<tr>
<th>Measure</th>
<th>Description</th>

<tbody>
<tr>
<td><strong>PROPOSITION 59</strong></td>
<td>CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California’s elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in Citizens United v. Federal Election Commission. Citizens United ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments. Shall California’s elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn Citizens United v. Federal Election Commission (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?ドラマ化</td>
</tr>
<tr>
<td><strong>PROPOSITION 60</strong></td>
<td>ADULT FILMS. CONDOMS. HEALTH REQUIREMENTS. INITIATIVE STATUTE. Requires adult film performers to use condoms during filming of sexual intercourse. Requires producers to pay for performer vaccinations, testing, and medical examinations. Requires producers to post condom requirement at film sites. Fiscal Impact: Likely reduction of state and local tax revenues of several million dollars annually. Increased state spending that could exceed $1 million annually on regulation, partially offset by new fees.</td>
</tr>
<tr>
<td><strong>PROPOSITION 61</strong></td>
<td>STATE PRESCRIPTION DRUG PURCHASES. PRICING STANDARDS. INITIATIVE STATUTE. Prohibits state from buying any prescription drug from a drug manufacturer at price over lowest price paid for the drug by United States Department of Veterans Affairs. Exempts managed care programs funded through Medi-Cal. Fiscal Impact: Potential for state savings of an unknown amount depending on (1) how the measure’s implementation challenges are addressed and (2) the responses of drug manufacturers regarding the provision and pricing of their drugs.</td>
</tr>
<tr>
<td><strong>PROPOSITION 62</strong></td>
<td>DEATH PENALTY. INITIATIVE STATUTE. Repeals death penalty and replaces it with life imprisonment without possibility of parole. Applies retroactively to existing death sentences. Increases the portion of life inmates’ wages that may be applied to victim restitution. Fiscal Impact: Net ongoing reduction in state and county criminal justice costs of around $150 million annually within a few years, although the impact could vary by tens of millions of dollars depending on various factors.</td>
</tr>
<tr>
<td><strong>PROPOSITION 63</strong></td>
<td>FIREARMS. AMMUNITION SALES. INITIATIVE STATUTE. Requires background check and Department of Justice authorization to purchase ammunition. Prohibits possession of large-capacity ammunition magazines. Establishes procedures for enforcing laws prohibiting firearm possession by specified persons. Requires Department of Justice’s participation in federal National Instant Criminal Background Check System. Fiscal Impact: Increased state and local court and law enforcement costs, potentially in the tens of millions of dollars annually, related to a new court process for removing firearms from prohibited persons after they are convicted.</td>
</tr>
<tr>
<td><strong>PROPOSITION 64</strong></td>
<td>MARIJUANA LEGALIZATION. INITIATIVE STATUTE. Legalizes marijuana under state law, for use by adults 21 or older. Imposes state taxes on sales and cultivation. Provides for industry licensing and establishes standards for marijuana products. Allows local regulation and taxation. Fiscal Impact: Additional tax revenues ranging from high hundreds of millions of dollars to over $1 billion annually, mostly dedicated to specific purposes. Reduced criminal justice costs of tens of millions of dollars annually.</td>
</tr>
<tr>
<td><strong>PROPOSITION 65</strong></td>
<td>CARRYOUT BAGS. CHARGES. INITIATIVE STATUTE. Redirects money collected by grocery and certain other retail stores through mandated sale of carryout bags. Requires stores to deposit bag sale proceeds into a special fund to support specified environmental projects. Fiscal Impact: Potential state revenue of several tens of millions of dollars annually under certain circumstances, with the monies used to support certain environmental programs.</td>
</tr>

</table>
PROPOSITION 67
BAN ON SINGLE-USE PLASTIC BAGS. REFERENDUM.
A "Yes" vote approves, and a "No" vote rejects, a statute that prohibits grocery and other stores from providing customers single-use plastic or paper carryout bags but permits sale of recycled paper bags and reusable bags. Fiscal Impact: Relatively small fiscal effects on state and local governments, including a minor increase in state administrative costs and possible minor local government savings from reduced litter and waste management costs.

STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT

SALUD CARBAJAL

Occupation: Member, Santa Barbara County Board of Supervisors

Education and Qualifications: I’m Salud Carbajal. I’m a proud husband, father, and Marine Corps veteran. I was the first in my family to graduate from a university, working two jobs to pay for my education at UCSB. I know what it’s like to struggle, and I’m committed to making sure other families have the same opportunities I had to get ahead.

For the last 12 years as a Santa Barbara County Supervisor, I’ve strived to represent our Central Coast values. I’m proud to have earned endorsements from Planned Parenthood and the Sierra Club for standing up for women’s reproductive rights, fighting for marriage equality, and protecting our environment.

I’ve worked with my Democratic and Republican colleagues to expand health insurance to 14,000 county children; invested in widening Highway 101 and other roads projects to reduce congestion; and protected funding for public safety to keep our communities safe, even during tough economic times. We’ve done that while using your tax dollars wisely--balancing the budget every year, building up the largest rainy day fund in County history, and earning the highest bond rating in the state.

In Congress, I’ll bring that same bipartisan spirit to tackling big issues: bringing down the cost of college; protecting our environment; creating new jobs by supporting small businesses and renewable energy; defeating ISIS; passing comprehensive immigration reform; reducing gun violence; and standing up for women’s rights and health care access.

For more information about our campaign, please visit SaludCarbajal.com. I hope to earn your support on November 8th. Thank you.

STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT

JUSTIN FAREED

Occupation: Vice President of Local Small Business, Third Generation Cattle Rancher

Education and Qualifications: I’m running for Congress to get it working again for the American people, to bring true representation for the Central Coast to Washington, and to solve long-range issues that will affect this and future generations with new leadership and 21st century solutions.

Born and raised on the Central Coast, I attended Santa Barbara High School and continued my education at UCLA. After playing and coaching football at my alma mater, I worked for a senior member of Congress where I led a staff delegation to the Syrian border in Turkey and saw first-hand the instability in the region, helped draft several bills, built consensus among members, and successfully moved things forward.

A third generation California cattle rancher and Vice President of my family’s manufacturing and distribution small business, I understand the burdensome taxes and regulations coming out of Washington, and the implications it has on businesses, our agricultural community and job opportunities along the Central Coast. I’ve seen the dysfunction, polarization and empty rhetoric coming out of Washington from my time spent on Capitol Hill and I know how to fix it.

As your representative, I’ll work to reduce the out of control national debt and overregulation on Central Coast businesses, invest in infrastructure to bring long-range solutions to California’s water crisis, improve our education, ensure economic stability and local job opportunities for generations to come, and advocate for a concerted approach to our national security in order to provide a better way forward for all Americans. DECLARACION DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO DEL CONGRESO

SALUD CARBAJAL
Ocupación: Miembro, Junta de Supervisores del Condado de Santa Barbara
Educación y competencias: Soy Salud Carbajal. Soy un orgulloso esposo, padre de familia y veterano del Cuerpo de Marines. Fui el primero de mi familia en graduarme de una universidad mientras trabajaba en dos empleos para pagar mi educación en la UCSB. Sé lo que es tener que luchar y estoy comprometido para que otras familias tengan las mismas oportunidades que tuve para salir adelante. Durante los últimos 12 años como Supervisor del Condado de Santa Barbara, he luchado para representar nuestros valores de la Costa Central. Estoy orgulloso de haberme ganado los apoyos de Planned Parenthood y Sierra Club por luchar por los derechos reproductivos de las mujeres, luchar por el matrimonio igualitario y por proteger el medio ambiente. He trabajado junto con mis colegas demócratas y republicanos para ampliar el seguro médico a 14,000 niños del condado; invertir en la ampliación de la Autopista 101 y otros proyectos de caminos para reducir la congestión; y he protegido el financiamiento para la seguridad pública para mantener nuestras comunidades seguras, incluso durante tiempos económicos difíciles. Lo hemos hecho mientras usamos sus dólares de impuestos con prudencia; equilibraremos el presupuesto todos los años, creamos el fondo para días lluviosos más grande en la historia del condado y ganamos la calificación de bonos más alta en el estado. En el Congreso, llevaré ese mismo espíritu bipartidista para afrontar los problemas graves: reducir el costo de la universidad; proteger nuestro medio ambiente; crear nuevos empleos al apoyar a los pequeños negocios y la energía renovable; vencer a ISIS; pasar una reforma migratoria integral; reducir la violencia relacionada con las armas y luchar por los derechos de las mujeres y el acceso a la atención médica.

DECLARACION DEL CANDIDATO A
DIPUTADO DE EE. UU., 24.º DISTRITO DEL CONGRESO

JUSTIN FAREED
Ocupación: Vicepresidente de empresa local pequeña, Ganadero de tercera generación
Educación y competencias: Me postulé al Congreso para hacerlo trabajar de nuevo para los americanos, para llevar una representación verdadera de la Costa Central a Washington y para resolver los problemas a largo plazo que afectarán a esta generación y a las generaciones futuras con liderazgo nuevo y soluciones del siglo 21. Nací y crecí en la Costa Central, asistí a la Escuela Secundaria de Santa Barbara y continué mi educación en la UCLA. Después de jugar y ser entrenador del equipo de fútbol americano en mi alma mater, trabajé para un alto miembro del Congreso donde dirigí la delegación del personal a la frontera siria en Turquía y fui testigo de primera mano de la inestabilidad de la región, ayudé a preparar varias propuestas de ley, construí consensos entre los miembros y llevamos con éxito las cosas hacia adelante. Como ganadero de tercera generación en California y Vicepresidente del negocio familiar de manufactura y distribución, entiendo sobre los impuestos y regulaciones agobiantes que provienen de Washington y las implicaciones que tienen en los negocios, nuestra comunidad de agricultores y las oportunidades de empleo en toda la Costa Centra. He visto la disfunción, polarización y retórica vacía que viene de Washington por el tiempo que pase en Capitolio y sé cómo arreglarlas. Como su representante, trabajaré para reducir la deuda nacional que esta fuera de control y la sobreregulación a los negocios de la Costa Central, invertir en infraestructura para traer soluciones de largo plazo para la crisis de agua en California, mejorar nuestra educación, garantizar la estabilidad económica y las oportunidades de empleos locales para las generaciones por venir e impulsaré un enfoque coordinado para nuestra seguridad nacional para proporcionar un mejor camino para avanzar para todos los americanos. STATEMENT OF CANDIDATE FOR
STATE SENATOR, 17TH DISTRICT

BILL MONNING
Age: 65
Occupation: CA State Senator

Education and Qualifications: Eight years ago, you sent me to Sacramento to make a difference, and I am proud of what we have been able to accomplish together. Since joining the State Legislature, I’ve authored over 80 bills signed into law by the Governor, including the ground-breaking End of Life Options Act to give terminally ill patients a compassionate way to take control of their own lives – subject to strict guidelines.

After years of hard work with many key partners, the new California Central Coast Veterans Cemetery is scheduled to open this fall. My legislation in Sacramento and ability to secure funding helped break the logjam to honor those who served our nation with a final resting place, fulfilling a promise made over two decades ago.

In Sacramento, we’ve passed balanced, on-time budgets six years in a row and put the State’s fiscal house in order. We’ve made great strides toward tackling our State’s pension obligations while restoring critical funding to education, healthcare, and public safety. I’ve earned the highest ratings from the California Labor Federation, the California League of Conservation Voters, the Sierra Club, and the Consumer Federation of California.

While our economy has recovered since the Great Recession, we must continue to focus on creating jobs by strengthening the backbones of our local economy: agriculture, tourism, and our educational institutions.

That’s why I’m asking you to send me to the State Senate for another term. Please visit www.billmonning.org. I’d be honored by your vote on November 8th. Thank you.

STATEMENT OF CANDIDATE FOR
STATE SENATOR, 17TH DISTRICT

PALMER KAIN
Age: 37

Education and Qualifications: During my service in the U.S. Army stationed overseas, I developed a powerful work ethic and was instilled with a deeper commitment to duty, honor and justice. I have built a strong track record as a capable manager of people, resources and logistics while proving myself as a leader who fosters unity and consensus to complete any mission he is chosen to lead. My mission as your next State Senator is to defend the freedom, rights, and quality of life of all citizens of the 17th District.

In more than twenty years of experience in local, state, and national politics, I have learned how to create tangible, positive change in a system that often suppresses it. For decades, our district and state have used short-term solutions for long-term problems. The consequences being a rise in crime, homelessness, unemployment, tax rates, public corruption and inequality. We cannot afford to be complacent anymore. Sacramento has no long-term sustainable action plans, I do.

Sacramento has chosen to serve the needs of special interest groups while neglecting the people of California. I will return the power back to the people, to usher in a new era of transparency, accountability, and community engagement in politics. There is a new day dawning in California. Visit palmerkain.org to see my vision and plan. Vote for Palmer Kain on November 8, and I promise to work hard in your best interest as your next State Senator. Let’s shatter the status quo and transform California together.
DECLARACION DEL CANDIDATO A
SENADOR ESTATAL, 17.º DISTRITO

BILL MONNING
Edad: 65

Ocupación: Senador por el Estado de CA

Educación y competencias: Hace ocho años, usted me envió a Sacramento para hacer una diferencia y estoy orgulloso de lo que hemos podido lograr juntos. Desde que me uní a la legislatura estatal, he sido el autor de más de 80 proyectos de ley que fueron promulgados por el Gobernador, incluida la Ley de Opciones al Término de Vida para darles a los pacientes terminales una forma compasiva para que tengan control sobre sus propias vidas - sujeto a pautas estrictas.

Después de años de trabajo arduo con muchos socios claves, está programada para el otoño la apertura del nuevo Cementerio para Veteranos de la Costa Central de California. Mi legislación en Sacramento y mi habilidad para asegurar financiamiento ayudaron a romper el bloqueo para honrar a aquellos que sirvieron a la nación con un lugar en el que pueden descansar finalmente, cumpliendo con la promesa que se hizo hace más de dos décadas.

En Sacramento, aprobamos presupuestos equilibrados y a tiempo por seis años consecutivos y pusimos en orden el sistema fiscal del Estado. Hemos hecho grandes avances para abordar las obligaciones de pensión del Estado mientras recuperamos el importante financiamiento a la educación, atención médica y seguridad pública. Me gané las mejores calificaciones de la Federación de Trabajo de California, la League of Conservation Voters de California, el Sierra Club y la Federación de Consumidores de California.

Aunque nuestra economía se ha recuperado desde la Gran Recesión, debemos seguir concentrándonos en crear empleos al fortalecer la columna vertebral de nuestra economía local: agricultura, turismo y las instituciones educativas.

Por eso, le pido que me envíe al Senado Estatal por otro periodo. Visite la página www.billmonning.org. Sería un honor tener su voto el 8 de noviembre. Gracias.
STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 35TH DISTRICT

JORDAN CUNNINGHAM
Occupation: Businessman, School Trustee

Education and Qualifications: It’s no secret that Sacramento can do better. I am a policy-oriented small businessman, a school trustee, and a former prosecutor. I am running to bring common sense back to our state government and make it work better for families on the Central Coast.

Each year, businesses leave California for more business-friendly states, taking good jobs with them. It’s time to turn the tide. The California Small Business Association supports my vision for a growing economy. They know that I will use my experience as past President of the Central Coast Taxpayers Association to fight the tax increases and regulatory burdens that are costing us jobs.

Failed policies from Sacramento have endangered our neighborhoods. As a former prosecutor, I know what we need to make our community safer. District Attorney Dan Dow and Sheriff Ian Parkinson have endorsed me because of my dedication to public safety.

California’s future workforce is a direct product of our education system. We must do everything we can to support our schools, and to make our public colleges affordable for working families. I have worked with students, parents, and teachers as a school trustee. This election cycle I am one of the only candidates in the state endorsed by both the California Teachers Association and the California Charter School Association because of my pragmatic vision for improving our schools.

I will be accountable to you, providing common-sense leadership and a voice for the Central Coast and our values. I hope to earn your vote.
DEE SANTOS
Occupation: Incumbent, Businesswoman

Education and Qualifications: I have lived on the Central Coast since 1969 as mother, volunteer, council member, mayor, and local business owner. I am a native Californian and I can speak two languages.

My children and grandchildren were raised in the Lucia Mar School District. I believe that a commitment and communication between the community and the school district plays a big role in the development not only of our children, but also of the community as a whole.

I feel you must continue to be involved to better understand parents and students needs. To get a better understanding of the current technology so they are ready for the challenges of careers and college.

As a member of Lucia Mar Board of Education we must continue their education by offering different career pathways through new and innovative ways.

I strongly support the Culinary School, the Future Farmers of America programs and all the different programs for youth sports.

I believe that we need to maintain a strong academic focus and vibrant extra-curricular activity and always to imagine the possibilities.

Education Is Key.

DON STEWART Age: 53
Occupation: Lucia Mar Unified School District Trustee, Educator

Education and Qualifications: It has been a privilege to serve on the Lucia Mar School Board. As a parent and an educator I believe investment in a well-rounded education provides children of all backgrounds a path to realizing their dreams. It is our hope for the future.

I am proud that we are leading the way to ensure our students receive a first-rate, 21st century education. Technology has been upgraded; solar panels have been installed; library services have been expanded; intervention teachers have been increased; and we have broadened and strengthened our college and career pathways.

There is still work to do. The roll-out of new curriculum standards will require collaboration and community engagement. A greater effort must be made to close the achievement gap in student learning. And we need to balance our budget in a way that allows Lucia Mar to continue to attract and retain the quality teachers that are the foundation for student success.

I have a proven track record of putting students first. I am committed to transparency, accountability, and the fiscally responsible use of your tax dollars.

I would appreciate your vote on November 8th. Facebook: @ElectDonStewart

Education and Qualifications: A 30 year Grover Beach resident, serving on the City Council since 2007, appointed to many County Boards including: Air Pollution Control, Zone Three Water Resources, Economic Vitality Corporation, three terms as Planning Commissioner. The experience and knowledge gained through years of service enabled me to become a responsive and effective community leader. DECLARACION DEL CANDIDATO A
MIEMBRO DE LA JUNTA GOBERNANTE, ÁREA DE FIDEICOMISARIOS N.º 4
Distrito Escolar Unificado de Lucia Mar

DON STEWART Edad: 53
Ocupación: Fideicomisario del Distrito Escolar Unificado de Lucia Mar, Educador

Educación y competencias: Ha sido un privilegio trabajar en la Junta Escolar de Lucia Mar. Como padre y educador creo que la inversión en una educación integral les proporciona a los niños de cualquier procedencia un camino para poder cumplir sus sueños. Es nuestra esperanza para el futuro.

Estoy orgulloso de que estamos guiando el camino para garantizar que nuestros estudiantes reciban una educación del siglo 21 de primera clase. Mejoramos la tecnología; se instalaron paneles solares; los servicios de la biblioteca se han ampliado; el número de maestros de intervención ha aumentado; y ampliamos y fortalecimos nuestros caminos para la carrera y universidad.

Todavía hay trabajo por hacer. El desarrollo de los nuevos estándares del plan de estudios requerirá la colaboración y participación de la comunidad. Debe hacerse un esfuerzo más grande para cerrar el hueco de logros en el aprendizaje de los estudiantes. Y necesitamos equilibrar nuestro presupuesto de una forma que le permita a Lucia Mar seguir atrayendo y reteniendo a los maestros de calidad que son la base para el éxito de los estudiantes.

Tengo un historial comprobado de poner a los estudiantes primero. Estoy comprometido a la transparencia, rendición de cuentas y la responsabilidad fiscal para usar sus dólares de impuestos.

Agradecería su voto el 8 de noviembre. Facebook: @ElectDonStewart

ADAM HILL
Age: 49
Occupation: County Supervisor

Education and Qualifications: What a wonderful honor and privilege it has been to represent you at our Board of Supervisors. I take great pride in delivering on what I promise, and for leading our County on so many important initiatives.

No local elected official has done more to bolster our economy, create jobs, and keep your County government fiscally strong. Knowing that both our economic growth and the finances of our County government rank in the top 5 of 58 the state should be a source of great pride for us.

At the same time, I have commanded critical efforts to protect our scenic treasures and improve our resources. I led the efforts for the Pismo Preserve, for the desalinated water project, and for making improvements on HWY 227 our top regional priority. These are but only a few fantastic examples of what we can do together.

Being a strong advocate for those most vulnerable is evident in my work on the 50Now program to house chronically homeless and Laura’s Law to prevent violence among mentally ill.

Despite all these achievements, we still have much more to do. So I need your vote and I welcome your help. Thank you. Visit www.adamhill.us

Education and Qualifications: It has been my privilege to represent you on the City Council and I would be honored to continue that service as your Mayor. I have a record of accomplishment but there is much more to do.

STATEMENT OF CANDIDATE FOR
COMMISSIONER
Port San Luis Harbor District

BOB VESSELY
Occupation: Civil Engineer

Age: 67

Education and Qualifications: I am running because I firmly believe in our representative democracy form of government and believe that our port is a gem, a tremendous asset to the community. The existing Board has emphasized private business operations. The port has so much more to offer and could be more inclusive to our residents.

The District should support a wide range of public activities including family picnics, watersports and sport fishing as well as interest in the history of the port, especially the Lighthouse. Some people want to camp along the bluff, walk on the beach or on the pier and just experience our beautiful environment. All of these uses deserve serious consideration and representation on the Board.

With Diablo closing, and the loss of the substantial revenue generated to the Port, it is important now more than ever to create a sustainable vision for residents and visitors alike.

As a civil engineer, I will bring a methodical problem-solving approach as well as the experience to guide the Harbor in an inclusive, open and service-oriented Board. It comes down to priorities after all, and I believe that those should reflect the breadth and depth of the diverse population of the District.

STATEMENT OF CANDIDATE FOR
COMMISSIONER
Port San Luis Harbor District

RICHARD SCANGARELLO
Occupation: V.P. Port San Luis Commercial Fisherman’s Association

Education and Qualifications: I am asking for your vote.

Over the next several years, with the pending closure of Diablo Nuclear power plant, Port San Luis will see a significant reduction in operating revenue. Finding new sources of income and reducing operating cost will become a paramount issue.

Having owned and operated a small business at Port San Luis I understand the difficulty in maneuvering the Port bureaucracy. In the future the success of the businesses that operate within the Ports jurisdiction will become critical.

Creating an attitude for success for those who use the Port facilities will become more important as revenue sources change.

With your support together we can achieve this goal with common sense and good business practices.

Port San Luis Harbor District

BILL BARROW
Age: 53
Occupation: Commercial Fisherman

Education and Qualifications: As a commercial fisherman for the past 28 years I have visited most of the Harbors in California and have an understanding of how the various Harbors operate. As a current Harbor Commissioner I understand the current issues that Port San Luis Harbor faces.

I am a lifetime resident of San Luis Obispo County and would like to see the Harbor maintain its character as a small fishing and recreational Harbor.

I would appreciate your vote.

STATEMENT OF CANDIDATE FOR
COMMISSIONER
Port San Luis Harbor District

JIM BLECHA
Age: 70
Occupation: Marine – Aquatic Biologist, Harbor Commissioner

Education and Qualifications: M.Sc. Zoology. Harbor Commissioner 1983 to present. Port San Luis is the jewel of our coast. As a Commissioner, boat owner and Port patron, I see three issues facing PSLHD as paramount.

The development of Harbor Terrace with mixed uses of affordable tent camping, cabins, restaurant, and gear and boat storage. Currently in negotiations, the project may need to be developed by the District.

Infra structure maintenance is always important and perpetual. Avila Pier, however, needs funding of $9 to $12+ million for full reconstruction. Aggressive funding effort is my goal over the next several years.

PSL must remain a full service port with facilities to protect commercial and recreational boats year round, to load and un-load vessels, reliably launch and haul out all vessels (dredging), fuel facilities, water taxi service and a fully functional boat yard. We must maintain good working relationships with the many local, County, State and federal governmental agencies.

The character of the Port must be protected against the inevitable changes coming to our area of coastal California. The challenges ahead are best met by commissioners with vision, pragmatism, and a sense of history. Experience counts. Vote Blecha for Harbor Commissioner.
DECLARACION DEL CANDIDATO A
COMISIONADO
Distrito del Puerto de Port San Luis

BOB VESSELY
Ocupación: Ingeniero civil

Edad: 67

Educación y competencias: Me postulo porque creo firmemente en nuestra forma de gobierno de democracia representativa y creo que nuestro puerto es una joya, un bien enorme para la comunidad. La Junta existente ha enfatizado las operaciones comerciales privadas. El puerto tiene mucho más para ofrecer y podría ser más inclusivo para nuestros residentes.

El Distrito debería apoyar una amplia variedad de actividades públicas, que incluye picnics familiares, deportes acuáticos y pesca deportiva, así como también el interés en la historia del puerto, especialmente el Lighthouse. Algunas personas quieren acampar a lo largo del farol, caminar por la playa o por el muelle y solo experimentar nuestro hermoso ambiente. Todos estos usos merecen serias consideraciones y representaciones en la Junta.

Con el cierre de Diablo, y la pérdida de los cuantiosos ingresos generados al Puerto, es importante ahora más que nunca crear una visión sustentable tanto para los residentes como para los visitantes.

Como ingeniero civil, traeré una estrategia que resuelva los problemas, así como también la experiencia en dirigir el Puerto en una Junta orientada al servicio y abierta. Es cuestión de prioridades después de todo, y creo que aquellas deberían reflejar la amplitud y la profundidad de la población diversa del Distrito.

This measure will determine whether the Lucia Mar Unified School District ("the District") may issue $170 million in bonds for the purpose of improving school facilities within the District. The measure is placed on the ballot by the Board of Education of the District ("the Board") and will become effective if fifty-five percent (55%) of the voters vote “yes” on the measure.

On November 7, 2000, California voters passed “Proposition 39,” amending Article XIII-A, section 1(b)(3) of the California Constitution. That amendment authorizes the District to incur bonded indebtedness for the purpose of financing the construction, reconstruction, rehabilitation, or replacement of school facilities, in accordance with certain accountability requirements. To implement the requirements of Proposition 39, the Legislature enacted the “Strict Accountability in Local School Construction Bond Act of 2000” (Educ. Code, § 15264, et seq.; “the Act”). This measure is proposed in accordance with the Act.

If approved, the measure will authorize the District to issue up to $170 million in general obligation bonds, to bear interest at a rate not to exceed the maximum permitted by law. The types of school facility improvement projects to be funded by bond proceeds are included in the Project List (included in the full-text of the measure). In accordance with the Act, the Board has certified that it has evaluated safety, class size reduction, enrollment growth and information technology needs in developing the Project List.

Revenue from bond sales will be used only for the acquisition, construction, reconstruction, repair, or replacement of school facilities within the District, and not for any other purpose, including teacher and employee salaries and other school operating expenses. Approval of the bond measure does not guarantee that particular projects will be funded.

Principal and interest on the bonds will be payable from the proceeds of ad valorem taxes levied annually on taxable real property within the District. These taxes would be in addition to the property taxes currently levied on taxpayers within the District. The amount of the increased taxes each year would depend upon the amount needed to pay the principal and interest on the bonds. The District’s Tax Rate Statement, which accompanies this analysis, reflects an estimate of the maximum property tax levies required to service the bonds. The actual tax rates may vary depending on the timing of sales, number of bonds sold, and increases in assessed valuations.

Performance and financial audits must be completed annually to ensure that bond proceeds are spent only as specified in the measure. An independent citizens’ oversight committee will monitor expenditures and provide oversight. Bond proceeds will be deposited in a separate account. As long as any bond proceeds remain unexpended, annual reports will be filed with the Board stating the amount of funds collected and expended, and the status of projects authorized by the measure.

A “yes” vote on this measure is a vote in favor of the District issuing $170 million in bonds for the purposes set forth in the full-text of the measure.

A “no” vote on this measure is a vote against the District issuing $170 million in bonds for the purposes set forth in the full-text of the measure.

TAX RATE STATEMENT FOR MEASURE I-16

An election will be held in the Lucia Mar Unified School District (the “District”) on November 8, 2016, to authorize the sale of up to $170,000,000 in bonds of the District to finance school facilities as described in the proposition. If the bonds are approved, the District expects to issue the bonds in several series over time. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400 through 9404 of the California Elections Code.

1. The best estimate of the tax which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is $0.04242 per $100 (or $42.42 per $100,000) of assessed valuation in fiscal year 2017-18.

2. The best estimate of the tax rate which would be required to be levied to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is $0.04243 per $100 (or $42.43 per $100,000) of assessed valuation in fiscal year 2024-25.

3. The best estimate of the highest tax rate which would be required to be levied to fund this bond issue, based on estimated assessed valuations available at the time of filing of this statement, is $0.04245 per $100 (or $42.45 per $100,000) of assessed valuation in fiscal year 2019-20.

4. These estimates would result in an average annual tax of $0.04101 per $100 (or $41.01 per $100,000) of assessed valuation over the life of the bonds.

5. The best estimate of the total debt service required to be paid if all the bonds are issued and sold, including principal and interest, is approximately three-hundred ninety-six million dollars.

Voters should note that estimated tax rates are based on the assessed value of taxable property in the District on the official tax roll of San Luis Obispo County, not on the property’s market value, which could be more or less than the assessed value. Taxpayers eligible for a property tax exemption, such as the homeowner’s exemption, will be taxed at a lower effective tax rate than described above, and certain taxpayers may be eligible for a postponement of their property taxes. Property owners should consult their own property tax bills and tax advisors to determine their property’s assessed value and any applicable tax exemptions.

The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold, market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The estimates are based on the District’s projections and are not binding upon the District. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on the need for construction funds and other factors. The actual interest rates at which the bonds would be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the County Assessor of San Luis Obispo County in the annual assessment and equalization process.

ARGUMENT IN FAVOR OF MEASURE I-16

VOTE YES on Measure I to protect and improve the outstanding quality of education that local children receive attending schools in the Lucia Mar Unified School District (LMUSD).

Our community faces a serious educational challenge: Lucia Mar schools have educated generations of local children but our schools have grown old – really old. As academic standards rise, our kids deserve a competitive edge preparing for college and 21st Century careers. LMUSD’s 18 schools are aging and in constant use, serving nearly 11,000 students each day. Some schools are now over 60 years old, and all need continuing repairs and upgrades.

Spanning two years, parents, staff and community members have helped build Measure I’s prudent, responsible plan to meet LMUSD’s most critical needs. NO other funding currently exists to properly upgrade these facilities.

Measure I will:

● Upgrade school facilities to keep pace with advancing technology.
● Renovate classrooms, labs and instructional equipment to meet rising college and university admission requirements.
● Repair/replace deteriorating roofs, plumbing, and electrical systems.
● Improve career-training facilities for instruction in fields like health, science, technology, engineering, math, and skilled trades.
● Replace aging portable classrooms with modern, permanent classrooms.
● Improve school safety and security on LMUSD campuses.

ALL Measure I funds stay local, benefitting ONLY Lucia Mar USD schools. The State CANNOT take this funding away. Measure I qualifies LMUSD to receive state matching funds when they become available.

Taxpayer protections are REQUIRED. NO funds can be spent on administrators' salaries or pensions. Independent Citizens' Oversight & mandatory audits ensure funds are spent properly.

Whether or not you have school-age children, protecting the local quality of education is a wise investment. Good schools protect property values and keep our community strong.

Join teachers, parents, and residents in VOTING YES to support safe, modern Lucia Mar schools.

VOTE YES on Measure “I”!
