

Party Preference and Political Party Endorsement

On the ballot, the political party preference, or no party preference, as indicated on the candidate's voter registration will be listed next to the candidate's name. The party designation is shown on the ballot for information to the voters only and it does not constitute or imply an endorsement by the party designated. Parties may provide a list of candidates for voter-nominated offices that they have endorsed. Those candidates who have received the official endorsement of the party for printing in this booklet are listed below.

OFFICIAL BALLOT

CONSOLIDATED GENERAL ELECTION - NOVEMBER 6, 2018

SAN LUIS OBISPO COUNTY, CALIFORNIA

INSTRUCTIONS TO VOTERS: To vote for or against candidates for Associate Justice of the Supreme Court; Presiding Justice, Court of Appeal; or Associate Justice, Court of Appeal, fill in the OVAL to the right of the word "YES" or "NO," respectively. To vote for any other candidate whose name appears on the ballot, fill in the OVAL to the RIGHT of the candidate's name. Do not vote for more than the number of candidates allowed. To vote for a qualified write-in candidate, write in the candidate's name on the Write-In line and fill in the OVAL to the RIGHT. To vote for a measure, fill in the OVAL to the RIGHT of the word "YES" or the word "NO". Marking the ballot outside of the designated space to vote for a candidate or measure may compromise the secrecy of the ballot. If you tear, deface, or wrongly mark this ballot, return it and get another. TO VOTE, USE BALLPOINT WITH DARK INK TO FILL IN THE OVAL COMPLETELY LIKE THIS:

VOTER-NOMINATED AND NONPARTISAN OFFICES

All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.

MEASURES SUBMITTED TO THE VOTERS					
STATE					
<p>1 AUTHORIZES BONDS TO FUND SPECIFIED HOUSING ASSISTANCE PROGRAMS. LEGISLATIVE STATUTE. Authorizes \$4 billion in general obligation bonds for existing affordable housing programs for low-income residents, veterans, farmworkers, manufactured and mobile homes, infill, and transit-oriented housing. Fiscal Impact: Increased state costs to repay bonds averaging about \$170 million annually over the next 35 years.</p>	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="padding: 5px;">YES</td> <td style="text-align: center; padding: 5px;"><input type="radio"/></td> </tr> <tr> <td style="padding: 5px;">NO</td> <td style="text-align: center; padding: 5px;"><input type="radio"/></td> </tr> </table>	YES	<input type="radio"/>	NO	<input type="radio"/>
YES	<input type="radio"/>				
NO	<input type="radio"/>				
<p>2 AUTHORIZES BONDS TO FUND EXISTING HOUSING PROGRAM FOR INDIVIDUALS WITH MENTAL ILLNESS. LEGISLATIVE STATUTE. Amends Mental Health Services Act to fund No Place Like Home Program, which finances housing for individuals with mental illness. Ratifies existing law establishing the No Place Like Home Program. Fiscal Impact: Allows the state to use up to \$140 million per year of county mental health funds to repay up to \$2 billion in bonds. These bonds would fund housing for those with mental illness who are homeless.</p>	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="padding: 5px;">YES</td> <td style="text-align: center; padding: 5px;"><input type="radio"/></td> </tr> <tr> <td style="padding: 5px;">NO</td> <td style="text-align: center; padding: 5px;"><input type="radio"/></td> </tr> </table>	YES	<input type="radio"/>	NO	<input type="radio"/>

Sample Ballot

5 CHANGES REQUIREMENTS FOR CERTAIN PROPERTY OWNERS TO TRANSFER THEIR PROPERTY TAX BASE TO REPLACEMENT PROPERTY. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE.

Removes certain transfer requirements for homeowners over 55, severely disabled homeowners, and contaminated or disaster-destroyed property. Fiscal Impact: Schools and local governments each would lose over \$100 million in annual property taxes early on, growing to about \$1 billion per year. Similar increase in state costs to backfill school property tax losses.

YES

NO

6 ELIMINATES CERTAIN ROAD REPAIR AND TRANSPORTATION FUNDING. REQUIRES CERTAIN FUEL TAXES AND VEHICLE FEES BE APPROVED BY THE ELECTORATE. INITIATIVE CONSTITUTIONAL AMENDMENT.

Repeals a 2017 transportation law's taxes and fees designated for road repairs and public transportation. Fiscal Impact: Reduced ongoing revenues of \$5.1 billion from state fuel and vehicle taxes that mainly would have paid for highway and road maintenance and repairs, as well as transit programs.

YES

NO

7 CONFIRMS CALIFORNIA DAYLIGHT SAVING TIME TO FEDERAL LAW. ALLOWS LEGISLATURE TO CHANGE DAYLIGHT SAVING TIME PERIOD. LEGISLATIVE STATUTE.

Gives Legislature ability to change daylight saving time period by two-thirds vote, if changes are consistent with federal law. Fiscal Impact: This measure has no direct fiscal effect because changes to daylight saving time would depend on future actions by the Legislature and potentially the federal government.

YES

NO

8 REGULATES AMOUNTS OUTPATIENT KIDNEY DIALYSIS CLINICS CHARGE FOR DIALYSIS TREATMENT. INITIATIVE STATUTE.

Requires rebates and penalties if charges exceed limit. Requires annual reporting to the state. Prohibits clinics from refusing to treat patients based on payment source. Fiscal Impact: Overall annual effect on state and local governments ranging from net positive impact in the low tens of millions of dollars to net negative impact in the tens of millions of dollars.

YES

NO

Sample Ballot

9 Proposition 9 was removed from the ballot by order of the California Supreme Court.

10 EXPANDS LOCAL GOVERNMENTS' AUTHORITY TO ENACT RENT CONTROL ON RESIDENTIAL PROPERTY. INITIATIVE STATUTE. Repeals state law that currently restricts the scope of rent-control policies that cities and other local jurisdictions may impose on residential property. Fiscal Impact: Potential net reduction in state and local revenues of tens of millions of dollars per year in the long term. Depending on actions by local communities, revenue losses could be less or considerably more.

YES	<input type="radio"/>
NO	<input type="radio"/>

11 REQUIRES PRIVATE-SECTOR EMERGENCY AMBULANCE EMPLOYEES TO REMAIN ON-CALL DURING WORK BREAKS. ELIMINATES CERTAIN EMPLOYER LIABILITY. INITIATIVE STATUTE. Law entitling hourly employees to breaks without being on-call would not apply to private-sector ambulance employees. Fiscal Impact: Likely fiscal benefit to local governments (in the form of lower costs and higher revenues), potentially in the tens of millions of dollars each year.

YES	<input type="radio"/>
NO	<input type="radio"/>

12 ESTABLISHES NEW STANDARDS FOR CONFINEMENT OF SPECIFIED FARM ANIMALS; BANS SALE OF NONCOMPLYING PRODUCTS. INITIATIVE STATUTE. Establishes minimum requirements for confining certain farm animals. Prohibits sales of meat and egg products from animals confined in noncomplying manner. Fiscal Impact: Potential decrease in state income tax revenues from farm businesses, likely not more than several million dollars annually. State costs up to \$10 million annually to enforce the measure.

YES	<input type="radio"/>
NO	<input type="radio"/>

COUNTY

G-18 Shall an ordinance be adopted amending the San Luis Obispo County General Plan and County Code to prohibit any new petroleum extraction and all well stimulation treatments, as defined in the full-text of the measure, including hydraulic fracturing and acid well stimulation, on all lands within the unincorporated area of the county?

Arguments in support of or in opposition to the proposed laws are the opinions of the authors.

Campaign Finance Reform

Among all state legislative candidates appearing on the ballot in San Luis Obispo County, only the candidate listed below has pledged to abide by campaign spending limits as specified in the California Government Code. Candidates agreeing to the campaign spending limits also have the opportunity to have a Statement of Qualifications printed in the local sample ballot pamphlet, at their own expense.

35th Assembly District Candidate
Bill Ostrander

**STATEMENT OF CANDIDATE FOR
U.S. REPRESENTATIVE, 24TH CONGRESSIONAL DISTRICT**

SALUD CARBAJAL

Occupation: Member of Congress

Education and Qualifications: I'm Salud Carbajal. I'm a proud husband, father, and Marine Corps veteran. I was the first in my family to graduate from a University, working two jobs to pay for my education at UCSB. I know what it's like to struggle and work hard to provide for my family, and I'm committed to making sure other families on the Central Coast have the same opportunities I did to get ahead.

I've strived to represent our Central Coast values in my service. I'm proud to have earned endorsements from the Sierra Club and Planned Parenthood for standing up for women's reproductive rights, preserving our environment, and protecting the integrity of our elections.

As a Member of Congress, I've worked with my Democratic and Republican colleagues to find common ground on issues that unite us. I've reached across the aisle to move forward bipartisan legislation that helps create new jobs, addresses the disastrous impacts of climate change, supports our nation's veterans and gold star families, fixes our broken immigration system, and invests in sustainable water infrastructure as our state faces an extended drought.

However, there is more work to be done. I'm willing to tackle the big issues to bring down the cost of health care, not repeal it. I'm fighting to make college more affordable and relieve students of crushing loan debt.

For more information about my campaign, please visit SaludCarbajal.com. I hope to earn your support on November 6th. Thank you.

**DECLARACIÓN DEL CANDIDATO PARA
REPRESENTANTE DE EE. UU., DISTRITO 24 DEL CONGRESO**

SALUD CARBAJAL

Ocupación: Miembro del Congreso

Educación y Competencia: Yo soy Salud Carbajal. Soy un orgulloso esposo, padre y veterano del Cuerpo de Marines de Estados Unidos. Fui el primero de mi familia en graduarse de una Universidad, con dos trabajos para pagar mis estudios en UCSB. Sé lo que es esforzarse y trabajar duro para mantener a mi familia, y me comprometo a asegurarme de que otras familias de la Costa Central tengan las mismas oportunidades que yo tuve para salir adelante.

He luchado para representar los valores de la Costa Central durante mi mandato. Me enorgullece haber obtenido el apoyo de Sierra Club y Planned Parenthood para defender los derechos reproductivos de la mujer, preservar el medioambiente y proteger la integridad de las elecciones.

Como Miembro del Congreso, he colaborado con mis colegas Demócratas y Republicanos para ponernos de acuerdo en problemas que nos unen. Me he unido a mis colegas para proceder con una legislación bipartita para crear nuevos trabajos, abordar el grave impacto del cambio climático, apoyar a los veteranos y a las familias de la "estrella de oro" de nuestro país, arreglar el sistema migratorio arruinado, e invertir en infraestructura sostenible de agua debido a la gran sequía que enfrenta nuestro estado.

Sin embargo, hay mucho trabajo por hacer. Estoy dispuesto a resolver los problemas grandes para reducir el costo de la atención médica, no para revocarlo. Estoy luchando para hacer que la universidad sea más asequible y para liberar a los estudiantes de las devastadoras deudas de préstamos.

Para obtener más información sobre mi campaña, visite SaludCarbajal.com. Espero tener su apoyo el 6 de noviembre. Gracias.

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE STATE ASSEMBLY, 35th DISTRICT**

BILL OSTRANDER

Occupation: Farmer/Nonprofit Advocate

Education and Qualifications: Health care is our right, not a privilege. Taking care of one another is right ethically, and using the bargaining power of California's 40 million people to negotiate medical costs is the smart thing to do fiscally. Unless you are an insurance company benefiting from a profit-driven healthcare system, this is a win/win.

A fair election process is our right, not something to be bought. We must remove the corruptive influence of using private funds to elect public officials. The insatiable need for campaign funding ruins conversations about governance, focuses politicians on just the wealthiest among us, and prevents us from achieving the legislative outcomes we need.

Access to higher education is our right, and not the privilege of the wealthy. In fact, we declared this in California's Master Plan for Education and we need to return to that commitment. It is not only right ethically: spending money on universal pre-school, more vocational and art programs for high school and college, internship programs, and affordable education are proven smart investments in our economy.

Access to clean air, water, and food is our right, not the privilege of previous generations. We must use our farming practices to combat global warming by drawing down atmospheric carbon and placing it back in our soil where it can improve fertility and water absorption, reducing our dependence on synthetic fertilizers and chemicals. That makes us all healthier.

This is about all of us. Let's put our best selves forward.

**DECLARACIÓN DEL CANDIDATO PARA
MIEMBRO DE LA ASAMBLEA ESTATAL, DISTRITO 35**

BILL OSTRANDER

Ocupación: Granjero/Defensor sin Fines de Lucro

Educación y Competencia: La atención médica es un derecho, no un privilegio. Cuidarnos los unos a los otros es éticamente correcto, y utilizar el poder de negociación de los 40 millones de habitantes de California para negociar los costos médicos es astuto a nivel fiscal. Todos ganan a menos que usted sea una empresa aseguradora que se beneficia del sistema de salud con fines de lucro.

Un proceso electoral justo es nuestro derecho, no algo que se compra. Tenemos que eliminar la costumbre corrupta de utilizar fondos privados para elegir a los funcionarios públicos. La necesidad insaciable de fondos para las campañas arruina las conversaciones sobre la gobernación, hace que los políticos se enfoquen en los más ricos, y evita que obtengamos los logros legislativos que necesitamos.

El acceso a la educación superior es un derecho y no un privilegio de los ricos. De hecho, establecimos esto en el Plan Maestro de Educación de California, y necesitamos recuperar ese compromiso. No es solo éticamente correcto: el gasto de dinero en educación preescolar universal, más programas vocacionales y artísticos para la escuela secundaria y la universidad, los programas de pasantías, y la educación asequible han demostrado ser inversiones inteligentes en nuestra economía.

El acceso al aire, el agua y la comida limpios es un derecho, no un privilegio de las generaciones anteriores. Debemos utilizar nuestras prácticas agrícolas para combatir el calentamiento global al reducir el carbono en la atmósfera y volver a colocarlo en nuestra tierra, donde puede mejorar la fertilidad y la absorción del agua, reduciendo así la dependencia de fertilizantes sintéticos y químicos. Esto nos hace más sanos a todos.

Esto es para todos. Demos lo mejor de nosotros mismos.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 2
San Luis Coastal Unified School District**

MARILYN RODGER

Occupation: Incumbent

Education and Qualifications: I am privileged to have served as a trustee of the San Luis Coastal Unified School District for the past 16 years. During my tenure, the district has seen periods of greater and lesser revenues. While navigating these waters, my commitment to student achievement and welfare has remained my top priority. District schools have received state and national recognition and student achievement has continued to rise, year over year, even among our most vulnerable groups.

Successful multi-year contracts with our represented employees have been realized during my tenure and I have supported schools of choice such as Pacheco Elementary School, Teach Elementary School and Pacific Peach High School for parents seeking alternative options. As a trustee, I have been mindful that the public dollars dedicated through our Measure D Facilities Bond be spent wisely and with accountability. Each dollar spent will support 21st century facilities to serve current and future generations of students.

As we approach the changed economic landscape that the closure of Diablo Canyon brings, I am prepared to make budget decisions always viewed through the lens of having least impact on students and classrooms. I take seriously the trust placed in me and I pledge to work diligently and collegially to support the educational opportunities of all students.

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 2
San Luis Coastal Unified School District**

EVELYN FRAME

Occupation: Retired Elementary Teacher

Education and Qualifications: I retired this June as an elementary classroom teacher having taught for more than 30 years. That current classroom experience is what motivates me to seek this office. It is the knowledge gained in that experience that impels me to work to ensure that student needs are foremost in every board decision.

Our school district is facing difficult budgetary decisions and we must re-frame school excellence. My strong student advocacy platform: local parent input into the identity of each school, classroom teacher expertise front and center, and fiscal transparency to better engage all community stakeholders.

Our community has high expectations for our schools. We all benefit from excellent teachers and strong community support. I will commit to transparent active engagement with parents, teachers, and staff in order to deepen our collective understanding of student needs. We are a better district and a richer community when all truly means all, and all students are challenged and supported to grow as learners and citizens.

25+ Years Elementary Classroom Experience, 6 Years Reading Intervention and English Learning Specialist, Multiple Subject/BCLAD Credentials, Principal and Teacher Interview Committees, Piloted District Curriculum, School Site Council Member

**STATEMENT OF CANDIDATE FOR
GOVERNING BOARD MEMBER, TRUSTEE AREA NO. 2
San Luis Coastal Unified School District**

JIM QUESENBERRY

Age: 69

Occupation: Incumbent, Retired Teacher

Education and Qualifications: I am dedicated to the education of all of our children. Every child has a right to the best public education we can provide. I have pursued this dedication to public education for more than 40 years. I taught middle school and high school for 36 years in San Luis Obispo and the greater Los Angeles area. In addition to my teaching career, it has been my privilege to serve on the San Luis Coastal Unified School District for more than 7 years. As your representative to the school board, I have been honored to serve as board clerk and president. I have the depth of knowledge and experience, sound judgement, and the fervent desire to effectively serve our children and community. Thank you for your continuing support and interest in San Luis Coastal Unified School District.

**DECLARACIÓN DE CANDIDATA PARA
MIEMBRO DE LA JUNTA GUBERNATIVA, ÁREA DE SÍNDICO 2
Distrito Escolar Unificado San Luis Coastal**

MARILYN RODGER

Ocupación: Titular

Educación y Competencia: Tengo el privilegio de haber prestado servicio como síndico del Distrito Escolar Unificado San Luis Coastal por los últimos 16 años. Durante el desempeño de mi cargo, el distrito ha sido testigo de períodos tanto de mayores como de menores ingresos. Mientras hacía frente a estos desafíos, mi compromiso con el logro estudiantil y el bienestar de los estudiantes ha permanecido como mi principal prioridad. Las escuelas del distrito han recibido el reconocimiento tanto estatal como nacional y el logro estudiantil ha seguido elevándose, año tras año, incluso entre nuestros grupos más vulnerables.

Se han concretado contratos de varios años con nuestros empleados representados durante mi período y he apoyado a las escuelas consideradas como la mejor elección, tales como la Escuela Primaria Pacheco, la Escuela Primaria Teach y la Escuela Secundaria Pacific Peach para padres que buscan opciones alternas. Como síndico, me he preocupado por que los recursos monetarios públicos que se destinan por medio del Bono a Establecimientos conforme a la Iniciativa de Ley D se inviertan de manera sensata y con responsabilidad. Cada dólar gastado apoyará a los establecimientos del siglo 21 para que sirvan a las actuales y futuras generaciones de estudiantes.

A medida que nos vamos aproximando un panorama económico diferente que trae consigo el cierre de Diablo Canyon, estoy preparada para tomar decisiones presupuestarias siempre bajo el lente de que estas impliquen el menor impacto en los estudiantes y en los salones. Me tomo con seriedad la confianza que depositan en mí y me comprometo a trabajar diligentemente y con sincero interés para apoyar las oportunidades educativas de todos los estudiantes.

EVELYN FRAME

Ocupación: Maestra de Primaria, Jubilada

Educación y Competencia: Me jubilé el pasado junio como maestra de grado de primaria; di clases durante más de 30 años. Esa experiencia actual en los salones es lo que me motiva a postularme para este puesto. El conocimiento que obtuve en esa experiencia es el que me impulsa a trabajar para garantizar que las necesidades de los estudiantes sean la prioridad en todas las decisiones de la junta. Nuestro distrito está enfrentando difíciles decisiones presupuestarias y debemos volver a replantear la excelencia escolar. Mi sólida plataforma de defensa de los estudiantes: aportes de los padres de familia locales para formar la identidad de cada escuela, conocimientos especializados como maestra de grado entregada en cuerpo y alma y transparencia fiscal para involucrar mejor a todas las partes de interés en la comunidad.

Nuestra comunidad tiene altas expectativas para nuestras escuelas. Todos nos beneficiamos de tener excelentes maestros y del sólido apoyo comunitario. Mi compromiso se enfocará hacia la participación activa y transparente con padres de familia, maestros y el personal, con el fin de profundizar nuestro conocimiento colectivo de las necesidades de los estudiantes. Somos un distrito mejor y una comunidad más enriquecida cuando el término "todos" verdaderamente engloba a "todos" y a todos los estudiantes se les lanza el desafío y se les da el apoyo para crecer como alumnos y como ciudadanos.

Más de 25 años de Experiencia en los Salones del Nivel Primario, seis años como Especialista en Intervención en Lectura y en Aprendizaje del Idioma Inglés, Diversas Credenciales en Asignaturas/BCLAD, Comités de Entrevistas para Directores y Maestros, Currículo Piloto del Distrito, Miembro del Concejo de Sedes Escolares

CHUCK CESENA

Age: 64

Occupation: Retired Environmental Planner

Education and Qualifications: BA in Environmental Studies from UC Santa Barbara and worked as an Environmental Planner for Caltrans for over 36 years before retiring in 2014.

I've served on the LOCS D since November of 2014 and from 2005-2010 before that. I currently chair the CSD's Utility Advisory Committee, am vice-chair of the Emergency Services Committee and the alternate representative to the Basin Management Committee (BMC). The BMC- a court approved committee comprised of representatives from the County and our three water companies - is responsible for managing the groundwater basin, as detailed in our Basin Management Plan (BMP).

In addition to supporting the CSD's timely completion of its share of new infrastructure projects called for in the BMP, through the CSD I recently authored a request for the County to cancel their contracts that propose to ship recycled water from the treatment plant to dryland farmers rather than return it to existing leach fields to recharge our groundwater basin.

I would appreciate the opportunity to further the water supply dialogue with the County and other regulatory agencies as your representative on the LOCS D.

STEPHEN M. BEST

Age: 67

Occupation: Retired Geothermal & Green Energy Consultant, Designer and Engineer

Education and Qualifications: For the past 25+years I have dedicated my life to reducing energy needs and emissions with environmental green technology to heat and cool our homes, commercial buildings and schools. I pioneered the first geexchange systems installed in Southern California; designed, engineered and built systems from SB Court House, to Curry Village in Yosemite NP; from the Bay Area to LA to here at home. My expertise is Project Management as a Certified Building Commissioning Professional.

I have been passionately working on protecting our Water Basin; the development that threatens our ecosystems and quality of life, managing our growing homeless population, and the lack of green parks and multipurpose paths.

We need to look at the big picture, take charge, and focus on the things we need vs. just waiting for something to happen and being disappointed.

My wife and I moved to Los Osos/Baywood Park in 1996 after spending decades visiting the area. We fell in love. Los Osos deserves to be preserved and protected while we improve and plan for our future.

I have many creative ideas and solutions. I look at the big picture and see solutions that will maintain the feel, small town spirit and pride we all have for our town.

CHUCK CESENA

Edad: 64

Ocupación: Planificador Ambiental Jubilado

Educación y Competencia: Tengo una Licenciatura en Estudios Ambientales obtenida en UC Santa Barbara y trabajé como Planificador Ambiental para Caltrans durante más de 36 años antes de jubilarme en el año 2014.

He servido en el LOCSD desde noviembre de 2014 y, anteriormente, desde el año 2005 hasta el año 2010. Actualmente, presido el Comité Consultivo de Servicios Públicos del CSD, soy vicepresidente del Comité de Servicios de Emergencia y el representante suplente del Comité de Manejo de Cuencas (BMC). El BMC - un comité aprobado por el tribunal, cuyos miembros son representantes del Condado y de nuestras tres empresas proveedoras de agua - es el responsable de mantener la cuenca subterránea, tal como se detalla en nuestro Plan de Manejo de Cuencas (BMP).

Además de apoyar la oportuna culminación de la participación del CSD en los proyectos de infraestructura nueva exigidos en el BMP, recientemente, a través del CSD, redacté un pedido para que el Condado cancele sus contratos, los cuales proponen enviar el agua reciclada desde la planta de tratamiento hasta zonas agrícolas con tierras áridas en lugar de devolverla a las zonas de drenaje para recargar nuestras cuencas subterráneas.

Me encantaría tener la oportunidad de promover el diálogo sobre el suministro de agua con el Condado y con otras agencias reguladoras como su representante del LOCSD.

**COUNTY OF SAN LUIS OBISPO
IMPARTIAL ANALYSIS OF MEASURE G-18**

This measure proposes the adoption of an ordinance through the initiative process. If 51% of qualified voters vote to approve the measure, an ordinance will be adopted amending the San Luis Obispo County General Plan, including the Local Coastal Program, and Title 22 and Title 23 of the San Luis Obispo County Code, to prohibit well stimulation treatments and any new petroleum extraction on all land within the unincorporated area of the county. The intended purpose of the measure is to protect county land, water, and quality of life.

Some impacts of the measure are uncertain because it is not known to what extent the banned or limited well stimulation activities are either utilized or necessary to the recovery of oil or gas in the county. The measure bans any new petroleum extraction but permits as a "nonconforming use" any petroleum extraction existing on the effective date of the measure (10 days after the vote approving the measure is declared by the board of supervisors [Elec. Code, § 9122]; hereafter "the effective date"). Such extraction may not be enlarged, increased, or otherwise expanded or intensified after the effective date. The measure prohibits all well stimulation treatments, even those currently existing on the measure's effective date. Well stimulation treatments include fracking and acidizing (acid well stimulation), which can be used, where effective, to enhance recovery of petroleum.

The legality of the measure is uncertain. To the extent the measure regulates drilling operations underground, it may be preempted by state or federal law. San Luis Obispo County retains land use regulation on the surface, but the validity of local land use regulations that impact how wells are operated below ground is not clear. In addition, the measure's regulatory restrictions on certain oil extraction without compensation may result in claims of an unconstitutional "taking" of mineral rights. In order to avoid an unconstitutional taking and county liability, the measure provides authority for the county to grant a limited exemption to the regulations imposed by the measure based on substantial evidence of facts constituting a taking. The procedures for evaluating evidence of a taking and determining the extent of any exemption are not prescribed by the measure. The necessity of utilizing such procedures prior to bringing suit against the county is unknown. Any exemption determination would be subject to judicial review.

The measure requires the county to defend the measure. If the measure is approved, litigation is anticipated. Litigation would likely include claims of preemption and an unlawful taking of private property rights. County resources would be necessary to defend against such claims, and to process taking exemption claims and vested rights claims made by holders of mineral rights.

The measure has been placed on the ballot by the requisite number of voters who signed the initiative petition for the measure. A "yes" vote on the measure is a vote in favor of the measure. A "no" vote is a vote against its adoption.

s/ RITA L. NEAL
County Counsel

The above statement is an impartial analysis of Measure G-18. If you desire a copy of the Ordinance or related materials, you can visit the Election website at www.slovote.com, or you can call the Election's office at 805-781-5228 and a copy will be made available at no cost to you.

FISCAL IMPACT STATEMENT FOR MEASURE G-18

The fiscal impact of Measure G-18 to County revenue and expenditures is inherently difficult to predict due to its intersection with the variable oil market, changing technologies, and potential secondary effects of restricting oil production.

If approved, Measure G-18 prohibits new petroleum extraction and “well stimulation treatment;” existing operations would be allowed to continue as long as they are not expanded or intensified. As stated in Measure G-18, the impacts of petroleum extraction will decrease over time as production from existing wells declines. Additionally, the value of active oil businesses and mineral rights will likely decrease if Measure G is approved, which could impact tax revenue as described below.

Although there may be financial impacts to the County, it is impossible to predict with any certainty what they will be or the net amount. The following fiscal areas would likely be affected if oil extraction decreases:

- **Property Tax:** The assessment of property tax for mineral-producing properties is based on a calculation of oil reserves that the mineral rights holder can access as well as the market price of oil. Restricting the owner’s ability to expand will decrease the value of the mineral rights and thereby decrease taxes.
- **Unitary Tax:** This is similar to property tax except the assessment is calculated by the State rather than the local Assessor. Unitary tax is applied to businesses whose assets cross county boundaries such as transmission lines or pipelines. A decrease in oil production may decrease unitary taxes.
- In Fiscal Year 2017/2018, the oil industry was assessed \$2,304,232 in secured, unsecured and unitary taxes. This represents 0.43% of all assessed taxes for 2017/2018. The taxes were apportioned as follows:

	<u>Amount</u>	<u>Percent of Total Funds</u>
○ Schools -	\$ 1,514,626	(0.283%)
○ County General Fund -	\$ 603,596	(0.113%)
○ Special Districts -	\$ 121,543	(0.023%)
○ Cities -	\$ 20,211	(0.004%)
○ RDA Successor Agencies -	\$ 44,255	(0.008%)

There are other potential financial impacts to the County General Fund which are impossible to estimate, including but not limited to:

- The cost of any environmental damage caused by the oil extraction process. The oil industry is regulated by multiple agencies including the Department of Oil, Gas, and Geothermal Regulation, Environmental Protection Agency, Regional Water Quality Control Board, Air Pollution Control, and the County of San Luis Obispo Planning Department. Although infrequent, even with regulation, oil spills have occurred;
- Any impact to approximately 32 to 76 local oil-industry jobs (source EDD) and the cascading effect to the local economy, including the related consumer spending and associated sales tax;
- County costs for processing applications for exemptions to Measure G-18, including exemptions to avoid unconstitutional takings of property and where there are “vested rights” which may be offset by existing fees;
- Litigation costs defending or opposing exemption approvals or denials;

- Potential litigation costs regarding claims of unconstitutional “takings” of property and/or vested rights. Costs could include monetary awards for damages (the County is not insured against court judgments for “takings” damages).

ARGUMENT IN FAVOR OF MEASURE G-18

Beautiful San Luis Obispo County has a bright and prosperous future if we choose to protect our water, agriculture, and tourism. Fracking, acidizing, and expanded petroleum extraction **put that future at risk.**

Measure G lets the people decide, not the oil companies.

- The oil industry has plans to expand drilling in San Luis Obispo County, if we let them.
- They use risky, energy-intensive oil extraction techniques.
- Oil operations, as well as fracking and acidizing, often require transportation and use of toxic chemicals.
- Fracking and expanded drilling pose risks to San Luis Obispo County's water, agricultural heritage, and rural character, and undermine our clean energy future.

Measure G protects our water quality and quantity.

- It bans fracking, acidizing, and expanded drilling, which endanger our groundwater, creeks and soil.
- Fracking uses large quantities of fresh water. Our limited water supplies should be conserved for local farmers and residents, not sacrificed to the oil industry.

Measure G protects our health and safety.

- Studies reveal toxic chemicals used in fracking and acidizing – and pollution from oil extraction – can cause illnesses such as cancer, birth defects, and asthma.
- Scientists have shown fracking and injection can trigger earthquakes – and we live in an already seismically active area.

Measure G protects our economic future.

- **A safe and reliable water supply is essential for a healthy economy.** Reports show:
- **Agriculture** produced \$732 million in crops, contributed \$1.87 billion to the local economy, and supported over 20,000 local jobs in 2011. 2017 crop values totaled nearly \$925 million.
- **Tourism** generated \$75 million in local tax revenue and provided another 20,000 jobs in 2017 alone.

Measure G is fair and balanced.

- It prohibits expanded drilling but allows existing oil operations to continue.
- It gives the County flexibility to protect property rights.

Vote YES on Measure G: Protect Our Water, Our Health, and Our Future.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE G-18

As citizens who proudly live in San Luis Obispo County, we care deeply about our County's future and strongly oppose Measure G.

At this time, when our County faces adverse effects due to the closure of Diablo Canyon, Measure G would create more economic uncertainty, hurt our community, and increase our dependence on foreign oil.

Measure G would shut down EXISTING oil and gas production.

- The promoters of this proposition are using scare tactics about fracking to try to pass Measure G. But, there is no hydraulic fracturing in San Luis Obispo County and no plans to do so.
- Measure G is so broadly written that practices safely used for over a century—and which are needed for existing production to continue—would be banned by Measure G.

Measure G would put the County and its taxpayers at risk for millions of dollars in liability that the County is not insured for.

- San Luis Obispo County would be on the hook to pay millions of dollars to property owners whose mineral rights would be violated by Measure G—thus facing drastic reductions in vital public services.
- A state judge already held that a similar measure in Monterey County was illegal and resulted in Monterey being exposed to massive legal liability.

Even the County's own impartial analysis cited the risk of litigation resulting from the measure (7/20/2018).

We need a balanced approach as we transition to a clean energy economy, not the drastic energy shutdown caused by Measure G.

ARGUMENT AGAINST MEASURE G-18

Measure G is a costly ballot initiative that would result in another major employer shutting down in our County-hurting local workers and their families and resulting in new economic problems for our County.

Measure G would shut down existing oil and gas production.

- Practices that have been safely used for over a century and are needed for existing production to continue would be banned by Measure G.
- As a result, Measure G would shut down existing oil and gas production in San Luis Obispo County.

Measure G would result in more economic uncertainty.

- Already, the closure of Diablo Canyon is going to put a heavy economic strain on our county budget.
- If oil and gas production is shut down, the county would lose even more tax revenue, which could result in deep budget cuts to public safety and schools.

Measure G would harm our families and our community.

- Hundreds of workers would be at risk of losing their jobs.
- Millions in annual state and local tax revenues would be lost.

Measure G would expose the County and its taxpayers to massive financial liability.

- The County would be required to defend itself against lawsuits over Measure G, which could cost the County millions of dollars in legal fees alone.

Measure G would increase dependence on foreign oil.

- California produces less than 35% of what is needed to meet the demand of gasoline for our drivers.
- Oil that we do not produce locally would have to be imported from somewhere else, including countries that have poor environmental regulations and terrible human rights standards like Saudi Arabia, Iraq and Russia.
- We should allow local producers to help meet our energy needs in the responsible way, under the strictest environmental regulations in the world.

REBUTTAL TO ARGUMENT AGAINST MEASURE G-18

Big Oil is spending big money to protect their profits while they threaten our water, economy, and health. Know the facts:

The “Oil and Gas Shut Down” is a Lie

- Measure G allows San Luis Obispo County’s existing oil operations to continue (see Section 2B of the Initiative).

Big Oil is Risking the Heart of San Luis Obispo County’s Economy

- The County Auditor says oil provides fewer than 80 local jobs and only 0.43% of County-assessed taxes.
- Reports show agriculture and tourism together contribute over 40,000 jobs and billions of dollars to the local economy.
- Agriculture and tourism depend on clean and plentiful water. Groundwater contamination could cause significant economic harm.

Big Oil is Bullying Voters with Threats of Lawsuits

- Courts have confirmed local governments have the power to ban new drilling. If we choose to do that, then Big Oil should back off.
- The measure gives the County flexibility to avoid liability for “taking” anyone’s property rights.

Oil Companies Don’t Care About Our Energy Independence

- They convinced Congress to lift the ban on oil exports to maximize their profits. They also consistently lobby against clean energy measures that would reduce our reliance on overseas fossil fuels.
- San Luis Obispo County oil is refined and sold throughout California and internationally, not just for local consumption.

Measure G stops oil companies from passing the risks of fracking and expanded oil production on to the people of San Luis Obispo County. Vote YES on Measure G.

REQUESTING A VOTE BY MAIL BALLOT

If you find that for any reason you will be unable to vote in person on Election Day, promptly complete and sign the application for a Vote By Mail ballot printed on the reverse side of this page, detach the post card, apply postage and mail. Your application must reach the office of the **Clerk-Recorder** not less than 7 days before the day of election. State law now allows a voter to apply for a Vote By Mail ballot by telephone. You may reach the Clerk-Recorder at 805-781-5228. The deadline for the Clerk-Recorder to receive Vote By Mail applications is October 30, 2018.

PERMANENT VOTE BY MAIL QUALIFICATION

Any voter, upon request, may become a Permanent Vote By Mail Voter. You may either check the Permanent Vote By Mail box on the Application for Vote By Mail Ballot or request Permanent Vote By Mail status over the phone and a vote by mail ballot will automatically be sent to you for future elections. Failure to vote in four consecutive statewide general elections may cancel your Permanent Vote By Mail Status and you will need to reapply.

RETURNING YOUR VOTE BY MAIL BALLOT

Voters may return only their own voted vote by mail ballot, in person or by mail, to the Clerk-Recorder's Office. On Election Day the ballot can be returned to any polling place. To be counted, a ballot must be received no later than the close of the polls at 8:00 p.m. on Election Day. Mailed ballots must be postmarked on or before Election Day and be received in the Clerk-Recorder's Office no later than three days after Election Day. However, a voter who is unable to return his/her ballot may designate any person to return the ballot to the Clerk-Recorder or any polling place.
