

**STATEMENT OF CANDIDATE FOR  
BOARD OF SUPERVISORS, 1<sup>ST</sup> DISTRICT**

**HARRY L. OVITT**

**Age: 62**

**Occupation:** County Supervisor 1<sup>st</sup> District

**Education and Qualifications:** Political candidates often talk change, but I am proud that I have actually delivered change and progress to the North County.

Changing the County's budget system to a result based system offers the Board a decision based on measurable outcomes.

Through regular contact with voters and citizen advisory committees in every community, I have been able to serve the needs of all our residents.

I have strengthened public safety by the establishment of two new fire stations and a permanent North County Sheriff's substation. I have brought key services to the North County, like the Paso Robles Courthouse, a Clerk-Recorder's office, Health and Mental Health services, Social Service offices, Agricultural offices and a future Templeton library. I have improved our transportation system with the North County Shuttle, Highway 46 East, Vineyard and Las Tablas road improvements, and revitalization of downtown San Miguel. I have provided greater housing opportunities for our senior citizens and supported greater recreation facilities in the 1<sup>st</sup> District.

My record is one of action and meaningful change. As your Supervisor, I will continue to bring my experience, my commitment, and my accessibility, in working with you for the future of the North County.
