CANDIDATE FOR GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 2 San Luis Obispo County Community College District

DAVID M. BALDWIN Age: 45

Occupation: Business Representative, Trustee

Education and Qualifications: In my current capacity as a trustee of two employee pension plans, I am part of a team that oversees administration, ensures legal compliance, develops policy and evaluates service providers that the board hires and manages.

I take seriously the high standard of conduct required of those put in a position of trust.

I am committed to the principle of fiscal prudence that is at the heart of everything a trustee does.

Cuesta College is one of three community colleges in California that is threatened with losing its accreditation. I will use the experience and leadership I've developed over 16 years as a trustee and board chairman to ensure Cuesta is once again recognized as a leading community college.

It is time for new ideas and common sense problem solving at Cuesta.

Cuesta belongs to all of us and is at the center of educational opportunity for both traditional and non-traditional students. I feel a responsibility, a desire and a duty to the community where I have lived for 45 years to ensure Cuesta survives as an essential local institution.

My experience as a trustee gives me a unique opportunity to do so with a fresh, open-minded and informed perspective.

STATEMENT OF CANDIDATE FOR GOVERNING BOARD MEMBER Atascadero Unified School District

GEORGE E. GALVAN Occupation: Incumbent

Education and Qualifications: My service as a Trustee has given me an insight into the issues and challenges facing education. We need to work together to solve the problems of truancy, student drop out and getting more parent involvement with our schools and the education of their children.

With the budget constraints the District has cut the budget to the bone, and we need to work to insure our schools are fully funded to give each student the best education they deserve. We also need to insure our employees are fairly compensated and receive continuous professional training.

I have served on a number of local and statewide boards and commissions. I am a graduate of Cuesta College and have a BA Degree from CSU Sacramento and I know that my education and experience will continue to help me as a Trustee. I would like to continue to serve as a Trustee, and my first priority will always be the education of all our students.

WHAT'S NEW FOR THIS ELECTION

Top Two "Voter-Nominated" Candidates

What is it?

In 2010, California voters approved Proposition 14 creating the "Top-Two Primary," which replaced the traditional party-nominated primary. Only the candidates who receive the highest and second-highest number of votes cast during the Primary election advance to the General election. Write-in candidates are no longer allowed for these contests during the General election. The new rules apply to U.S. Senate, U.S. Congressional, statewide and state legislative offices. The rules for non-partisan contests (i.e. counties, cities, school and special districts) did not change.

Party Preference and Political Party Endorsement

The term "party preference" is now used in place of the term "party affiliation". On the ballot, the political party preference, or no party preference, as indicated on the candidate's voter registration is listed next to or below the candidate's name. The party designation is shown on the ballot for the information of the voters only and it does not constitute or imply an endorsement by the party designated. Parties may provide a list of candidates who have received the official endorsement of the party for printing in this booklet.
