BRUCE GIBSON

BOARD OF SUPERVISORS, 2ND DISTRICT**

JUDY VICK, M.S., M.F.T.

Occupation: Civil Servant/Counselor

Education and Qualifications: I am running for Supervisor to provide a voice for communities in the decisions that will shape our future. I have lived in Los Osos for 19 years, working throughout the county with families in crisis. As a therapist and advocate for families, I've worked within county departments and non-profits to solve problems facing individuals, families, and communities. I will do the same as County Supervisor.

Look around you. What have the good old boys and the politics of "business as usual" given us? Poorly-planned growth, compromised water and air quality, clogged roads, a deepening housing crisis, the development of prime agricultural land, and highly radioactive waste at Diablo Canyon that we're told will find a home somewhere else, someday.

No more lip service for alternative energy solutions, affordable housing and protection of our farmland and natural areas: I will make these priorities.

I have been working for and with multiple County agencies to get things done for more than a decade. Along with that experience, I will bring to the job my determination, compassion and commitment to a vision that puts healthy communities for working families over business as usual and the sway of special interests.

K.H. KATCHO ACHADJIAN Age: 55
Occupation: Businessman, Community Volunteer, County Supervisor

Education and Qualifications: Bachelor of Science in Business Administration, Cal Poly.

I have been very active in South County for over 30 years and involved with many organizations countywide. My background as a small businessman, community volunteer and two-term County Supervisor has been invaluable and will continue to help me serve the community with integrity, knowledge and compassion. I will strive to improve the balance between protecting the environment and the future of working families.

I support grassroots efforts and public participation in the governmental process. County Government must work diligently to ensure safe neighborhoods and provide quality health services for seniors and children. I advocate a user friendly government and will continue looking for methods to create better job opportunities. I support tourism, agriculture and farmland as a vital part of our environment and economy. A priority of mine will be to work closely with local jurisdictions to identify sources of supplemental water to replenish our resources and meet the needs of the countywide housing demands.

With your vote, I will continue to be very accessible and be your voice in county government. I will also ensure that the community is brought into the decision making process.

**DECLARACIÓN DEL CANDIDATO A LA
JUNTA DE SUPERVISORES, 4^º DISTRITO**

K.H. KATCHO ACHADJIAN Edad: 55
Ocupación: Empresario, Voluntario de la Comunidad, Supervisor del Condado

Educación y Competencia: Licenciado en Administración de Empresas, Universidad Politécnica de California.

Trabajé mucho en el South County por más de 30 años y participé en muchas organizaciones de todo el condado. Mi experiencia como pequeño empresario, voluntario de la comunidad y Supervisor del Condado durante dos mandatos ha sido invaluable y seguirá ayudándome a servir a la comunidad con integridad, sabiduría y compasión. Me esforzaré en mejorar el equilibrio entre la protección del medio ambiente y el futuro de las familias trabajadoras.

Apoyo los esfuerzos populares y la participación pública en el proceso de gobierno. El Gobierno del Condado debe trabajar diligentemente para garantizar vecindarios seguros y proveer servicios de salud de calidad para las personas mayores y los niños. Soy partidario de un gobierno accesible y continuaré buscando métodos para desarrollar mejores oportunidades laborales. Apoyo el turismo, la agricultura y las tierras de cultivo como parte fundamental de nuestro ambiente y nuestra economía. Consideraré una prioridad trabajar estrechamente con las jurisdicciones locales para identificar las fuentes de agua suplementarias para renovar nuestros recursos y atender las necesidades de las demandas de vivienda de todo el condado.

Con su voto, continuaré siendo muy accesible y seré su voz en el gobierno del condado. Asimismo, me aseguraré de que la comunidad participe en el proceso de la toma de decisiones.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 4TH DISTRICT**

JUDITH A. WIRSING
Occupation: Business Owner

Education and Qualifications: I am a candidate for Board of Supervisors District 4 which includes the South County (Arroyo Grande, Oceano, Nipomo), southeastern San Luis Obispo and Edna Valley:

I will uphold the Constitutions of the United States and the State of California. I will not criticize my opponents.

I do have a better approach and that is to "conserve" our resources, the health of our environment and maintain a strong economic structure – hand-in-hand, which I believe can be achieved with my strict discipline, leadership, dedication and sincerity along with integrity to get the job done. This job is to "uphold the needs of each community and for the longstanding betterment of its residents."

I have served for the last six years as an elected official to the Board of Directors of the Nipomo CSD, making decisions on major water and infrastructure issues.

I have twenty-six years as owner of a graphic design, printing and publishing company. Community involvement: ambassador and board member for the Nipomo COC, Business of the Year honoring my involvement with the Friends of the Nipomo Library, secretary Nipomo Salvation Army, Nipomo Area Advisory Group, courtesy printing for emergencies, community fundraising, schools, churches, recreation center, and Nipomo CDF.

**STATEMENT OF CANDIDATE FOR
BOARD OF SUPERVISORS, 4TH DISTRICT**

CHRIS McSWEENEY Age: 50
Occupation: Sales Representative

Education and Qualifications: I moved here from Southern California because I value the quality of life and natural beauty of the Central Coast. I earned my Bachelor's of Science degree in Administrative Management from California State University, Los Angeles, and have spent my career working in management and sales. Ethics and integrity have guided all my decisions in business. My daughter and granddaughter still live in Glendale.

I believe I am qualified to be District 4 Supervisor because I have a professional background in administration, and because I saw what rampant growth did to Los Angeles, and I see the same mistakes being repeated here. We can solve our traffic problems, help our schools, and improve our health care system, but only with new leadership and vision. It's not too late to save what we love about San Luis Obispo County, but we can only do it if we take bold action now.

I have the strength of character to stand up to special interests, and the smarts to look at an issue and understand the core of the problem. As Supervisor, I promise I will always cast informed and independent votes that achieve the best possible outcome for the constituents I represent.
